REAL WIFE SEX

What wives don't dare to tell their friends or husbands! It's all your own work... the private passions, secret sex sessions and hush-hush humping... all uncensored.

Crack of Dawn

My wife Dawn and I love reading those letters from men who watch their wives getting a cuntful of randy cock.

I know "wife watching" may sound like a one-sided pleasure. However, I'm sure that people who enjoy this particular sexual pastime will tell you that it is anything but.

Dawn gets to have sex with strangers and my main thrill comes from hearing the details of what she's been up to as I clean her pussy.

My wife has a bigger sex drive than me that needs to be satisfied

Dawn's other idea of fun is to place contact ads in mags like this one, then torment me as she goes through all the email or letter replies she receives. Dawn makes it known to her potential lovers that she is a lot younger than me and has a bigger sex drive that needs to be satisfied by taking a lover.

One of my greatest pleasures is to see Dawn, tits bouncing away, being screwed by a lusty young stranger.

She is well aware that I enjoy watching more than taking part and I find that my cock becomes a real diamond-cutter when watching the petting, fondling and stroking that Dawn indulges in when she builds-up to her stranger fun.

Dawn likes nothing more than prolonging the anticipation. Sometimes she instructs me to telephone the guy and I have to endure him telling me what he is going to do with my wife.

Even more humiliatingly, he might tell me intimate details about our marriage that can only have come from Dawn herself.

Many of the guys find it exciting to instruct me to select certain clothing for Dawn – usually tight revealing tops and short skirts.

When the guy eventually arrives – be it at a hotel or our home, I try to blend into the background. I sit and watch, rubbing my erect cock through my trousers.

REAL WIFE SEX

I like to be close, though, close enough to see the tongues flickering in each other's mouths.

The mix of jealousy and arousal I experience when Dawn slides a guy's bloated cock between her ample boobs never fails to make my stomach churn.

Dawn always maintains eye contact with me as she lowers her mouth on to the guy's dick, sucking deeply.

Many of her lovers give me a crude running commentary of how good my wife's lips feels as she lowers her pussy on to their erection.

Sometimes I'll take hold of his length and guide him into my wife. Most men like Dawn on top because they get to fully appreciate the sheer size and weight of her tits.

They get to fully appreciate the sheer weight of her tits

In turn Dawn has control over the depth of penetration and pace.

My reward has to wait until Dawn has orgasmed and the guy pumps her full of cum. Only then do I see them part and wait for the inevitable flush of white spunk.

At last I'm permitted to eat my slutty wife's cream pie, while I whack myself off.

Please write to Dawn. What's the worst that can happen? She might say, "Thanks but no thanks," but she might not!

N., Blackpool.

Summers loving

I want to tell you and your readers about what happened to me a few weeks ago as it still gets me dripping wet!

My friend Becs and me decided to check out an Ann Summers party that her mate was hosting. We are both pretty open-minded so were really looking forward to getting ourselves a few more toys.

On the way to her mates, we decided to stop off on the way and have a few drinks. Just as we were leaving we were chatted up by a couple of really fit blokes. Easily persuaded we stayed and eventually admitted where we were heading to next.

Loving it, Jamie and John eagerly gave us their numbers and told us if we needed help deciding which toys to buy we should call them up and they would happily lend a hand.

After a few more drinks we left and arrived at the party, which was already in full swing. The host opened the door decked out in suspenders, a gorgeous corset and armed with the biggest double-ended dildo I have ever seen!

Screaming with giggles we went in and joined the other girls who had also quite clearly hit the drink before arriving. I noticed how my nipples hardened at the sight of the girls all trying on different sexy outfits and touching all the dildos. My friend was straight in there and soon had picked out a huge vibrator and some sexy patent red shoes. She looked amazing and I started to get really turned on as I could feel my pussy tighten and get juicy and wet.

Holding up a big black vibe she cooed at me, "Think this one's for you!" The evening went really well and I had brought a load of sexy underwear. Soon it was time to go so we grabbed our stuff and headed home.

In a taxi home we were both feeling horny as hell so I rang one of the guys we had met in the pub earlier. Amazed to hear from me he invited us over to the hotel he and his mate were staying at. We

Holding up a big vibro she cooed that this was the one for me

soon arrived at their room and decided to give them a little show of the stuff we had bought. Slipping into my tiny G-string, fishnets and bra I called out to Jamie if he was ready for us.

Walking into their bedroom they couldn't believe their luck. Ripping off Jamie's shirt I plunged my tongue down his throat and pushed my body down on his fit body. I could feel his massive hard cock and reached down to release it from his jeans. Rolling me over, he undressed and knelt at the foot of the bed.

Spreading my legs apart I groaned loudly as I felt his tongue glide up my thighs and slip in between my wet pussy lips. Looking over I saw Becs guzzling down on John's cock and he fucked her hard and fast with one of her new dildos. Lifting up Jamie's head we both watched the fucking frenzy happening on the bed next to ours.

I couldn't wait much longer so I eased Jamie's big hard cock into my throbbing cunt doggy-style so we could watch them. It was almost too much feeling his cock pound my cunt as I smiled at Becs getting the same treatment. As my eyes fixed on her sweet plump pussy, wet and being pounded by John's member I began to feel myself cum.

Jamie pulled my head back with one hand and squeezed my breasts hard until I screamed out in lust. He banged me hard as he must have felt my cunt juices drip down his cock. I felt his hot cum pump violently inside me as he came too.

Collapsing on the bed I licked up his and my juice off his cock and was eagerly watched by John and Becs as they orgasmed together as well. It was the best evening and we have promised to give the guys a call after the next party!

Sarah, Braintree.

Spunk shower

I'm a student and always skint so I got a job as a part time cleaner at the local sports club and work in the evening after the football club's finished.

I've only been doing it a few weeks and the only perk is seeing all the fit lads in their kits. While I wait for them to shower and clean up I can only fantasise about being in there with them!

Last week I got woken from my dirty thoughts by one of the players coming out the changing room. As I'm quite shy I went bright red but managed to get out a hi to the sexiest bloke! As I cleaned up

REAL WIFE SEX

the showers I couldn't get the guy out my head and wished that I could have been standing in the same spot half an hour ago as he was all naked, wet and soaped up. As I imagined his sexy body touching mine and undressing me I sat down on the bench and started to touch my pussy.

Getting totally carried away my panties were wet through and the steam for the showers made my clothes stick to me, causing a hot and horny flush.

As I was about to orgasm I opened my eyes and screamed. The gorgeous bloke was standing right in front of me.

I sat up and tried to recover some dignity. Coming right up to me and sitting me back down on the bench he told me what he just saw was the biggest turn on he'd ever had.

I told him I was imagining him fucking me. Taking off his shorts he released his cock and before I knew it we were on the floor sliding around fucking like crazy. Ripping off the rest of my clothes and turning on the showers he lifted me up and shagged me again the wall.

Grabbing the soap I spurted it over my tits and his chest. As our bodies rode up against each other the foam slid in between our nipples. I pulled out of him and sank to my knees, taking his cock deep down my throat, the hot water pouring down my face. I lathered up his balls and grabbed at his firm sexy arse. I could soon feel him spasm and as he came, his thick creamy cum spurted all over my tits. Lying down I rubbed his cum all over my body I felt his fingers enter me and his tongue lapping at my cunt. It didn't take long for me to cum. Sitting up I licked my juices off his face and realised what had just happened!

Elle, Goole.

Uni-sex

I started uni last year in Manchester and have been having the best sex from day one!

There is never a shortage of women on my campus but I never paid much attention to my house mate – she just seemed a bit shy. One night when we were all fucked my mates came across my porn collection and six of us lads started watching some of the DVDs.

Worried that Mary would be offended I said that she should not have to see it and it was cool if she wanted to leave. She stayed for a bit but slipped out after a while. Later that night as I was getting ready to sleep I heard a knock at the door. Opening it Mary was standing there looking very awkward. Inviting her in my room she admitted she had gotten really turned on watching the DVD and the only reason she had left was she was worried it showed.

I was totally shocked but soon saw it as

I sank to my knees and took his cock deep in my throat

Her hand on my dick was slippery with her pussy juices

an opportunity. I asked her if she like me to put it on and she said yes!

My cock was so fucking hard and I couldn't believe I was going to watch porn with her in my room and that I was probably going to fuck her firm fit body.

As we got more comfortable she lay next to me in my bed and drew the cover over us. It wasn't long before her hands were down her pants and she was touching her pink pussy. Not sure if it was an open invitation to get in there as well I rubbed my cock up against her to show her I was ready if she wanted me. Immediately her hand moved from her pussy to my dick and it was slippery with her juice.

As she guided my cock into her tight smooth hole I lifted off her top to bare her pale pert little breasts. Licking and sucking at them I started to fuck her as we watched the porn stars coming over each other. It was Mary's turn and she started groaning and pinching at my back she orgasmed hard. I soon followed shooting my load deep inside her.

The next day I popped the DVD beside her door with a note saying it was hers to keep and if she fancied a repeat of last night I had plenty more!

Martyn, Manchester.

Mother's day

I brought my first copy of *Escort* last week and got so turned on reading all about your dirty readers and what they get up to.

By the end of the mag my cunt was steaming so I thought it was only fair to share my horniest experience to return the favour. It was about a year ago when my son had his 19th birthday party at my house. I decided to leave them to it and go to the pub. When I got back later the house was full of pissed-up lads, tops off and messing around in the garden.

Watching their fit bodies and remembering how long ago it was since I'd had a good shagging I felt myself getting horny. I also soon noticed that I was the only woman there and I could feel all of my son's mates eyes checking me out, looking at my legs barely covered by my little skirt. Loving the attention and egging them on I flirted and danced with a few of the lads.

My son by this point was totally fucked so I took him upstairs with the help of his mate Steve. After we sorted him out he told me how great I looked and that Joe was lucky to have such a fit looking mum. As a joke I gave him a little kiss and to my surprise he was soon groping me, hand up my skirt and tongue down my throat.

I could tell by his fumbling around that he could do with some guidance. Taking his hand and enjoying the confidence of being older and more experienced I whispered in his ear if he would like to fuck me.

He didn't need to answer – his hard cock

pressed into me. I reflected on how large he was as I led him to my bedroom across the hall. Before I had a chance to close the door he had stripped off to bare his fit toned body and his perfect smooth cock.

Slowly stripping off, I peeled off my stockings and unzipped my skirt. I could see he was aching to get inside me and shag me senseless. Knowing I had him like putty in my hands I took off my bra and slowly sucked at my own nipples, easing my hands down my stomach, my fingers gently tugging at my clit. Pushing him down on the bed and taking his cock in my hands I started to lick up and down his shaft and suck gently on his balls.

Looking up at him I could see him watching my every move. He grew even harder as he watched his cock slipping in and out of my open mouth, my lips wrapped around his cock. His sexy young body started arching in intense pleasure and gave me the sign he was ready cum soon.

So I got up and began to ease my soft wet pussy down slowly on his bulging dick. As I started to ride him fast my breasts bounced in and out of his hand, my nipples skimming his fingers. I began to feel the start of my orgasm and fucked him even harder and as I felt his member rubbing against my G-spot I exploded all over him. Climbing off him and getting on all fours he slid in behind me and banged me hard and fast until he came too, spunk dripping down my arse and the backs of my legs.

Collapsing on the bed, my cunt still pulsating and covered in cum I finished off the kiss and sent him back downstairs. We never fucked again but every time I see him we can't help but smile!

Della, Chorley.

My son's friend rubbed his stiff member against my G-spot

Schlong haul

My wife and I just got back from our Easter break and have been desperate to write in and tell you about our time abroad.

It all started at the airport when my wife was teasing me about joining in the mile high club. I didn't take it seriously as she is always messing around and teasing me.

Having forgotten all about her joking we settled in the flight as it became night time. The lights dimmed out and I got ready to try and catch some sleep. I turned round to look at my wife and noticed the naughty glint in her eye and suddenly remembered our earlier conversation!

Slipping her hand under my blanket, she unzipped my trousers and stared stroking my cock. Looking around to see that no-one was watching, I was relieved to see that the bloke sitting on the other side of my wife had already fallen asleep.

Getting harder by the second my wife's plump lips soon joined her hands and she sucked hard at my member.

Finding it hard not to groan out load I jerked as she licked at my balls and to my horror and embarrassment woke the guy next to her.

It didn't take him long to see what we were up to and I panicked, worried that he would notify the air hostess. I tapped on my wife's back and told her to stop. To my delighted surprise he shook his head, smiled and slid his hand down his trousers.

My wife beamed with joy and she moved herself back down on to my solid cock. I move the blanket aside so he could see my wife sucking me off with such aplomb. As he wanked himself off, our neighbour lifted up my wife's T-shirt and cupped her tits.

She looked up me with that same naughty glint, took the man's hand and guided it down her knickers so he could finger her. I couldn't believe she was being such a slag – I was so proud she was my wife! I was soon ready to shoot my load as was the other man going by the expression on his face. My sexy wife guzzled down every last drop as I came hot and hard in her eager mouth.

She sat up and told us it was her turn. Taking my hand she led it to her already soaked-though cunt and joined it with the man's.

With two digits apiece, we finger-fucked her hard. He soon finished himself, leaving my wife to have her turn. We fought for her clit and her G-spot and soon enough we could feel her cum dripping all over our fingers. It was the best flight ever and even though we did not strictly join the mile high we will safe that for next time! Who needs first class when you can get this kind of service in economy!

Harry, Wrexham.

I was so proud of what a slag my wife was on that plane

Lunch box

I rolled over in bed, awakening from a horny dream, and reached across to stroke my husband's morning wood.

He was gone already though and I remembered he had an early morning meeting with his crew.

I was determined I wasn't going through the rest of the day without getting my pussy rammed by his big hard cock.

I waited till lunch time and then headed over to his work in nothing but a long overcoat, heels and stockings.

My ripe snatch was oozing cream down my leg by the time I got there.

I walked straight up to him and told him to fuck me then and there, in front of all his crew – about 20 of them.

"I'm not sure I can do that, honey," he said.

I said, "Yes, you can, they won't mind, especially when you tell them when you're through they can all have their way with me. I want to fuck and suck the lot of them!"

He got so hard when I told him this that he lay me down on the table and blew his load inside me in about 20 seconds, giving

Hubby was so aroused to see me touched up by some randy lads

me one of the creamiest pies I've ever had.

I stuck my finger in my pussy and swirled it round then licked it.

I lay there on the table and as I let my eyes roll to the side I saw one of his co-workers with his manhood out ready.

I beckoned him over and told him to stick his cock in me and fuck me like his wife wouldn't let him.

He came almost instantly and soon all the others were stroking their cocks and ready to fuck me.

I asked one for a cock-sucking and did him like I was sucking a golf ball through a garden hose.

Soon I was sucking and fucking all of them, taking two cocks at once in my mouth, pussy and one in my arse.

One of them wanted to cum on my face, and one wanted to splurge all over my big tits. It was the largest simultaneous cum session ever.

It was getting hot in there and we went well past lunch break. They could not get enough of me and I couldn't of them.

They were slamming their big rods into my tight pussy and once in a while one in my cum-filled cunt and arse at the same time.

After they had all had their way with me I sucked and licked all the cum off their balls and cocks.

I thought they had better get back to work after that so my husband helped me off the table because I could hardly walk I was so fucked!

Georgia, Bromley.

Trouser tent

I just had to write and tell you about the amazing time I had while camping with my husband this summer.

Two lads in a nearby tent seemed to be paying me an awful lot of attention, so I decided to tease them, sitting on the grass and parting my knees.

My husband couldn't believe his eyes when he got back from the shower and found me in various compromising positions with the two lads. He got very aroused.

The lads started touching me up, taking off my dress and running their hands over my breasts and pussy.

My nipples were instantly hard and my pussy wet in anticipation.

They lay me down on the camp bed and fingered my pussy.

One of them buried his face in my pubes and tongued my wet pussy lips and clit while the other flopped his cock into my mouth.

They swapped round and the other guy stuck his cock in my panting mouth. He was even thicker.

I reached orgasm in no time at all and had to clamp a hand over my mouth to stop the whole campsite from hearing.

REAL WIFE SEX

I could see my husband standing there stroking his cock, really erect at the sight of his lovely wife being such a horny bitch.

The guy who was licking me nudged his cock into my pussy.

He rammed his dick in and out of me and soon my muscles tightened round him as I reached another shuddering orgasm.

The other guy then took his place in my spunky pussy. My husband had lowered his cock into my mouth and I could taste his salty pre-cum.

I had hands all over me, groping every part of my body and it felt fantastic.

I pushed one guy on to his back, straddled him and drove his cock up me.

I could taste my juices on the other guy's cock and was in ecstasy when I felt my husband's cock teasing the entrance to my arsehole.

I was so turned-on and relaxed that he slipped straight up me. I was completely sandwiched and loving every minute of it.

The guy underneath me let out a groan and started to shoot his load deep inside my cunt.

I would have squealed if it wasn't for the wad of cum that shot down my throat at the same time.

This all proved too much for my husband who followed that up by spraying his hot spunk into my bouncing bottom.

I had the best orgasm of my life and was left with cum dripping from every hole.

Needless to say we're already planning our next sexual adventure.

Maybe a guy and girl this time. Depending on what your readers have to offer!

Jane, Cheltenham.

He sprayed his hot spunk into my bouncing bottom

Contact male

Squaddies, pensioners, postmen and pilots... all these men and more (102 more to be exact) wrote to me after my last appearance in *Escort*.

One letter I received was badly written and full of spelling mistakes (D plus) but he had enclosed a marvellous picture of his cock (A plus, see me!).

I greeted him a week later in a frumpy dress and in rollers. His smile turned to a look of "Oh no, it's me mum!" He is only 23.

I left him for a minute and came back transformed. Under the frump uniform was a black plastic thong cut body with open crotch. I slipped on some fishnets and heels and chucked on some slap.

I strutted back in, arse wobbling. "Jesus Christ!" he said.

"Not quite," I said. "Call me Aunty."

He fell off the chair nearly and began feeding on my bum. This got him a whack on the arse with my paddle ended crop.

I demanded he get naked and I watched his cock slowly get hard.

REAL WIFE SEX

I let him kiss the tops of my stockings then put my stiletto heel on his cock. As he kissed, I pressed.

Then I let him lick and chew my bum flesh. My tangled labia fell out of my crotchless bodysuit. He rubbed his cock as he put my labia chains in his mouth.

I frigged myself off while he stretched my cunt lips.

Next I placed him on my coffee table and straddled his face, giving him a good queening.

I leaned forward, wanking his monster and trying to get his knob in my gob while I pressed my cunt on to his mouth.

Then I lowered myself thankfully on to his big dick.

After a good fuck, I bent over the dining table and demanded he give it to me hard. In amongst all the pumping and swearing I was shouting, "Give it to me," and "Harder!".

He groaned and shuddered, dumping his hot load of spunk into me.

I never cum fucking, so I sat spread-legged in a chair, waiting for my orgasm.

I told him to lick me. When he did I clamped his face in between my thighs. All the time I was screaming, "Don't stop!"

After this I needed a gin and tonic but I was randy as hell now and ready for my second fuck.

At one point I was bent up with my knees by my boobs. Not a very flattering pose but I got some deep penetration from that cannon of his.

By the third time he was lasting forever. I had a butt plug up my arse and he was slapping my buttocks as he rode me.

My clit was crimson by the time he left and my husband got to fuck my arse when he came home and smelt the sex all over me.

Jo, Hull.

Sky's no limit

I tell you – you can have more fun than you'd think getting Sky fitted.

I'd been waiting in all morning for my Sky to get fitted and at 11.45, finally, two blokes turned up, one young and one old.

The older man said he would downstairs and the younger started up the stairs to fit it in the bedroom as well.

I followed him up to show him which room and started to chat with him. I fancied him straight away and could tell he worked out as he was dead muscly.

I asked him about the gym and keeping fit and went over flirtily to feel his muscles. I ran my hands up and down his arms, then his stomach and legs.

I could tell he was turned on because a bulge in his trousers popped up straight away.

He tried to push me away, perhaps fearful of his feelings but I told him I knew he wanted me.

I had a butt plug up my arse and he slapped my cheeks as he rode me

I sat on the edge of the bed with my skirt hitched up, grabbed his hand and put it on my by-now soaking thong.

Soon he began rubbing me while I opened his flies and pulled out his massive dick. I couldn't wait to get my mouth round it.

I licked him slow and gentle then hard and fast before he pushed me back on to the bed and started to return the favour, slurping at my sticky hole.

He really knew how to use his tongue, flickering it into all the right nooks and crannies.

He knew I couldn't take much more so he fell on top of me and pushed his rock hard dick into my wet hole.

God I was in heaven as he fucked me long and hard which I knew he would what with him being so fit.

The older man came upstairs (he must have heard the noise), and was gob-smacked when I told him to join in.

He looked at the younger man who gave him the nod and then he didn't hesitate, dropping his trousers round his ankles so I could suck on his prick.

My cunt was stretched to fuck by now but my arsehole hadn't seen any action so I told the older fella to pour some baby oil over my arse crack to lube me up.

He worked my arse with his fingers until it was big enough to stick his cock in. I sighed in ecstasy as he slid into me and I had my first double penetration.

It was brilliant and hopefully it won't be the last time I have two cocks rubbing alongside each other inside me.

After rutting away for what seemed like hours the boys were ready to cum.

They pulled out with a groan and sprayed their seed all over my face and tits. I sucked their cocks clean of their spunk and licked away the good times from their balls.

Kerry, Liverpool.

The cable guys pulled out and sprayed their seed over my face

Bare's picnic

My boyfriend and I enjoy a very varied and exciting sex life and as soon as the summer months are here we enjoy outdoor sex in country parks and fields.

When the sun shines I know it's time for me to wear next to nothing and go and flaunt myself down at the local park with my boyfriend Paul and what he calls his "goody bag".

On this day, the bag contained a camera, fishnet tights, a frilly thong and some sex toys.

As we walked through the park side by side I rubbed Paul's cock through his trousers so he was hard and ready for action by the time the blanket hit the ground.

Paul lifted my skirt and was as pleased as always to find that I was wearing no knickers and my pussy was wet and open.

He rubbed my cunt with his fingers as we searched for a secluded spot and I nearly came as we walked along a foot-

REAL WIFE SEX

path. Then Paul licked his fingers dry of my musky juices.

We found a spot and I could wait no longer. I pulled Paul's shorts down to reveal his jumbo throbbing cock. I lifted my skirt, got on top and rode it till my juices were squirting out down his cock and on to his belly and I had my hand clamped over my mouth to stop us from being discovered.

I got off Paul's cock and got on all fours, sticking my bum up in the air. He teased the entrance to my cunt with his cock before easing himself into me.

After a good fuck I could feel his lovely white cream about to shoot up me and as I started to cum he exploded inside me, both of us cumming together.

We lay holding each other for a bit but soon became turned-on again. I started to lick and suck Paul's cock and it soon got hard again.

When it was as hard as I need it I took it out of my mouth and started rubbing my neck and face with it.

A little bit of pre-cum trickled on to my cheeks.

Knowing I like it anywhere and everywhere, Paul shouted "Where do you want it now?"

"I want to taste it," I said, and with that warm smooth creamy spunk shot into my mouth.

I opened my mouth so Paul could see my tongue covered in it before I swallowed it.

As we lay back again, Paul reminisced about the time we were in a farmer's field and I rubbed his cock with my hard nipples. He came on both my tits and then I put my own tit in my mouth and sucked off the cream.

I said the most horny thing for me was when we came to the park on a previous occasion and we came so much together we produced a combination of our juices which was like the sexiest-smelling moisturising cream which Paul then rubbed into my G-spot, giving me the most incredible orgasm.

Like I say, the summer months are very special to us!

Kimberley, Luton.

He teased the entrance to my cunt with his cock then eased up me

Big is beautiful

The other night I met this bird, Stephanie, in a club in town. She was a bit of a big lass but that doesn't bother me!

She was all upset coz she'd had a row with her boyfriend and she asked me if I would walk her home. 23years old, nice big tits, dressed in a short denim skirt and tight T-shirt, how could I refuse!?!

On the way back she stopped in this shop and bought a bottle of Jack Daniels and when she came out she said, "I can't

wait to get back home and get the porn on."

I thought she was joking because she was a little bit tipsy so I said nothing. But when we got to her place and she asked me if I wanted to come in and have a drink with her, I took her up on the offer and wondered if maybe she was going to put some porn on.

She led me into the front room and sat me on the sofa and went to get some glasses. Looking round I didn't see any porn DVDs lying about so I presumed she must have been joking but I was still pretty sure I was gonna get my end away.

Stephanie came back in with two glasses filled with Jack Daniels and sat down next to me on the sofa. We sipped our drinks and then she asked me if I'd like to watch a bit of porn with her.

She turned the telly and DVD player on and this porno started up right in the middle of a blow job.

Steph started telling me how she loved to watch porn, it turned her on so much that she couldn't ever watch it without touching herself up, and then she started rubbing her cunt through her knickers.

My cock grew rock hard in seconds, what with the sight of some full on porno cock sucking on the screen and this bird rubbing herself off right next to me.

When Steph saw my bulge, she said, "Don't leave that in there, get your cock out and lets have some fun."

I stood up and unzipped my trousers and got my dick out and Steph immediately started to suck me off. Honestly, she was so fucking good at it that I came in her mouth after only a few minutes as she squeezed my balls and moaned round my cock.

The horny tart swallowed the lot and then asked for more. I slumped back onto the sofa as she stripped in front of me, turning her back on me and bending down to give me a lovely view of her wet, shaven gash.

Steph sank the dildo into her twat and asked me to fuck her

Steph came back to the sofa then and pulled out a dildo from down its side. Then she went back over the telly and bent over it, spreading her legs so I could see the porn film framed by her thighs and cunt.

As the bird on the telly took a cock up her arse, Steph sank her dildo right up her twat and asked me to fuck her in the arse.

I rubbed some of her pussy juice round her anus and, when I thought she was wet enough, I pushed my cock up her tight brown hole.

She fucking loved it and started to fuck her cunt hard and fast with her dildo. "Fuck me hard!" she cried and I banged away at her arsehole as hard as I could, slapping her cheeks and spreading them as wide as I could get them.

That made her come. She practically shouted the whole house down with her orgasm, thrusting back against me with each cry of, "Fuck yeah!" and once she'd finished she knelt down in front of me and told me to wank off into her face just like in the porn films.

I made her suck my bollocks for a bit while I rubbed my cock round her face and then I wanked my dick as hard as possible and shot strings of cum up her face and into her hair.

After that, I got her phone number and told her I'd call her sometime. I haven't yet, but the next time my balls are aching for some porno slut, Steph's name will be the first on my lips!

Tony, Aylesbury.

Party animals

My younger sister introduced me to some of her mates the other day and I ended up fucking two of them!

I hadn't been out for a while because my husband and I are skint, but when my sister invited me to a party at her house I couldn't refuse.

She's about five years younger than me so all her mates are in their twenties. When I arrived she introduced me to a couple of lads who were in the hall, Craig and Darren, and then she buggered off. I didn't get further than that hall all night! Well almost.

The boys were very friendly to me and kept getting me drinks and in no time at all the three of us were quite drunk.

I can't remember who made the first move but I do remember that it was Darren that I first started snogging. He was taller than me and quite fit, his muscles clearly defined inside his white T-shirt.

I could feel his cock pushing into my stomach and I knew then that I was going to fuck this lad. Then he asked me if I'd ever had two guys before and looked over at Craig. Craig was standing close behind me, smiling. Close enough for me to reach him, and I let my hand wander back and rest on his groin.

"I've a feeling I'm about to have you two…" I said and together we crept upstairs into my sister's spare room.

No sooner were we inside than the two boys were stripping me out of my clothes, kissing and licking me all over. Darren busied himself in front of me, pushing his tongue into my mouth and rubbing my wet slit as he felt my boobs.

Craig was behind me again, licking and biting my neck. I could feel that he had his dick out as he was rubbing it against my arse and leaving little trails of pre-cum.

The two boys stripped me, kissing and licking all over my body

I took Darren's cock out and bent down to suck him off and Craig pushed his prick inside my pussy. I felt amazing, I was behaving like a dirty bitch and I liked it.

Darren told me to get on the bed and I lay on my back, waiting. The boys knelt either side of me, their cocks just inches from my face and I wanked and sucked on their dicks hungrily, desperate to have their cum in or on me.

Then they both tried to get their dicks inside my mouth at the same time and I

happily tried to accommodate them, but they were too big for me and we stopped trying.

I made Craig lay back and straddled him, sinking his big dick into my twat. Then I told Darren to fuck my arse.

My husband had got me into anal sex recently but his dick was nowhere near as big as Darren's and I wanted to feel that pain and pleasure of the first time all over again.

The feeling of having my arsehole stretched so wide by his big dick would have made me cum anyway, but when I felt both their pricks in me, pummelling me, making me feel so full, was mind-blowing and I started to orgasm uncontrollably.

The lads, young as they were, couldn't hold back for too long and they soon filled my cunt and arsehole with jism.

Swap shop

I'm a real slut and can stir a cock at fifty paces.

Last week I was out at the pub on my own (I'm divorced) wearing my normal slutty evening wear (black basque and stockings under a long raincoat), on the prowl for any men who might come my way.

Not long into the night I was approached by a couple (she, blousy and blonde, he a big fat bloke smoking a cigar).

He offered me a hundred quid if I would have sex with his wife. She looked like a goer so I said as long as she didn't mind licking arse.

She said that she loved it so that was settled. We went back to their hotel where I discovered that they were a married couple trying to re-ignite their fire.

The wife, Sandra, had confessed to always fancying women and wanted to know what cunt tasted like.

He offered me 100 quid if I would have sex with his wife

They had fucked me good and so, for a special treat, I let them finger their cum from my holes and feed it to me.

Now all I need to do is convince my husband that it would be a good idea to invite some of his mates round so they can all fuck me!

Danni, Belmont.

Well, she found out this night. I was barely through the door before my skirt was off and this busty blonde was slavering over my cunt.

The husband, Mark, had one hand down his trousers and the other in his wife's cunt as she lapped away at my ripe smelling beaver.

I lifted my legs up and her tongue penetrated my back passage. This turned me on so much I demanded that Mark put his cock in my gob and I sucked him off till he was really hard.

Then he put his cock in his wife's arse and fucked her savagely, pushing her face into my pussy and arse till Mark yowled with ecstasy and filled her up with spunk.

I came at the same time and Sandra had orgasms at both ends to contend with. Her face was smeared with cunt juice and her arse was pumping cum down the backs of her legs.

She shuddered with pleasure and I clutched her to my breast and told her I hoped their marriage would take a giant leap forward from now on.

Paula, Wigan.

Gape Yarmouth

While driving to Yarmouth caravan park I pulled into a garage to get some petrol when a young girl came up to me and asked if she and her girlfriend could have a lift.

Being a 42-year-old red-blooded (although married) man and the girls in the shortest mini-skirts I have ever seen I agreed.

ing," I said, but when she pulled my hand off the gear knob and thrust my fingers into her hot juicy pussy I knew it was no joke.

For the rest of the journey down to the caravan park, the girls changed gear for me while I finger-fucked both of them.

When we got to the site the girls asked me if they could stay with me for the weekend as they'd like to fuck my brains out.

Inside the caravan, I looked them over. Sue was blonde and slim with DD tits, Ruth was darker-complexioned with small boobs.

They went into the bedroom and soon I heard my name being called.

I went in and pulled back the quilt. There they were both starkers. Sue was flat on her back and Ruth was giving her pussy a good licking.

I put my cock in Sue's mouth and she licked it up and down, pushing her tongue into my slit.

Then we changed round with me sucking out Sue's cunt while Ruth sat on her face and got licked out.

Ruth told me to get between Sue's legs

I pulled back the quilt – Sue was giving Ruth's pussy a good licking

As we drove along I found myself looking at more leg than I have in years. A sports car driven by a girl passed by and one of the girls Sue said that a flash car meant dirty knickers.

I said didn't she mean fur coat and no knickers.

"Well I don't wear fur and I've got no knickers," she said.

"With that short skirt you must be jok-

and I inched my cock into her cunt all wet with juice and saliva. Her pussy was so hot I had to keep pulling out to stop from cumming and I used the head of my cock to stimulate her clit.

Ruth asked me how I was doing and I said I was nearly ready to cum. She got off Sue's face and put her own face down on Sue's tummy, looking at my cock which was going in and out like crazy of Sue's

cunt.

I pulled out and spunked all over Ruth's face. Sue couldn't see so I gave her a commentary. "Sue, I am cumming all over her face and she is loving it. It's all thick and white and sticking to her face!"

The more filth I spoke the harder I came. I had never shot that much before.

I sat on the bed and watched as Sue licked Ruth's face, her tongue scooping up big blobs of spunk.

This was day one of a wicked weekend and I'm still wanking over the whole experience.

Patrick, Beds.

Free for all

Most of the men in my fantasies have a bit of a difficult time. I make them come out with me while I flash round town (they get embarrassed!), or I make them lick my pussy for hours on end, or suck another man's spunk out of my pussy.

But on the occasion I'm going to tell you about, I think the guys involved had the time of their lives.

As you can tell, I like flashing and I like being licked but I had never really been into gangbanging. It's not that I didn't like cock, I was just worried about the reaction my husband might have if I organised one for him.

After all some things should remain fantasies. Luckily, this one went okay.

Without telling my husband what was in store I booked a hotel room in central London for a "dirty weekend".

Then I called an escort girlfriend of mine and asked if she would advertise on her website for men who wanted a free fuck.

Needless to say she was inundated and by the time the Friday night rolled round, I had men calling my mobile every ten minutes.

My husband was working late and I told him to meet me at the hotel at 10pm. At eight the men started arriving – all shapes and sizes, colours and ages and began undressing.

I told them they could all fuck me for free but they had to wait until my husband could watch. Some actually left after I told them this but nine remained.

Luckily my escort friend had come along with me and she kept them all occupied, going along a long line of cocks sucking and rubbing.

They could fuck me for free but my husband had to watch

I'm a married girl with a very indulgent husband who loves watching me get fucked by other men. His favourite sight is to see me bent on all fours as a queue of men line up to fill my cunt with spunk till there's no room any more.

By the time my husband arrived I was bent over the bed, a queue of men with huge boners lining up to dog the life out of me.

I've never seen a bigger grin on my husband's face in my life (and believe me he's

had a few married to me!) as the first bloke parted my pussy lips with his fingers, spat on my cunt and rammed his juicy member up me.

We carried on until the ninth man had emptied his balls into me. I was in every conceivable position, cowgirl, missionary and some I don't even know the name of. Every hole of mine got shafted while my husband watched and wanked in amazement.

To finish it off I took my husband's cock in my spunky hand and wristed him off all over my face as the men all gave me a round of applause.

I think I could get used to this!

Sandra, Oxford.

Take it slow

My neighbours are a responsible bunch – they keep their eye on my property and I keep an eye on theirs – and their gorgeous 18-year-old son Ben.

So when my neighbours, Jeff and Sue, went off on a holiday leaving Ben behind, they asked me to keep an eye on him. I had to make sure he wasn't having any wild parties and, most importantly according to Sue, that there were no girls staying the night.

Now I'm single, and have been since my husband and I split up three years ago. I've had the odd fling, but the thought of Ben being all alone in the house next door got me more turned-on than I had been in years.

After a couple of days, and nearly wearing out a couple of vibrators, I popped round to see how he was doing.

He seemed pleased to see me. I asked him if needed anything. He said I should be asking him, a woman all on my own. "I'm not very good at DIY and all that..." he trailed off, his eyes averting from mine.

Now I'm a good looking woman, and I was old enough to be Ben's mother. Seeing his bashful attempt at flirting with me made me want to pat him on the head.

"Do you want to talk about anything?" I asked him, as a prelude to coming for a drink. I know how to talk to men and this lad was no different.

It turned out he was concerned about his girlfriend, who he had met at sixth-form college. As he put it, she had been round the block and he was...

I avoided the word "virgin" knowing it would embarrass him. "It'll be your first time?" I asked.

He shrugged, and swigged on a can of beer.

"My advice is to take it slow," I said. I swallowed and took the plunge. "Come and sit over here by me."

I took his hand and playfully placed it over my pussy. "I like it to start nice and slow, like this," and moved his hand back and forth over my lips that were starting to swell up.

Every hole of mine got shafted while my husband watched

I put my arm around him and felt his body tremble under me. "Enjoy it!" I urged him as his hand began to gather pace rubbing over my cunt.

I reached over between his legs and sure enough he was as rock hard as only an eighteen-year-old can be.

I undid his flies, so turned-on by heavy breathing and fluttering heart and feasted my eyes, then my mouth, on his twitching bulbous cock.

I gripped his arse cheeks and lapped at his cock, tracing the ridges of his helmet and shaft with my tongue.

The boy was a fast learner and soon had my knickers off and his fingers in my twat. I was so wet he slid up fast and I told him to hang on.

I lay on my back and popped my boobs out which he licked and bit at like a starved dog.

I lifted my legs up and he straddled me, pushing his cock down into my fuck hole for the first time.

"Take it slow," I breathed, holding his balls to prevent him from squirting too early.

A few hard thrusts though and he filled me with cum. I've heard the first time for a man is amazing, and Ben must have pumped about a gallon into me, gripping my boobs as he squeezed the last drops into me on the tenth or eleventh push.

"Now don't you feel better?" I asked him. He nodded, sweat-drenched.

Sure enough when the party happened the next night, Ben came round the next morning to tell me how far he'd got with his girlfriend.

"I want to thank you," he said, still shy but not as much.

"Well there's one way to do that," I said, pulling him in. "There's still two days before your parents get back!"

Judy, Durham.

Pleasure bitch

My wife Chloe and I were recently staying in Blackpool for the weekend. Chloe had been saying how much she would like a tattoo, so on Saturday evening we went to Dave and Steve's tattooists.

As were the last customers in, the assistant Kim locked the door and joined us in the back room. Chloe had chosen two butterflies – one above her panty line, the other just above her neatly trimmed pussy.

Dave sat Chloe down on the bed-cum-chair and told her to remove her skirt. She looked pretty cute sitting there shyly in her little pink panties.

I traced the ridges of his helmet and shaft with my tongue

She grabbed my hand when Dave started up the gun and began his work.

Chloe started moaning when Dave put the gun to her skin, but not because of the pain, I soon realised.

The cheeky bastard was rubbing my wife's clit through her panties.

When she realised I'd noticed, she looked at me and smiled, her panties now soaked through.

REAL WIFE SEX

"Someone please fuck me now," she said, so Kim grabbed at Dave's crotch and unzipped his cock.

Then, with Dave's nine inch monster in one hand, with the other she spread my wife's big piss flaps and rubbed Dave's cock against her clit, then inched it up her pussy.

Once inside Dave started pounding her pussy while Kim came over to me and took my cock out of my pants.

She knelt down and took it in my mouth till she was gagging on it.

I grabbed her head and forced my swollen member down the back of her throat.

Meanwhile, Steve was getting his prick sucked by my wife and once Dave had spat his spunk up her, he took his place, all the time telling her what a fucking whore she was.

This was too much for me and I shot my load down Kim's throat.

When Kim got up she held a glass to my wife's cunt and waited for the cum to dribble out. There must have been a quarter of a half pint glass up there but my missus swallowed it all!

Dave finished the tattoo and we left with an invitation to return soon.

Mark, Lancs.

Spray tan

All this hot weather and our new secluded garden means this summer has been a very horny time for my wife.

We can now sit in the garden and get an all-over tan. Or just fuck all day without worrying about the neighbours!

The sun has turned Debbie into a new woman. As I got the camera out to take some photos she was straight down on the grass with her legs wide open.

I focussed straight on her shaven pussy and snapped away.

Her new trim gave me so much of the horn I had to take her there and then.

I shoved my cock straight up her pussy and sucked on her lovely big 36DD tits. With the sun on my back it was just heaven.

Debs had to bite her lip though as we may not be seen but we can definitely be heard in the next garden.

I turned her over and took her from behind before shooting up her lovely pussy. When we had finished we were covered in new mown grass.

Now Debbie would like to taste pussy for the first time. If that happens through *Escort*, I'll get that all on camera and send it in to you.

Rob, Yorks.

I forced my swollen member down the back of her throat

REAL WIFE SEX

Role in the hay

I just turned myself into a slutty nympho – much to the surprise of my husband.

I was lying on my bed, facing the full-length bedroom mirror and thought about appearing in *Escort*, and all those men and women wanking at my slutty image.

I felt perspiration trickling down my forehead and my body trembling, a burning sensation in my hot snatch, from the excitement and self-lust.

I tore off my black lacy knickers and spread my legs in the mirror. I thrust my pelvis forward and could see thick drops of creamy cum nestling in my hairy pussy lips.

Now clad only in a black suspender belt and stockings I pushed my hand between my thighs and rubbed at my cunt vigorously as the breath rasped from my throat.

I was now a hot nympho tart and it felt incredibly exciting.

Pinching my protruding nipples I smiled at myself sensuously, my dark red lipstick glistening.

My head lolled back and I fingered myself with growing excitement, verbally abusing myself. "You whore, you dirty slut!" I moaned.

My fingers found a slippery rhythm in my cunt, increasingly thick-lipped and swollen.

I roughly grabbed my tits while I finger-thrashed my hot pink tunnel.

I screamed out some more filth which only served to speed up my rhythm and bring another intense wave of pleasure.

By now I was really overdosed on sex, on the edge and dying to go over.

My reflection showed what seemed like a different woman – a young tart, jerking and teasing her clit, her legs spread open (as if for an army), her face a picture of mindless pleasure, her cunt wide open and dripping cum.

I couldn't take any more and had to reach for my favourite vibrator. I fumblingly switched it on and drilled it effortlessly into my cunt, up to the hilt and back.

I was now a hot nympho tart and it felt incredibly exciting

My hips moved involuntarily over the buzzing plastic. Thick rivulets of pussy juice were running out of me and over the shaft of the vibro in a massive orgasm.

This was extremely surprising and sexy to my husband who chose this moment to come into the bedroom. His tongue rapidly replaced the vibrator.

My cunt boiling, the room seemed to be going back and forth as he gorged himself on my pussy.

He licked and prodded my sensitive swollen clit and a voice I barely recognised was coming out of me. "Fuck me, oh, fuck me now, fuck me hard!"

Immediately he was buried deep inside me, stuffing my insatiable hole. We watched it all in the mirror.

As he pumped into me he squeezed and pummelled my tits and his finger went up my arse.

The extra stimulation was too much and my entire groin contracted with a crushing orgasm, milking my husband's cock and bringing him to orgasm as well.

Well, as you can imagine, this new "bedroom tart" is now a regular visitor.

Emma, Somerset.

Corn holed

My wife Julie loves showing off in public and regularly leaves the house with a low top, short skirt and no underwear.

She gets really turned-on when she knows people are looking at her tits – no surprise as she's a magnificent 40DD!

A few weeks ago we were at a supermarket and Julie had worn a low-cut strappy top and a push-up bra. She couldn't fail to attract attention when she bent down to get things from low shelves.

Her pussy was soaking wet and smelt divine. I thrust my tongue in...

Her tits almost spilled out of her top and you could see her shaven pussy as her skirt rode up.

By now I had a raging hard-on and couldn't wait to get her home. In the car, Julie told me to drive into the country and find a quiet spot.

As I raced down the road, Julie took off her top and put on her leather jacket with all the buttons undone but one.

She reclined in her seat and started playing with her pussy, even when I slowed right down near some workmen! They looked chuffed!

I pulled off the narrow road up to the edge of a corn field. I stopped the car and stepped out. Julie unbuckled my belt and pulled down my trousers.

My stiff cock sprang out and instantly she took the whole length into her mouth.

I reached down and popped off the button on her jacket. Her big brown nipples were already hard and poking out of the cups of her bra so I tugged on them while she carried on sucking me off.

I pulled her up and pushed her back against the car. I dropped to my knees and she swung her leg over my shoulder.

Her pussy was soaking wet and smelt divine. I thrust my tongue into her while she played with her tits.

Her legs began to tremble as I continued to work away at her cunt. "Fuck me," she begged.

I opened the car door and she crawled in to kneel on the edge of the seat. She was at a perfect height and I slipped my throbbing cock into her hot hole and fucked her long and hard until I shot my load deep inside her.

We regained our breath and went home for another session. On the way back, Julie kept her tits out and on the dual carriageway I slowed down for the lorry drivers, who were treated to a good look at her legs and tits – and her freshly fucked pussy!

David, Ipswich.

REAL WIFE SEX

Three and easy

Bucking on that spunking cock, I came like never before

My hubby's birthday was approaching and he had always wanted a three-some. Actually he would be happy just seeing me enjoying another cock.

I had planned a nice meal, wine, sexy underwear – now all I needed was the ultimate present – a young stud!

I went out to flirt endlessly with potential shag machines and homed in on my favourite, sticking my tits in his face and talking lewdly.

I dragged him out back and sucked his cock like it was a dick-flavoured ice cream. I pressed myself against the wall and told him to shove it in good and hard. I was in heaven being fucked good-style. I felt an orgasm building so I got down on my hands and knees so he could fuck me doggy. Half the street must have heard me cumming but I didn't care.

I arranged to meet again, on my husband's birthday. We had our meal and hubby went out the back while I let my hunk in and sent him upstairs, none the wiser.

I told hubby I was going upstairs to make myself sexy and me and the hunk got down to it, him burying his face in my shaven minge, slurping and sucking all the right bits.

In walked hubby, a big grin spreading across his face. My new fella was taken by surprise but I said, "Do you mind – it's his birthday?"

"The more the merrier," he replied.

That was all hubby needed to hear and he shoved his cock in my mouth and began to fuck my face.

Next, flipping on to all fours, my hubby got an eyeful of my gleaming wet pussy, then rammed his dick in my arse while sticking as many fingers as he could into my pussy.

New fella wanted a piece of the pie and so stuck his dick in my cunt.

Both holes filled I realised I wasn't going to last much longer.

All in a state of pure ecstasy we all changed positions for the finale. Hubby pumped away in my cunt while the hunk stood over my face. I came like never before, bucking up and down on that spunking cock.

Then I got a faceful of cum that I greedily licked up.

That left three happily fucked people drenched in cum and fanny juices.

Laura, South Yorks.

Enjoy the show

I adore having sex where people can see. The whole point for me is knowing that strangers can get aroused by it. The thrill of getting caught is massive too.

A couple of weeks ago, my partner and I went out. We ended up having loads to

drink and alcohol always gets me horny.

We ended up at a party at a friend's house. They had porn playing on every TV in every room and the rooms were full of friendly, horny people who all looked like the porn was working.

Then I took him in hand, wanking him off into my mouth, till he jetted great big squirts of cum to the back of my throat.

I was really turned-on by this, and could feel rivulets of pussy juice trickling down my legs. My partner slipped his hand up my skirt and thrust his fingers inside me. I needed him so badly I wanted him to stick his whole fist up there.

He cleaned the cum from my eyes with the end of his cock

My partner and I found a place to sit and enjoy watching the goings-on. We started watching the porn and I knew by looking over at my partner he was as turned on as me.

I saw a man looking over at me and I laid my hand on my partner's leg. I felt his cock hardening. Then I lay my head in his lap and rubbed my cheek against his bulge.

My cunt was getting really wet and throbbing now.

My partner undid his zip with frustration, not caring who was looking, or what they might think.

I looked back at the man watching us and he had his hands over a huge load in his trousers too.

He began to rub himself slowly and the way he didn't lose eye contact and the smile on his face showed he was loving our little show.

I moved closer to my partner's rigid cock and gently wrapped my lips around it, then slid my head down its shaft. It tasted wonderful.

Then I licked his balls, sticking my tongue between them and going all the way to between his cock and arse.

I came and my pussy juices flooded over my partner's fingers. The man across the room loved me eating the juices off my partner's fingers, sucking them like they were greasy chicken bones.

By now a lot more people were watching but I didn't care. My partner turned me over on to the arm of the settee and buried his face in my wet pussy. He nudged my arse with his nose before slipping his hot tongue up me, at the same time rubbing my engorged clit. He was pushing hard with his head, so I was rocking over the edge of the settee, my tits shaking all over the place.

I looked up to catch the eye of the man watching and sure enough he had his whole meaty cock out now and was wanking it furiously.

I begged my partner to fuck me and he didn't need to be asked twice. A quick zip and he was up to his stomach in me. By now everyone was looking and other rooms were emptying to see us getting it on in plain view.

I loved the attention. I felt like such a slut as I came again, my partner gripping my arse cheeks as he ploughed into me. With a final grunt he pulled out and turned me on to my back.

He positioned his cock over my face and squirted great gobbets all over my eyelids. I was blind for a bit, but he cleaned the cum from my eyes with the end of his cock!

Lisa, Blackburn.

Beaver Espana

This year my I persuaded my hubby to go on holiday as I was getting fed up us never doing anything and him always being in the pub.

Having been to the campsite years before I was ready for a taste of Spain again. The last time I had gone I had ended up having the best sex with a regular at the site and secretly I was hoping he would be there this year.

Nick soon found the local but I decided to make the most of it and head down to the beach to sunbathe.

Just as I was relaxing I felt someone looking at me – glancing around I couldn't believe my luck.

Jose was there smiling at me hands down his swimming trunks clearly wanting a piece of me. Looking round to make sure Nick was not around I called him over.

Sitting at the end of my lounger he asked me how I was, slipping a cheeky finger in between my bikini bottoms and my pussy.

Eyeing up my body he ran his fingers down from my lips over my pert breasts and down my stomach. Stopping at my cunt one more time before stroking my toned inner thighs.

After a quick catch up and grope we arranged to meet later that night. Returning to the campsite I saw my hubby Nick, over dinner he said he was off out the pub again later and that suited me fine.

Leaving my knickers in the tent I slopped off to meet Jose by the beach. He looked so sexy and I just couldn't wait to squeeze his Spanish meat deep down my throat.

Getting close up he was just as pleased to see me too. As we walked to the rocks near by he whispered in my ear exactly what he was going to do to me, I was dripping wet!

We fucked every night while my husband was down the pub

Lying down I revelled in the feel of his body, and eagerly took his member in between my lips. Licking and sucking up and down his shaft I could feel him getting rock solid.

Cupping his balls in my hand and gently stroking them I felt his hand repay the favour by inching up my pussy.

As I eased his cock deeper down me his fingers also went further up me until I cried out. Kissing my way up from his cock to his lips every inch along the way up his tanned, rugged, hairy chest.

Hoisting me up and lowering me down on to his cock he slipped in. As I bounced up and down he sucked at my nipples and his hand clamped round my arise cheeks teasing me to go faster.

He soon indicated he was ready to shoot

his load so I knelt back down and sucked harder and faster than before. Soon his hot spunk was filling up my mouth and dripping onto my breasts sending me into deep orgasm.

Swallowing down Jose's Spanish spunk I told him I had better get back to the campsite. We agreed to meet up the next night but ended up fucking every night while my hubby was in the local. I'm going to try and persuade my hubby to stay at home next time!

Sandy, Huddersfield.

She spread her arse cheeks, inviting a cock to fuck her pussy

Up all night

When I first met my wife the whole town knew what a slag she was.

Almost every man had fucked her, but when I finally got to try her myself she was such a good fuck I wanted her all to myself.

After getting hitched I thought she would calm down a bit, but being married has made her even sluttier. I knew she was shagging around but I just accepted it until last night.

I had been out with a few lads on a weekender and decided to bring them back to mine to carry on boozing.

Not really bothered that we were being loud, Jayne came down to tell us to be quiet, but ignoring her we carried on. About two hours later we heard Jayne coming down the stairs, thinking we were going to get a bollocking.

To my amazement she entered the room wearing her stockings, G-string, heels and peep through bra. Before I could say anything the lads started cheering.

Jayne spun round, showing off her sexy body and told us that if we were going to keep her up all night she might as well join us. Grabbing my mate Steve she fell to her knees and unzipped his cock. Sucking him hard until he was hard she then moved on to the next. I was rock hard seeing my wife making her way round the room sucking five cocks in turn.

Crawling towards me with the dirtiest smile she could see I was turned on. It was finally my turn. As she sucked and licked she spread her arse cheeks open, inviting a cock to fuck her pussy.

Steve was straight over and pushed his member deep inside her wet cunt. I soon pumped my cum all over her face, and I watched her lap up my hot spunk. My place was soon taken by one of the other guys and watching her being fucked by my mates soon got me hard again.

Realising there were another two cocks to please she beckoned the others over. Taking a cock in each hand she was sucking, wanking and fucking hard. We were all ready to cum and stood over Jayne, five cocks all aiming for her gaping mouth.

I came first, my load squirting deep down her throat. Soon the others came one at a time, cum pumping all over my wife. She was covered in it and started to rub in all over her body until she came hard herself with us all stood over her watching. I guess once a slut always a slut!

Eddie, Market Drayton.

As I was blindfolded I don't know how many guys fucked me

Driving miss crazy

As it was my birthday my husband suggested that for a treat we went out in the car to look for somewhere good to fuck.

If we were lucky maybe someone would watch us.

I thought my husband was just playing but I went along with him.

I put on my black PVC dress, stockings, suspenders and a long coat over all of it.

We drove off and found a nice little spot. We parked up but instead of getting out to fuck, my husband told me to get in the back of the car.

He blindfolded and restrained me then drove on further.

He pulled over, then got in the back of the car and forced his cock into my mouth.

It was very stimulating being trussed up like this. A restraint bar held my legs open and I could feel juice running freely out of my cunt.

My hubby started to give me a good fucking while telling me there was someone watching us.

This aroused me even more, although I still thought he was making it up as we had never done anything like that before.

"Do you want him to come in?" he asked.

"Yes," I said, and heard the door open.

I panicked and resisted the cock being thrust into my face at first but it was soon forced in there.

I felt more hands on my tits. I was getting fucked at both ends and my tits mauled.

I thought it was over but a few minutes later the door opened again and two more mouths fastened themselves on to my big hard nipples.

I soon felt hot spunk filling my mouth and covering my tits.

Afterwards my hubby told me there had been six guys fucking me.

As I was blindfolded I don't know if that's true or not.

I would love to do it again with another couple, and without the blindfold next time.

Lyn, Leeds.

Quality treat

Imagine how happy my wife made me when I saw her pictures printed in *Escort* (vol 25 no 1). When I showed her the copy I recognised her straight away and got back up the road as fast as I could.

She said she had always wanted me to see her in my favourite mag and decided it was time to treat me.

I snogged her and fondled her all over

REAL WIFE SEX

then she got out a new shiny silver Rabbit dildo and I got the lube!

She sucked up and down my cock like she never had before, taking it as deep as possible. I nearly shot there and then.

I shoved the tip of the lube up her pussy and squirted a great load up her. The lube ran down her legs and I filled her up with a finger at a time until I was fisting her.

She told me to stop and used her buzzing dildo on herself, ramming it up as far as it could go. Then she rolled on to her side and told me to get my cock up there as well.

I made it in right up to the hilt, the vibrations bringing us both off. I started to work a finger up her slippery arse and she begged me to fuck her arse. Damned if I was going to knock that opportunity back!

I eased into her arse inch by inch, finally getting it all the way up her. Her arse was now used to my cock and started slackening up, letting me ride her in long forceful strokes.

The feeling was fantastic as I could feel the vibrator buzzing through her cunt walls.

She started yelling that she was cumming so I slipped my cock out of her arsehole and pointed it at her face.

She grabbed it and started licking the tip while wanking off my slippery cock.

I couldn't hold back any longer and shot my load all over her face, tongue and tits. She licked her lips and rubbed it into her skin, then scooped up some of the bigger blobs and wolfed them down. She came and her cum flooded on to her dildo.

Thanks *Escort* for giving our sex life a real boost. Now we're thinking of getting in contact with readers so Lynn can try two cocks for the first time!

G., Bristol.

Her arse slackened, letting me ride her in long forceful strokes

Brighton racy

Me and the wife were invited to a wedding in Brighton so had to make the long drive down from Leeds.

About three hours into the journey we saw a lay-by and decided to stretch our legs. Pulling over we saw a few other cars but no people.

Not think much about it we got out the car and walked around a bit. Suddenly my wife stopped and said she could hear people moaning! Intrigued we followed the noise to behind the trucker's café.

We couldn't believe what we saw. There was about a crowd of 10 men in a circle, and in the middle a man and his wife fucking! All the men had their cocks out and were wanking while they watched.

I turned to look at my wife whose mouth and eyes were wide open in shock. Turning round to go I couldn't believe my luck my wife grabbed my arm and pulling me close and told me she wanted to watch.

Joining the circle she unzipped my trousers and started to wank me off. I was so turned on watching the other two fucking his cock was huge and pushing down hard

in to his wife's cunt that was eagerly being fucked.

Some of the other blokes were now watching us as my wife started to suck me off as well so we joined the other couple in the middle as my misses lay me down next to them.

Jumping on top of me with her very moist smooth cunt she bounced up and down on my cock until I shot my load of hot spunk deep inside her cunt. She didn't take too much longer herself as I could feel her cunt juice squirting over my cock and running down my balls.

Seeing her cum must have set the other blokes off and soon we were getting sprayed with cum coming from all directions, standing up we joined the circle

I'm writing this letter and wanking my lodger off at the same time

again as the other couple were starting to climax. Some of the guys were still cumming so the wife licked up their cum from the men's cocks as her husband watched eagerly. Cleaning ourselves off we headed back to the car.

Laughing neither of us could believe what has just happened and what we had just done. Still horny as hell we got to the hotel we took these pics to share with *Escort* readers we hope you like them!

Sam, Leeds.

Lucky lodger

I've got a new lodger, Ritchie. He moved in on Saturday, two days ago, and ever since, we've not left the house.

As soon as he'd got all his stuff in and we'd closed the door I let him know that the rent cost more than mere money – he'd have to eat me out once a week.

Ritchie didn't need any more encouragement, he led me to his room, knelt down in front of me, pulled down my jeans and knickers and began licking, kissing, sucking and fingering my cunt.

And he offered more than just pussy eating. When my cunt was soaking wet he asked if I wanted some cock and I lay down on his bed, took off my trousers and spread my legs for him before answering that he could fuck me whenever he liked.

Then he got his cock out. It was big, as thick as my wrist and about 8 inches long. It was so big that I had to have a suck on it before he fucked me with it.

He tasted of sweat and spunk and I took him all the way down my throat, rubbing my clit as I did so – I have a thing about taking big cocks into my mouth, it seems so dirty that it really gets me off.

Ritchie didn't let me suck his jizz out of him though, he pulled his cock from my mouth and pushed me back onto the mattress. Then he pushed all of his big dick up my tight cunt and pinned my arms to the bed.

He fucked me so hard that I came really quickly. After I had come Ritchie got on his hands and knees and told me to lick his balls from behind.

I wanked his shaft and tongued his nuts and he began to moan and thrust forward. When my tongue found its way up to his arsehole, Ritchie shot his spunk all over the bed!

He filled her cunt with cock and she writhed like a snake, cumming

After that we talked about his rent charge and our fantasies and, well, like I said, we haven't left the house. I'm writing this letter and wanking him off at the same time but I'm going to have to stop now because I need to suck his cock and get his spunk all over my tits and face!

Mandy, Bristol.

Jake the peg

My horny wife Penny was about to have her 48th birthday and I wanted to give her a big surprise.

She has lots of different sex toys, all shapes, sizes and colours and outfits, wigs and boots for every sexy occasion.

As we have been married 28 years I thought a change of cock would be a real turn-on for her.

And a real turn-on for me as well to watch her being fucked by another cock!

I took her out for a romantic meal and after we were preparing to leave I told her that I had booked us a room for the night.

We were in the room drinking champagne and she was wearing a long see-through negligée with no knickers on when there was a knock at the door.

"Now for your other surprise," I told her.

I opened the door and to her surprise in walked in a beefy young fella with a 10 and a half inch cock called Jake.

He was a male escort I had hired to have some fun with. My wife was a bit embarrassed at first but she soon shed her inhibitions.

We started by undressing each other.

Jake's cock was not yet erect but mine was like a flagpole.

Jake slipped his pants off and his cock sprang out. Like magic it began to transform into a huge veiny monster.

Penny put it in her mouth and I could see it expanding and going very rigid.

Her mouth could only just fit it in then. She was licking and kissing his tool and then she started to suck him off.

Soon there was thick creamy spunk everywhere.

Jake threw her down on the floor and got between her legs to lick her clit.

I lay beside her and pushed my cock into her mouth while my head was level with her cunt. She groaned with pleasure.

Jake filled her cunt with cock and Penny writhed like a snake as she came.

Then we swapped ends. Her pussy was red and very wet and very inviting. My cock slid in easily and soon I was spunking up her cunt.

Jake was in her mouth and when he started to cum again she released his cock and got a faceful of jizz. This made me spunk again too.

I slipped my vibrator into my cunt and got fucked in both holes

Working hard

I was at work doing sweet FA because I was thinking about sex.

I was going through a bit of a dry spell with my boyfriend being away and all I wanted was a good hard length.

Just so he got the message when he came back I put on my sexy fishnets and some killer heels.

I wasn't disappointed when he came home – he had a hard-on already!

I had been watching porn and wanking. Needless to say he had his clothes off in seconds flat and his face was buried in my wet pussy before I had a chance to say hello!

He expertly licked me out with his fingers buried in my chuff.

Then he stood up and I took his whole length into my hot mouth. He let out a long moan of pleasure.

I could already taste pre-cum on his helmet and this drove me on to suck him even harder.

He stopped me and told me he'd saved a week's worth of cum for me and really wanted to fill me up.

I sat down and spread my legs, inviting him to plunge into me as far as he could.

He didn't need asking twice and moments later he had sunk himself all the way in and his heavy balls were slapping against my arsehole.

He started to fuck me hard and I was close to cumming but I wanted him to fuck me from behind while he pulled on my doggy chain.

He flipped me over and nudged his cock against my arsehole. This was a great idea as I could slip my vibrator inside my cunt and get fucked in both holes.

He fucked me gently in the arse but I wanted it hard. I told him not to hold back but to save his cum.

With that order given I was soon screaming the house down as both holes got fucked.

He told me he was close and that made me cum. I came so hard I ejaculated all over his legs and mine. I might even have peed myself but I didn't care.

Now I felt really filthy and wanted his hot cum down my throat.

He pulled out of my aching bumhole and I turned over and positioned myself under his cock.

He wanked hard onto the tip of my tongue and soon jet after jet of lovely hot cum was pouring down my throat.

He wasn't lying about not wanking for her a happy birthday and Penny and I fell into bed and slept till morning.

a week – I had to gulp twice to get it all down me. It's supposed to be good for you! Hope I got your readers hard.
Robyn, Kings Lynn.

He hadn't wanked for a week and I had to gulp twice to get it down

Going Dutch

My new fella recently took me to Amsterdam and introduced me to a brand new sexy experience.

The first night in the hotel he told me to go the hotel bar and wait for him. After a short time a young stranger with a large briefcase approached and said, "Hi Sarah, I'm Neil and I'm here to photograph you as your boyfriend requested."

Now I knew why he had asked me to put on my sexiest lingerie!

The photographer told me we were to go back to the room at nine and wait for a call from my fella.

No sooner were we back in the room than the call came through. My fella told me to lift the hem of my skirt and told me what a wanton slut I was.

I followed his instructions to the letter as Neil snapped away.

With my blouse unbuttoned and the soft firm flesh of my boobs exposed the voice in my ear became more urgent.

"Slip your hand into your knickers. Widen your thighs, expose your cunt. Show your arse, show how swollen and creamy your cunt is."

My pussy was streaming juice as I sat down and was handed a vibrator. I was talking obscenities back to my boyfriend as I brushed the tingling fleshy lips of my pussy with the dildo.

Out loud, I said, "I am such a cock-loving slut," and inserted the buzzing cock into my inner velvet softness.

Neil was nearly overcome with excitement but managed to carry on snapping.

My boyfriend told me to tell the snapper that I needed to be fucked now. I did so and unzipped his flies. The hard hot head of his dick poked out and I pulled back the skin from the twitching head and buried it in my mouth.

The heat of his phallus was amazing, especially combined with the throbbing dildo in my cunt.

I began to shake uncontrollably as I sucked him hard and came wildly as the dick in my mouth began to pulse and tremble.

"Cum you dirty bitch, swallow that spunk!" my boyfriend said.

His balls were shaking as I sucked and wanked Neil to a fantastic climax, cupping his balls and teasing my finger into his arse as he erupted and exploded his cum all over my face and into my mouth.

This made me cum again, with the added spice that this was all captured on camera.

My boyfriend came in soon after and was so turned on he and Neil gave me my first ever spitroast and DP experience.

What a lust-crazed night!
Sally, Exeter.

He was excited and quickly filled my back passage with spunk

Toy story

At my Ann Summers party recently I had all the girls round for some drinks and some frisky fun.

We were all pretty drunk and made a bit of a mess and when the girls finally left my mate Maria from along the road stayed behind to help me tidy.

We both had a few drinks and started to talk about some of the sex toys we had been selling that evening.

Maria had ordered an outfit to inject a bit of excitement back into her and her husband's sex life. She said she hoped the Rampant Rabbit she had ordered gave her plenty of fun too.

I told her I had lots of dildos and outfits upstairs and she was more than welcome to try some out.

Maria sat on the bed while I laid all my gear out. She pointed to a little black number and I offered to model it for her.

"See what you think of this while I get changed," I said, handing her a rabbit. I could feel myself getting turned-on while in the bathroom and had a little play with myself. I hoped I would get a good fucking off my husband when he came back from the pub.

I opened the bathroom door in the sparkly sexy outfit and saw Maria lying back, the vibrator buzzing between her thighs.

She looked at me with lust-filled eyes and said, "You look so horny standing there."

I leaned over the bed to see her juicy wet pussy and she took my big tits in her hands and sucked on them.

I took control of the vibrator and rammed it into her as I felt her hands on my thighs now and her pussy teasing my pussy lips.

The next thing I knew Maria was cumming hard, pushing her fingers in and out of my pussy and rimming my arsehole as she bucked against the dildo.

I told her to fuck my arsehole hard and she slipped two fingers up it. I was soon cumming too.

We both collapsed on the bed together and I kissed and stroked Maria as she lay in my arms.

She left and I must have fallen asleep because suddenly my husband was standing there with a hard-on, demanding to know what was going on.

I told him and he bent me over the bed and fucked me right in the bumhole. He was excited and quickly filled my back passage with spunk.

I finished myself off with my fingers, my legs spread so my husband could see it all.

My husband told me that Maria's bloke Dave is always going on about fucking me.

REAL WIFE SEX

He's let Dave watch our house before so he can wank over me.

I've only ever had my husband's cock but the thought of Dave wanking over me got me all hot and sticky again.

"We'll have to get you some cock sorted out, won't we?" said my husband.

Francine, Bilbrook.

sucked my tits and his stomach rubbed against my juicy fanny.

Next thing I knew, he had rocked back and was strumming my clitoris with all the dexterity of a mandolin player. This was about to send me into orbit.

Five minutes of this and then my cunt was clenched around his fuckstick, orgasms rippling through my groin.

He pulled out and asked me to roll over. I went to put myself in the doggy position, but he told me to stay on my stomach.

He got in between my thighs, my arse cheeks prised apart as he rubbed his

The thought of him wanking over me got me all hot and sticky

Fun in the sun

Sunshine and rum cocktails turn me on, so I recently spent a week in the sun.

I got a bit of chat off blokes while island exploring but I was only really interested in this nice chap who offered to walk me back to my hotel one night.

He was acting like a gentleman, not trying anything on, so as we were walking through an alleyway I leaned back against a wall like I was tired. He stopped to check I was alright and I just slid my arms around his neck and pulled him into a snog.

"Fuck," he gasped, when we came up for air.

"Thought you'd never ask," I joked.

He laid me down on the ground and pulled up my bikini bottom, giving my trim slit a quick stroke.

He got on top of me, splaying my thighs with strong hands.

I put my legs behind his back as he crotch against them, harder and harder until finally my warmed-up arse parted beneath the assault of his cock.

He filled my bumhole slowly and fucked me slowly, then as he came closer to cumming he rammed in deep, pulling me up off the ground and squeezing my globes with every thrust.

His body arched up before his hot cum flooded my arse.

"My name's Paul," he said, but already that wasn't important to me. Tomorrow I was going to go out and fuck somebody else.

One day that someone may be you!

Amazon, Derby.

Bananas for boobs

My girlfriend never fails to amaze me with how she can use her large

breasts to her advantage.

We recently had our kitchen re-fitted and had a problem with the sink. Our local plumber was soon on the scene.

Wearing a blue top and short skirt, Tina took John into the kitchen where he was instantly transfixed, not by the sink problem, but Tina's massive nipples poking through her top.

He was putty in her hands when Tina lowered her top to expose her pendulous boobs.

John began licking her nipples and Tina's 34FF tits began to change colour with excitement. John's package was getting bigger too.

He soon had his trousers off and produced a seven and a half inch cock.

He pumped his veiny cock between her massive orbs and with each thrust Tina licked his helmet.

He pulled off Tina's knickers and was soon fingering her snatch. When she was good and wet John came up behind her and slid his length up her.

He banged her up against the worktop and squeezed her nipples with each fuck.

Tina orgasmed twice before John pulled out and lay back on the worktop. She squatted on him and rode his cock as I watched.

She bounced up and down so long and hard on him she nearly managed to get his balls up their with his cock!

Her fat labia looked great round his cock and her clit was bright pink with excitement.

Climbing off him, Tina knew John was ready to unload his seed.

She lay on her back and John pushed her legs back to her shoulders before pumping her hard, his cock glistening with her juices. Tina was a real tease and told him she didn't want to pay for the sink.

John at full stroke agreed heartily as he pumped his last drop of spunk deep into her belly.

Pulling his cock out of her, John squatted over my wife's face while she licked his cock clean.

The plumbing job was done and so was my wife!

Mark, Beds.

John pushed her legs back to her shoulders before pumping her

Dancing cream

I want to share the most amazing red-hot experience I've ever had.

It was a Saturday night out in Cambridge and my husband was taking me to a new lap-dancing club.

It was the first time I had ever been to one of these and my sense of anticipation was intense.

As I walked up the stairs to the bar I was greeted by a gorgeous woman wearing the sexiest red underwear set.

We looked at each other for ages – the chemistry was unbelievable – before my hubby got drinks and led me to a table.

The woman soon came over, introduced herself as Amber and offered to dance for us both. I could feel my pussy getting damp with lust as she took me by the hand and led us to a booth.

She sat me down on a flaming red couch and spread my legs. My husband was with me but she was only dancing for me. I felt her pressing her body up against mine and kissing my pussy through my thong.

She slipped out of her bra to reveal two perfect tits and then showed off her delicate hairless pussy.

She ran a finger over her clit and into herself then offered me her finger to taste.

I looked across at my husband who had a massive bulge in his pants and a grin on his face.

He went to get another drink and Amber whispered to me, "I want you to go through the stage door next to the toilets in 10 minutes."

I told my husband I was going to do it and he gave me his blessing. I walked through the door and she grabbed me as soon as I came in. She pulled me into a corner and started kissing me.

She strummed my clit with her fingers and sucked on my nipples. I felt three thrusting fingers in my cunt deep and hard until I came all over them. She slowly pulled them out and licked them clean. "My my you taste as good as you look," she said.

I made my way back to my patient husband and as I told him what happened his lust was rising.

He dragged me out to the car park, lifted me on to a car bonnet and hitched up my skirt. I tugged at his belt, reached in and grabbed his thick cock and pulled it into my hole.

He fucked me hard, getting faster and deeper. I was bursting with orgasm after orgasm. He was close to exploding and pulled out so I dropped to my knees and took his shaft in my mouth.

He exploded with a burst of hot cum. I swallowed it all and sucked on the head to get every last drop of fluid.

We sorted ourselves out and made our way to the next club across the car park.

Two of my husband's mates were near the bar and we went to say hi. I was still randy as fuck and was thinking about how buff Mick's chest was. We were excitedly telling them about my adventure when someone knocked me onto Mick and I could feel his cock had been getting hard listening to me.

I commented on how appetising it felt and his mate Wayne said there is more here too, and put my hand on his hard crotch.

My husband leaned in and said to me, "Shall we all just fuck?"

My eyes opened wide with lust for three horny fellas working my body.

He asked them if they were both up for it and when we left in a cab I started to lick each of the juicy thick cocks thrust into my face in turn.

When we got back to Mick's flat we burst through the front door removing our clothes.

My husband leaned in and said, "Shall we all just fuck?"

REAL WIFE SEX

I jumped on to the settee and Wayne slipped in under me, inserting his cock in my pussy. I started to ride him as Mick and my husband presented their cocks to my mouth.

I took them in both in the corners of my mouth as I rode Wayne's big fat tool.

We swapped ends so many times so I was always topped-to-tailed.

Mick and Wayne were doing my arse and pussy at the same time, orgasms firing through me at an uncontrollable rate.

My legs were shaking and my breathing deep and fast as all three pulled out and exploded all over my face and chest, covering me with delicious cum.

I mopped most of it into my mouth, savouring the taste and then chilled out to arrange another session in the near future.

I sat there with my eyes closed, thinking about my sexy dancer and three studs, replaying the most sexually exciting 24 hours of my life!

Tori, Cambridge.

particular, Gary, helped me out a lot, advising me on the best ways to work out for the results I wanted. I fancied the arse off him; he had a great body – toned though not overdeveloped with lovely broad shoulders. As I used the exercise bike or stair machine I'd watch him pumping iron, then go home and frig myself silly over the thought of wrapping my thighs around him as he fucked my brains out.

He was all the incentive I needed to stick at exercising, and I went all out to impress him. One day he found me struggling to work out on one of the weights machines. "Too heavy," he said, pointing at the weights I was trying to lift. "Anyway, I thought you were concentrating on fitness not muscle building."

I made some comment about my bum wobbling when I walked, which didn't cut much ice with him. "Nothing wrong with your bum," he said, giving it a friendly pat.

A bit of a jolt ran through my body at that, and Gary misread it as me being offended. He was really apologetic and said he didn't know what had come over him to make him do that. He was really flustered, and I suddenly twigged that he must fancy me as much as I fancied him.

"I'm going to have a shower," I said, as

In the cab I licked the juicy thick cocks thrust into my face

Backdoor fun

Feeling a little unfit, I decided to join a gym and get in shape for summer. At first I felt rather overawed by all the serious bodybuilders, but soon found a lot of them to be incredibly friendly. One bloke in

coolly as I could. "Meet me in the foyer in about half an hour."

When I got there he was already waiting for me, and wearing a clean tracksuit. His hair was still damp from his own shower. I led him silently out to the dark, quiet side street where my car was parked. "Okay,"

I said, and bent down over the bonnet. After a couple of seconds I looked back over my shoulder and grinned and winked at Gary who obviously wasn't sure how to respond. "You were about to tell me how much you like my arse," I said.

His hands were shaking as he cupped

As I inhaled, he inched the rest of his shaft into my bum

my bum cheeks and stroked them through the baggy cotton jogging bottoms I had on.

Then, as he calmed down a little, he started kneading them in a circular motion. I moaned softly as he hooked his finger in the waistband, and pulled them slowly down to reveal the clean white cotton G-string I'd put on underneath them.

He caressed my naked skin for a few moments, then pulled my G-string gusset to one side to expose my arsehole. As he did this, the lower part of it slipped into my pussy crease and pressed against my clit.

"I'd rather show you how much I like your arse, if you know what I mean," said Gary.

"Okay," I said, and wiggled it a little so that my gusset, now soaked with my pussy juices, rubbed against my clit. I'd always had a bit of a thing about anal sex – the idea of it really appealed to me, and I liked the sensations I felt when I fingered my bum while frigging off, but when I'd tried that kind of thing with other blokes I'd always been disappointed. Luckily, though, nothing had quite managed to put me off the idea completely.

Gary took his time, running what felt like a teasing index finger up and down my bum crack, then tracing the tip of it around the sensitive pucker of my anal opening.

Then he paused, and, after rummaging around in his kitbag, smeared a blob of something sticky yet slippery around it. I gasped a little as he slipped his finger inside, just up to the first knuckle, then sank it the rest of the way in. "You okay?" he whispered, and when I moaned a "Yes", he started playing his other forefinger around my arsehole.

He eased that in just as slowly and gently, then worked both fingers around inside me, stretching me slightly in all directions before withdrawing them.

Another pause and I could hear a rustle of fabric and a faint slap of skin on skin. One hand was on my bum again, pulling the cheeks apart, then I felt Gary's cock, guided by the other, sliding up and down my furrow then pressing against my hole.

"Deep breaths in and out," he murmured, and as I inhaled, the head slid into my opening. He waited a couple of seconds, letting me breathe out, then as I inhaled again, he inched the rest of his shaft into my bum.

Braced up against the car, I thrust my arse hard up and back against his crotch as he pumped in and out of me. He thrust in carefully but confidently, then pulled out slowly so I could feel my passage shrink back to its usual size, and the ridges beneath his helmet catching my opening just before he started to push back in again.

Whimpering with pleasure, I hiked the

hem of the sports top I was wearing right up to my armpits, freeing my tits. As Gary's thrusts pushed me down and forwards they brushed against the cold metal of the bonnet, my nipples erecting instantaneously.

"C'mere," murmured Gary, and closed a big hand over each of them, cupping them and rolling the nipples in between his fingers to the rhythm of our fucking. My pussy felt strangely empty, and my clit was throbbing for attention.

Reaching down, I slid a finger either side of the aching bud, just like Gary was doing to my nipples, and squeezed and rubbed it. My stomach muscles tensed as Gary pulled out, and as he thrust back in my orgasm rippled out through my body, followed by a warm, wet rush as Gary shot his load deep inside my arsehole.

We stayed where we were for a short while, Gary's still-hard cock still inside me. Then he pulled out, slowly again, the veined shaft of his prick setting off a little orgasmic aftershock.

We've been seeing each other ever since, and even went on holiday together,!

Lucy, Shrewsbury.

Big bust-up

When I broke up with my boyfriend Kurt I decided to go on holiday for a couple of weeks. I deliberately chose to go somewhere peaceful and quiet, so I'd get plenty of rest and relaxation before trying to get on with my everyday life as a single girl.

Kurt and I had been a pretty raunchy couple, and I had to admit I was missing his cock like crazy. On my first morning I woke up with the sunlight streaming in through the windows. I just lay there, enjoying the light and warmth, and the fact I could be as lazy as I wanted to be. But I kept thinking back to all the Sunday mornings – and afternoons – I'd spent in bed with Kurt, just cuddling up, talking and fucking, and when I trailed a finger in between my legs I felt how wet all these thoughts had made my pussy.

I started to stroke myself, using the lightest of touches to tease my pussy lips, then I gave my clit the same treatment. I cursed when I heard a knock at the door, but decided I'd better answer it.

He rolled my nipples with his fingers in rhythm to our fucking

I was surprised to see Kurt standing there, looking very awkward. He explained he'd been around at my place returning some of my stuff, and had seen the note I'd left my roommate, letting her know where I was staying in case of an emergency. He said he'd understand if I told him to get lost, but he had risked coming because he missed me. I said he had better come in for a cup of coffee.

REAL WIFE SEX

After about ten minutes the fact we were getting on so well, but were still both officially single, added a new frisson to our relationship

"So there's nobody new?" said Kurt nervously.

breathed a yes. He pulled his fingers out of me and asked me again, and again I said "Yes," grabbing his wrist and pulling his hand back in between my legs. He fingered me again, more slowly this time, then took his fingers back out and held them up for me to see how soaking wet my cunt was. Then we kissed around them, licking off the cunt cream, and then

He poured thick olive oil onto the pucker of my arsehole

I smiled, and held my fingers under his nose for him to sniff, as if to tell him that was all the sex I was getting now. They still smelled faintly of my pussy juices, and he took a deep whiff then sucked them into his mouth.

As he sucked on them, I felt an electric tingle run up my spine, and I slipped the fingers of my other hand into my cunt. I wiggled them around inside, coating them with as much pussy juice as possible, then pulled them back out and offered them to Kurt to suck. "Mmm!" he moaned as he licked them all over.

I went to put the fingers of my free hand into my pussy, but Kurt brushed them aside and started to finger me himself. I splayed my legs apart, gasping as his stimulation hit the spot – just like they always had done once he'd learned what turned me on.

As he pistoned his fingers hard in and out of my hole, I bucked my hips, humping my cunt right down to the knuckles onto them, then I heard myself whispering, "Fuck me."

"If you're sure that's what you want," said Kurt, still finger-banging me. I just

frenching as Kurt slid his hand out from between our mouths.

Seeing the look of lust on Kurt's face as he sprung his cock out of his jeans, I was so glad he'd decided to come find me. To show him how glad, I bent over a kitchen counter – Kurt loves fucking me from behind.

I felt him ease my panties down to my ankles, and so I reached back and spread my bum cheeks, pulling them wide apart so my tight arsehole was visible above my dripping pussy.

As Kurt started playing with my bum hole, I realised I hadn't brought any lubrication – I hadn't exactly planned on getting my behind banged on this holiday! Kurt's a big guy all over, and though I'd taken his meat in my backside more times than I could remember, I wasn't sure if I could take it unlubed.

But Kurt, resourceful as ever, grabbed a bottle of olive oil from the counter and poured it onto the pucker of my arsehole. The oil felt thick and slippery, and I could hear little squelching noises as Kurt started working a handful of it over his shaft.

I breathed in deep as I felt his cock

head press against my opening, and then exhaled as he shoved it slowly but firmly inside me.

He fucked in and out a couple of times and then I felt my muscles really relax – loose enough to let him fuck in and out as fast as he wanted, but tight enough around his prick to stroke and squeeze it to a climax.

Kurt's hands were braced against my shoulders, so my tits were squished against the counter, my hardened nipples sliding across the smooth surface. Then Kurt dropped one hand down and reached around to play with my clit, rolling it between his outstretched fingers and rubbing his thumb over the top of my fleshy nub. I squealed and bucked and then, just as he'd known I would, I came.

Kurt's balls had been slapping up against my bum cheeks, and when I felt them bunch up I knew he'd soon be coming too. Sure enough his body shuddered and I felt his hot spunk squirt out high inside my bumhole. As he pulled back I felt it run out again, and Kurt knelt down and massaged

His balls were slapping against my arse when I felt them bunch

the oily spunky mix into my cheeks.

In the bath together later that night, we kissed and talked things over. Now we were away from civilisation it was easier to be objective. We decided to give things one last try, and I'm pleased to say it's working out fine so far – and the sex is even wilder now we both know what we nearly lost!

Angela, Stansted.

Garden grope

Last summer, I spent the whole of the long vacation working as a gardener in the grounds of a large private house. I'm a 20-year-old student, so the work often seemed quite strenuous, but by mid-September I was feeling fit, toned and tanned.

One afternoon I was cleaning some tools in the shed. Through the window I saw a bloke walk over to a nearby pool, sit down and dip his feet in the water. The grounds were strictly off limits to the public, and I should have reported him to my boss, but I was too busy leching over him! All he had on was a pair of black jeans, and as I gazed at his naked back it felt like my cunt was melting inside.

I slipped my hand between my thighs and started frigging my clit through my cut-offs. The crotch seam was already tight up against it, and as I ran my finger along it the rough stitching rasped against my bud. After a while, I tried to slip my hand into my shorts, but they were so tight they only allowed me to grind my fingertips against my clit, when I really needed to rub it hard and fast.

As I stood up to undo my zip, my eye fell on a trowel, with a thick, rubberised handle grip, which I had cleaned earlier on. I pulled my shorts right down and, holding the tool by its blunt-edged steel blade, I put the rounded end of the handle up to my hole.

It slid smoothly and easily up my soaking passage, and I started to ram it in and

out, building up an almost burning friction in seconds.

My eyes were glued on the bloke, who was lying back on the grass with his feet still dangling in the water. I could see his arm was moving and then I noticed his hand was stuffed down the front of his jeans – he was having a wank too! I pounded the trowel handle even harder into my cunt, willing him to get his cock

I was worried my bum would be too tight for a cock as big as his

out so I could see him bring himself off.

I finally decided I'd better go and have a word with him – and tell him he could be fucking me instead of wanking! It took him a couple of seconds to realise I was standing over him, but even then all he did was grin – and, I'm sure, wank his prick even harder.

I was still holding the trowel, which was dripping with my juices, and I held the handle up to his nose for him to sniff. Without saying a word I walked back to the shed.

By the time I turned around to watch him walk towards me, his flies were open and he was openly wanking his cock. It was a big, meaty fistful, oiled up with pre-come which he was smearing over his shaft as fast as it was seeping from his love-eye.

It looked so engorged I didn't bank on getting more than a couple of minutes' fucking before he came, but I reckoned that would be enough to get me off.

Inside the shed I got down on my knees. Doggy-style is my favourite way to fuck – no other position gets me quite as worked up. I love feeling the bloke move in behind me, and the build-up of anticipation before he penetrates me. Will he tease me, rubbing his cock head up and down my slit until I'm squirming and begging him to stick it to me, or will he just slam right in balls-deep without any warning? Either way I always scream out loud with pleasure when I feel a hard length sinking in and opening me up.

This time though, the bloke started playing his cock around my arsehole. My body tensed – I'd never been shagged up it before, and I worried that it would be too tight to take a cock that size.

The bloke must have realised this, as he switched to stroking my ring with his fingertips. He whispered to me to relax, telling me, as he eased one finger at a time into my anal opening, that he was getting me used to having it filled. When I'd comfortably taken three, he pulled them out again.

I tensed, knowing what was coming next. Then he pressed his cock into my arsehole, and it opened up so easily that my gasp became a sigh of relief and then of ecstasy. He set the pace, but took things really slowly, only speeding up when I asked him to. Soon he was fucking me fast enough for me to feel a jolt of pleasure on each in-stroke, but slow enough that he was able to hold back from coming too soon.

He leaned right forward and kissed the back of my neck, and as he reached under

my body to cup my tits I felt his hard nipples brush against my back. I shuddered, then grabbed one of his hands and slid it down to my clit.

He pinched it in between two fingers, rolling it to the rhythm of our fucking. Every time he thrust in he'd give it a sharp little squeeze, so I'd buck my hips and slam my bum back harder against his crotch.

I still felt like I was being stretched open to the limit, but my back channel was so well lubed with churned up pre-come that I was able to take the hardest fucking he could give me. My pussy juices were flowing out and running down over my clit, which suddenly started to twitch. Then every muscle in my body clenched hard, before rippling in an intense orgasm. As I relaxed again, the bloke pulled out and

My arse was lubed with churned up pre-cum from my pussy

rolled me over onto my back He aimed his cock at my tits, and as I pushed them together he sprayed his come in rapid bursts all over my nipples.

We lay there kissing for a while, our bodies sticky, sweaty and grimy. Then, after pulling his jeans back on, he kissed me goodbye, dived into the pool, swam a length underwater, then disappeared dripping wet into the bushes.

It occurred to me then that I didn't know his name, but he told me it was Sean when he came back for more the next day!

Lisa, Kent.

Girlie show

Since discovering, at the age of 18, that I was bisexual, I've dated almost as many women as blokes. Most of them were also bi, in fact only one – Julie – was a confirmed lesbian.

While I don't like to think in terms of stereotypes, I have to admit she was the unlikeliest lesbian – small, blonde and ultra-feminine. She'd swan around in little dresses – often satin nighties – which complimented her sixties look – dark eyes, pale lips and bobbed hair. Blokes fancied her like mad and took her lack of interest in them to be her playing hard to get.

She also encouraged me to dress up – stockings, sexy lingerie, bolder make-up, the lot – whether we were going out or spending the night in together. It just added a little extra something to sex between us – the feel of silk and satin against your body when you're kissing and touching each other up. The sight of long painted nails on the fingers playing with your nipples. I found it really horny, and so did Martin, a bloke we met one night in a bar.

We saw him sitting alone so we plonked ourselves down at his table. His eyes came out on stalks, and when Julie crossed her legs he had to cross his own. Still, I couldn't help thinking he was cute and that if I had been there on my own rather than with Julie, I'd have made a play for him.

Julie started getting touchy-feely with me, something she often did in front of blokes. She said it was just to wind them up, but I knew she also got off on their reaction. Then she did something I'd never known her do before. She asked Martin if he'd like to come back to her place and watch us having sex.

The idea turned me on, and a couple of hours later, back at her flat, Julie sat him down on her double bed. She explained that the terms were strictly "look but don't touch" and asked him to hold onto the bars of the headboard. She was going to

I slid my hand between her legs and massaged her swollen bud

get her kicks by being watched, not by having a man fuck her. It reminded me of a documentary I'd seen on lap dancing, with the guy being told to hold on to his chair so his hands didn't wander while the girl waggled her naked pussy inches from his face. Then Julie and I knelt on the bed facing each other and started to undress each other.

Dressed in no more than black hold-up stockings and a black velvet choker, Julie looked luscious. Her shaven pussy lips, as was usual when she was aroused, had gone a slightly darker pink and I could see the very tip of her clitoris poking out from between them.

As we kissed, I slid my hand in between her thighs and started massaging her swelling bud, rubbing my fingers hard against it. She moaned and tilted her hips a little, in the hope that I'd sink them into her hole, but I kept her in suspense – I wanted to leave her twat untouched until I was ready to tongue it.

It wasn't long before I was doing just that. While I'd been playing with her pussy, Julie had been sucking and rolling my nipples between her fingers. Then, cupping my boobs in her hands, she started pushing me gently, until I was lying back on the bed.

She spun around and squatted above my face, then moved her hips again, grinding her twat slowly against my lips. Now and again, I'd reach up and hold her still, then lick teasingly along her labia.

This drove her mad, and she'd ram the three fingers she was using on my hole right inside it, pumping them hard and fast, in and out, in an attempt to get me to lick her deeply.

Eventually, I started flicking my tongue out so it penetrated her pussy for a second, before pulling it back out again. This made her wiggle her cute arse around in the horniest way. Soon, though, I was wanting to give her a proper licking just as much as she wanted me to do it and, with her cunt planted firmly above my face, I started to eat her out with a vengeance.

Every so often, I'd feel the mattress shifting – Martin trying to get comfortable. It couldn't have been easy for him, watching us without being able to touch himself, let alone join in. I wondered how long he could hold on, but knew he wouldn't have to for very much longer as I felt Julie's inner muscles starting to spasm around my tongue. As she came, I put my mouth on her pussy and sucked a little trickle of juices out.

Once she'd got her breath back she

REAL WIFE SEX

excused herself, and went into the bathroom. I guessed she'd redo her make-up, which usually took her a good couple of minutes.

"Okay," I whispered, grabbing Martin's hand and pulling it off the bars and in between my thighs.

Knowing he'd have to finish me off before Julie got back, he plunged two fingers into my pussy, hooking them slightly so that as he pumped them in and out they caught my G-spot. Meanwhile, his palm was pressed against my clit, stimulating it as he fingered me.

This brought me off in seconds. I sank down onto Martin's lap, and as I pressed my pussy against his crotch, he groaned with frustration. I didn't feel right just leaving him like that and, as I fancied him anyway, it wasn't hard to talk myself into unzipping his trousers and taking what I'd already guessed would be an impressive hard-on into my mouth.

There wasn't time for subtlety – I had to rely on good hard sucking rather than clever tonguing techniques to get him off. Luckily, he was already most of the way there, and it only took a couple of sucks before I tasted his pre-come. I speeded up the pace and sucked a little harder and a few seconds later he shot a thick, salty wad of spunk down my throat.

By the time Julie emerged from the bathroom, Martin had managed to stuff his softening cock back in his jeans, and thankfully he didn't drop me in it when she jokingly asked us if we'd missed her.

Cathy, London.

Holiday heaven

When my friend dropped out of our planned holiday to a resort in the Caribbean, I decided to go by myself rather than cancel my own booking – I needed a break, and I was sure I'd be able to keep myself amused.

I love to 'people watch' and found the ideal place the very first day – on some rocks overlooking a bay. It was a bit of a climb up and I didn't see or speak to anyone until later that morning when two blokes appeared. When they realised the sea beyond the rocks was deep enough to dive into, they asked me to mind their towels, sunglasses and stuff, and returned for them, dripping wet, after about half an hour.

They were American. One of them – Sean – was laid back but friendly, while his mate – Kev – was completely hyper, mouthing off before putting his brain in gear. When he started on about how extreme sports were just like sex – I'd already noticed his hard-on through his swim shorts – Sean rolled his eyes and said maybe it was just as well, given that no girl in her right mind would want to screw Kev. Pretending to be offended, Kev tried to get me to say he was more fuck-

There wasn't time for subtlety – just a good hard sucking

able than Sean. They were obviously just needling each other, so, to be diplomatic, I said they were both total studs.

We carried on the joke – which got sillier and sillier – until about noon, when I decided to get some lunch and get into the shade for a couple of hours. Both blokes walked me back to my hotel and, when we got to my room, Sean kissed my hand. Kev went one better and kissed me on the lips, and somehow it turned into a full-blown snog. I wasn't surprised when, seconds later, I felt another pair of hands being run over my body and the occasional brush of a bulging crotch against my arse.

"You'd better come in," I said and, without pulling away from Kev, got onto the bed. I didn't want to stop kissing him, but

I clenched my cunt and milked Kev's prick to a powerful climax

then I didn't want Sean – who, to be honest, I actually fancied more – to feel like the proverbial spare cock at an orgy.

Rolling over on top of Kev, I thrust my arse backward. Sean hopped onto the bed then knelt behind me, and started fondling my bum through my bikini bottoms. Then he slid his forefingers under the edges and onto my bum cheeks on both sides, pausing to see if I objected, then moving his hands together, bunching the fabric up and pushing it into my crack like a G-string.

Next, he slid all four of the fingers of one hand under it, crooking the middle one so that the knuckle pressed against my arsehole.

As he pulled on the material, it pressed and rubbed against my clit in a weird but very arousing way. I kept taking in sharp little gasps of air, which made it hard for Kev to kiss me. Instead, he slid his body further down the bed and started playing with my tits. This meant, unfortunately, that his crotch was to far down for me to keep on rubbing mine against it.

As Kev broke away from me to free his cock from his shorts, Sean leaned forward and cupped my tits, pulling me gently back and up, so my back was pressed against the front of his body. Then I felt Kev pulling my gusset to one side.

"Okay?" he mouthed, as I looked down to see what he was doing, and he took my response – "Mmm!" to be a yes.

With my eyes closed and my head resting against Sean's chest, I felt the tip of Kev's cock bumping gently along my slit, trying to find my pussy opening.

As he started to ease it in I couldn't get over how tight my pussy felt and, with my back arched, my clit was in the perfect position to be squeezed between Kev's pubes and mine. Nuzzling my neck, Sean gently squeezed my nipples every time Kev thrust into me, then pulled them slightly as Kev pulled back out. This made me clench my inner muscles and soon I'd milked Kev's prick to a powerful climax.

Once he'd recovered, he wriggled out from under me, got off the bed and went out onto the balcony of my room which overlooked the hotel pool. Then there was an almighty splashing noise as he dived in.

Sean groaned. I dropped down onto all fours, and he slid my panties down, and started fingering my bum crack. My cunt was wet with a combination of my juices, and what had felt like a huge load of spunk, but Sean was concentrating on my arsehole. He played with it for ages, then positioned his cock head at the opening, pausing for a second to check it was okay by me. I pushed back, eager for him to carry on, and buried my face in the pillow to muffle my moans as, inch by inch, he carefully pushed it inside me.

He took his time, but fucked me gradually faster until I felt his balls swinging forward to slap gently against my cheeks. Reaching under myself, I grabbed my nipples and twisted them, a little harder than Sean had though not painfully, and that extra stimulation eventually brought me off.

My clit and pussy pulsed as hard as my arse did, and I flopped onto my stomach, sweaty and exhausted. Sean pulled out then lay face down on top of me, pressing his hot body against mine and nuzzling my

I watched his dick sliding in and out of her soaking pussy

hair. And by the time Kev came back up to the room, we were in the shower, freshening up and getting ourselves turned on again.

Don't ask me how I didn't get myself kicked out of my hotel for making too much noise, but Sean and Kev spent the next three nights in my room.

Susan, Suffolk.

Party poking

A load of my mates from college share a big house, and recently threw a 'Come As You Aren't' party. The idea, as you'd expect, was for everyone to dress in clothes totally different to their usual style. I've been a bit of a tomboy for as long as I can remember, and so I swapped my usual black jeans and DMs for an ultra-feminine flouncy white lace mini-dress, and a pair of nearly-new white stilettos I found in a charity shop worn over little white frilly ankle socks.

Once my friends got over the shock of seeing me looking so different, some of them laughed, but others kept telling me how cute I looked in my girlie get-up – too many for me to believe for long that they were taking the piss.

As the night wore on, I realised just why the shoes had been donated to the shop so soon after their original owner had bought them – they were incredibly uncomfortable. The problem was easily solved during the party – I just took them off and walked around in my socks – but at the end of the night, I was wishing I'd brought a pair of flat shoes with me to walk home in. When I put my heels back on, they felt even more uncomfortable than before.

Luckily for me, Amanda, one of the party's hosts, told me I could crash out overnight, and that her boyfriend Craig would drive me home the next morning. I wasn't the only one staying over, which meant

that all the sofas and spare beds had been snapped up, but Amanda said no problem; she and Craig would bunch up and I could share their double bed.

Nothing happened until the following morning, when I was woken by the unmistakable sound of Craig and Amanda having a sneaky shag. They were doing it in the 'spoons' position – Amanda lying on her side with her back to Craig who was fucking her from behind. A little shocked, I rolled over, so I was on my side with my back to the two of them. They stopped for a couple of seconds, then carried on.

I tried to go back to sleep, but they got louder the more they got into it, and as I listened, I felt my pussy starting to juice up. I hadn't had any sex at all since I'd split up with my last steady bloke, a few months before, and now the gentle rocking motion of the bed, and the soft, slurping noises as Craig's dick slid in and out of Amanda's soaking pussy, interspersed with her soft moans, soon had me sneaking a couple of fingers into my own cunt.

I braced my body, using the movement caused by Craig and Amanda's lovemaking to gently work them in and out.

Then, suddenly, I felt Amanda rake her fingernails gently down my back. Thinking it had been an accident, I didn't respond, and I wasn't sure of what to do when I felt her do it again.

Then she flung an arm around my waist, and started to stroke her way up to my boobs, cupping one of them through the thin cotton of my dress.

"Okay?" she said, and kissed me softly on the back of my neck.

"Mmm..." I moaned. I hadn't known Amanda was sexually interested in anyone but Craig, let alone bisexual and attracted to me, but as she began to squeeze my tit a little harder, and roll the nipple around between her fingers, I realised I didn't want her to stop. "Finger me," I whispered, and took over playing with my tits as she obliged me.

Craig fucked her slowly and rhythmically, his thrusts forcing her fingers in and out of my pussy. Then, without any warning, he started to speed up, slamming his hips against her arse as his climax started to build. Amanda was pressed up to me so tightly, I could actually feel him shuddering as he shot his load inside her.

A few seconds after Craig pulled out of Amanda's cunt she whispered to me, "I didn't quite get there that time. If I make you come will you do the same for me?"

"Yeah," I breathed, and she started kissing down my body. Before she got as far as my cunt, though, I stopped her, and suggested a sixty-nine.

She straddled my face and spunk and juices gushed out of her

She turned to face the foot of the bed and swung her leg over to straddle my face, and as I started sucking on it her pussy, spunk and juices gushed out and into my mouth.

Never having done this before, I didn't have a clue how to bring her off, but it didn't really matter. She wasn't shy about asking for what she wanted, and she was so orgasmic anyway, that all I had to do was ram my tongue into her hole and let her grind herself against it until she came.

I'm not sure that she bargained for how hard she was going to orgasm, but it left her in no fit state to bring me off like she'd said.

"Sorry," said Craig, giving her bum a playful slap as she flopped face down between us, "she's always doing this to me, too."

"You bring her off, then," said Amanda, in a bit of a grumpy voice.

"I will, if you want me to," said Craig to me, and I saw his cock was jutting hard up from his crotch.

I didn't say a word; I just lay back, and spread my legs wide open, smiling at him and fingering my clit as he positioned himself between my thighs. Then I reached up and took his prick in my hand, so I could guide it into my wet and open hole. He got hard pretty soon after coming that first time, and I felt his cock swell up a fair amount again, as he eased it into me.

He started thrusting in and out, and pussy, another gentler orgasm rippled through me.

As promised, Craig drove me home later that morning, and fucked me again – in my own bed this time – before going back home to Amanda. He said she wouldn't mind, so long as I didn't mind him telling her all about it!

Hayley, Berkshire.

Chest of a wave

Recently my best friend Paula and her boyfriend John invited me to go on a surfing holiday down in Cornwall with them – it was only John who was into surfing, so I was mainly there to keep Paula company.

One morning I knocked on their bedroom door and asked if they wanted some coffee. Paula told me to come in – John had left the B&B at the crack of dawn so he could catch some early waves. Paula was complaining that she always woke up feeling cold when he wasn't there for her to snuggle up to. I agreed it was a little chilly, and she suggested I get into the bed

She watched with a grin as her boyfriend fucked me

Amanda turned herself around, lying, with her head propped up on one elbow, watching me with a grin as her boyfriend screwed me. Then she bowed her head to take one of my nipples into her mouth and, as she sucked hard on it, an intense orgasm tore through my body. That was enough to set Craig off coming, and as his warm, thick spunk pulsed out into my

while we drank our coffee.

We talked and laughed as we sipped it and made some fairly obvious wisecracks, then Paula asked me, seriously, if I'd ever done anything with another woman. I told her I'd gone to bed with a girl I'd known in college, but that I'd been a little drunk at the time. When I asked her the same question she said she'd had a similar encoun-

ter, but that she hadn't liked it much. Then she added that she might have enjoyed it better if she'd been a little more sexually experienced at the time.

We both went quiet for a couple of seconds, as we thought about it all, then we turned to face each other and kissed. Paula seemed a little tense, but as we kissed more deeply and pulled each other close, her body seemed to relax.

We rolled over on the bed so I was on top of Paula, and I stroked her long hair and fanned it out all over the pillow. "So where do we go from here?" she whispered. I kissed her again on her mouth, then nuzzled my face between her tits through her T-shirt. Getting naked seemed the obvious thing to do, and so we helped each other out of our shirts and panties.

I usually keep my pussy shaved during the summer – it's cooler and looks better under a swimsuit – and Paula's eyes widened when she saw it. "Looks smart, doesn't it?" I said, straddling her body again so she could take a closer look. "It feels even better."

I raised her hand and gently stroked it over my labia, and she smiled up at me as her fingertips brushed my smooth skin. I spread my legs so my cunt lips parted, and Paula's fingers slipped in between them.

She was still a little cautious, so I took over, humping my cunt against hers, hearing it slurp and squelch as the juices ran out of it and down to soak Paula's hand.

I could have kept going until I came, but instead I turned around so we were in a sixty-nine. Paula's pussy was as wet as mine, though most of her juices had soaked into her full bush. I pushed my face in between her legs and inhaled her musky sex scent, then started to lap at her cunt.

Meanwhile I felt her take a few experimental licks at my snatch, and so I thrust my bum back a fraction of an inch so it was right up against her mouth. As I had hoped she licked and sucked me harder, and I could feel the suction as she swallowed my cream. As I began to tongue-fuck her, jabbing in and out, she switched to sucking my clit, rasping her tongue against it.

I humped my cunt against hers, hearing them slurp and squelch

We were both going for it really confidently now, and as I felt the first stirrings of an orgasm, I also felt Paula's pussy give tiny spasms. She must have felt it too, as she started to lick me even harder, and in less than a minute her cunt tightened around my tongue. I came just a few seconds later and then we lay down together, Paula slipping a hand between my thighs to cup my labia. She couldn't get enough of feeling my cunt up and she asked if I'd help her shave her own bush, as a surprise for John.

As it turned out he got even more of a surprise. The surf wasn't too good that morning, so he came back to the B&B to get some breakfast. I had just started shaving Paula's pussy when we heard him come in, and I just carried on.

REAL WIFE SEX

When he walked into the bedroom he saw me crouching naked in between Paula's legs, with my bum thrust back and my open, suck-swollen cunt peeking out between my cheeks.

Paula told him he could stay and watch us, and he did, beating his rock-hard meat all the while. He was so horny he looked like he might lose his load at any second, but he held himself back until I'd finished shaving Paula.

I let him get in between her legs, but as he went to guide his cock inside of her cunt he came, splattering her fresh-shaved mound and pussy lips with a wad of gooey come.

I bowed my head and started to lap it up, and by the time I had savoured every drop, Paula was so turned on I had to start licking her wet cunt again. I took things slower this time, enjoying every shudder of her body as my tongue hit the spot.

After a while I felt John's hand on my bum, and shortly after that the tip of his cock stroking over my pussy lips – he

until he spunked up inside me.

The three of us fucked and sucked our way through the rest of the holiday – John even missed a few surf sessions so he could join in the naughty fun, which Paula said was the biggest compliment he could have paid us!

Nicola, Teeside.

Shagged out

All my girlfriends seem to think I'm really lucky to have a boyfriend like Craig. He's really good looking, romantic, and a bit of a stallion in-between the sheets. Just recently we started talking about our sexual fantasies, and I told him that my wildest dream was to get well and truly fucked by two guys at once. Rather than being shocked, Craig said he thought it was really horny, and actually wanted to give it a try!

One of his best mates is a really cute looking guy called Jed. He's 19, the same age as me, and a couple of years younger than my boyfriend Craig. The two of them

My wildest dream was to be well and truly fucked by two guys

loved the silky feel of them as much as Paula did. I moaned and smacked my lips and John took the hint, sinking his meat inside my cunt. He probed and ground it with his cock and I shoved back – Paula whimpering with pleasure as I sucked and pulled on her clit – until I came to my second orgasm that morning. When Paula and I had come John kept on fucking me hard,

are inseparable and work together as fitters for a well known tyre and exhaust company. They both rent a small flat not far from where I live, and so I'd met Jed loads of times whenever I'd stayed over

One Saturday night when Craig and I got back from the pub I was surprised to find that music was playing and candles burning everywhere. I thought that Jed must

have pulled, but was surprised that there wasn't a sign of him or a girl anywhere. Craig opened a bottle of champagne and suggested I go straight to bed. I smiled and kissed him, thinking I knew exactly what he had in mind. How wrong I was, and when I got into the bedroom I nearly died on the spot! For there, lying in our

I thought I was going to die with pleasure as he spread me open

bed, wearing nothing but a big grin, was Jed!

Before I had chance to react Craig was behind me nibbling my neck and with a glass of champagne in each hand. "He's all yours darling," he whispered, and then backed away closing the door behind him. OK, I admit, it wasn't exactly the worst situation I've ever found myself in, and Jed really is a very sexy looking bloke. I think the booze and my hormones must have taken over at that point as I undressed slowly in front of him, pausing only for an occasional sip of champagne.

When I pulled back the sheets I wasn't surprised to find that the poor boy had a raging hard on, and wrapping my tongue around his bell end seemed like the most natural thing in the world to do!

He groaned as I sucked his cock deeply into my mouth, and he grabbed handfuls of hair pushing me down onto his tool. I love sucking cock, and I wanted Jed to know how happy I was to be sucking his. So I pulled his foreskin right back and licked his gorgeous knob all over like a lollipop!

I told him to lie back and enjoy it as I got on all fours in-between his legs with every intention of giving him the blowjob of his life. Jed moaned, gripping the headboard behind him as my wet lips sucked up and down the length of his hard tool. I squeezed his balls and flicked my tongue up and down against that bit of skin joins a man's foreskin to his shaft. It always gets them, and sure enough Jed started pumping rhythmically into my mouth as I felt his balls tighten and his pulse-rate treble.

I knew that Craig wouldn't leave us alone for long, and that was partly why I was on all fours with my bum stuck up in the air! By this time I was really turned on and so I was quite relieved when the door opened and Craig walked in starkers with a huge erection. This was like having all my Christmases rolled into one, and I just couldn't believe how lucky I was to have my wildest fantasy come true!

The bed creaked as Craig climbed on behind me, and I thought I was going to die of pleasure when he grabbed both of my buttocks, spread me open, and sunk his hard cock deep inside my cunt.

It was all I could do not to bite Jed's knob, which by this time was pumping like a little piston in and out of my mouth. Just when I thought things couldn't get any better, I felt Craig's wet thumb rubbing around and around my bum hole. I held my breath and then gasped as he pushed it deeply into me right up to the knuckle!

My heart was beating like a drum inside my chest and by this time all three of us were moaning and groaning in time with each other.

Both boys were pumping their cocks

in and out of me really hard, and it was such a great feeling to have one in my mouth and one in my pussy at the same time! I could have stayed like that forever, but I knew Jed was close to coming and I couldn't wait to have his sperm in my mouth. I squeezed his balls tightly and I looked up to see him admiring the view of me sucking his cock and being fucked at the same time. Suddenly his eyes screwed shut and he moaned out loud as he filled my mouth full of his hot sticky sperm! His orgasm to lasted for ages and he seemed to have so much come I couldn't stop a little bit of it dribbling out over my lips

When I'd pumped every last bit of juice out of Jed's cock I felt Craig grabbing my hips roughly and pushing himself really deeply into my wet hole. His balls were banging against me and I knew that we were both very close to coming. I buried my face in-between Jed's legs as I felt Craig's hot spunk flooding into my tummy, and I groaned deeply as I came all over Craig's cock with my mouth still full of jizz. Right in the middle of my come I swallowed every last drop of Jed's spunk, and as I trembled in between his legs he stroked my hair gently.

We were all so horny we managed to keep going for most of the evening and we tried all sorts of different positions and variations. One of the best bits was when I got into the doggy position on the bed and they both took it in turns to fuck me. But the highlight of the evening was when I lay on top of Jed with his cock deep inside me and Craig screwed me in the bottom. The feeling of having two cocks pumping in and out in-between my legs at the same time was wild! Since that first night we've done it again quite a few times, and now all me and Craig are waiting for is for Jed to get a nice girlfriend!

Jane, Northants.

Strip for action

I'd never worn sexy undies until my boyfriend Steve bought me a matching set – white lace bra, knickers, a suspender belt and stockings. I put them on and the look on his face (and the big bulge in his trousers) showed me that he really liked what he saw. He spent the entire night fucking my brains out and made me keep my stockings and sussies on. Now I wear lingerie nearly all the time.

One night we went to a 21st birthday party. It wasn't anything spectacular, just booze and grub and a free juke box in the back room of a pub, but everyone was having fun. At around ten o'clock, one of Steve's mates came up and said there was a big problem – the strip-o-gram they'd booked hadn't shown.

Knowing I was probably in for a dirty night with Steve, I'd put on my sexiest black silk underwear. It felt as good to wear as it looked, the smooth fabric of the bra brushing against my nipples when I moved, and my knicker gusset, dampened by my pussy juices, moulding itself tightly to the contours of my slit. Whenever I crossed or uncrossed my legs, I'd feel my stockings rub smoothly together and my suspender straps stretch and press into my thigh flesh. I'd been giving Steve tantalising flashes all evening. Even as I thought about it my cunt started juicing up, but I was snapped back to reality when I heard him say, "Don't worry, Ruth'll get 'em off for him."

There was so much cum it dribbled out over my lips

My damp gusset moulded itself to the contours of my slit

He was only joking – I think – but I called his bluff and said, "Sure", and flipped my dress up to show his mate what I had on underneath.

The other bloke wolf-whistled and said that Darren, the birthday boy, had been eyeing me up all night, so he was in for a real treat. Then he walked off, and I went into the ladies' to touch up my make-up.

I was putting on my red lipstick when there was a knock at the door. It was Steve, bringing me a double vodka. "You looked like you needed a stiff one," he laughed, and I knocked it back in one, shivering as it hit the back of my throat. Steve gave me a hug, and as the warmth of the drink spread through my body, he slid down it onto his knees then lifted up my skirt.

I felt his hot breath against my mound through my knickers, and my juices started to flow. Then he hooked his thumbs into the elastic and pulled them right down to my knees. He nuzzled his face against my bush, breathing in my pussy scent, then spread my labia apart with his fingers and rammed his tongue deep into my hole.

I gasped and started bucking my pussy against him, my cunt juices streaming out all over his chin as he sucked me. Suddenly he pulled away and asked me if I was still feeling edgy. I said no, and he said the other blokes were ready and waiting for me. Then he propelled me through the door with a playful slap across the bum.

When I walked back into the room everyone started cheering and whistling. Darren was sitting on a chair in the middle of the floor, and I planted a big red lipstick kiss on his cheek, bending over so my skirt rode up past my stocking tops.

All I had intended to do was whip off my dress and dance around, and maybe let Darren stick his face in between my boobs. Then I got a closer look at him and realised he was well cute. I decided I'd give everyone far more of a thrill than Steve had bargained for when he'd 'volunteered' me.

The juke box started playing a rock track, so I started bumping and grinding, lifting up my skirt and showing my knickers. Next I sat down on Darren's lap, facing the same way as him, so he could undo the zip down my back. Then I stood up so my dress fell to the floor.

I danced around a little bit more, shimmying my hips and groping my tits and fanny through my underwear. I made sure I was looking right at Steve when I undid

REAL WIFE SEX

my bra and let my breasts swing free, and got a big kick out of seeing his jaw drop. I sashayed back over to Darren and straddled his crotch, so my boobs were level with his face. He sucked greedily when I fed one of my nipples into his mouth.

As he nibbled on it I wiggled my hips from side to side, rubbing my clit hard against his stiff shaft. My snatch was already sopping wet from the licking Steve had given it, and now my juices started running out and soaking through my gusset. When I stood up, there was a big wet patch of them on the crotch of Darren's jeans.

My pussy was now level with his face, and slowly, for full effect, I slid my panties down to my knees. Then I turned around and bent forward, thrusting my cunt back to within licking distance. Darren used his tongue timidly at first, then started lapping up my juices.

I reached back between my legs and popped his fly open. His cock sprang out, rock hard, and I began to wank it. Then I sank down onto it, engulfing its entire length in one go. Knowing that I was the sexy centre of attention, that I'd given every bloke in the room a hard-on, was almost as big a turn-on as the thick cock plunging in and out of my cunt.

Darren was beginning to grunt as he thrust into me, his body straining and tensing as he built up to his climax. Then I felt a warm, liquid explosion deep inside me.

I got up and took a bow, with Darren's spunk running out of my cunt and down my thighs. When I went into the toilets to clean up, Steve was waiting for me. He shut the door, then lifted me up onto the sink unit and shagged me hard up my sloppy cunt until we both came.

Ruth, Carlisle.

No strings

I'm a 22-year-old nymphomaniac who is into all sorts of sex. My favourite thing is being tied up and fucked.

My boyfriend loves tying me to the bed and then having his way with me. Sometimes he blindfolds and gags me too, which I love.

Last weekend my boyfriend and I planned a night of hardcore fucking. We unplugged the phone, drew the curtains, cracked open a bottle of wine and put on a porno.

After a while my boyfriend got his cock out and told me to suck it. I did as I was told, kneeling in front of him and sucking his hard pole for all I was worth.

Soon he was pulling my hair and telling me he was about to cum. I sucked even faster, anticipating a throatful of salty sperm. When he came I milked his balls dry, swallowing every drop.

Then I led him upstairs and told him to lick me out till I came. I lay on the edge of the bed with my legs high in the air. He

I sank my mouth on to his cock, engulfing its length in one go

buried his face in my pussy and hungrily lapped away.

I started flicking my clit when I came close to orgasming. This sent me over the edge and with a squeal I came, my cunt contracting madly and showering his face with juice.

That was all foreplay leading up to the main event. This was how we often did it. I trembled with excitement as I waited for the order.

"Get on your hands and knees and stick your arse in the air!" he said. As I did exactly as I was told I could hear the ankle and wrist cuffs clunking together in his hands.

I felt him roughly pulling at my arms so my wrists were alongside my ankles, my legs well spread. Then he fastened my

I was totally at his mercy with my big round arse in the air

wrists and ankles into the cuff so they were bound together.

I was totally at his mercy with my face in the pillow, my big round arse in the air and my arms and legs strapped together.

Then he made me beg him to fuck me. I cried out, imploring him to shove his big hard cock right up my juicy snatch.

Finally I got what I wanted, as he drove his cock right up in one go. I moaned in delight as he started fucking me deep, fast and hard.

I was so turned on being his sex slave that I came straight away. "Now I'm going to fuck you up the arse!" he said.

I braced myself for an arse pounding as he lined up his cock. Then he slid it up my tight ring and began slamming into me.

Eventually he pulled his cock out of my stinging arse and shot his load all over my arse and pussy, before loosening my bonds and letting me suck the cum off his sock.

Karen, Leeds.

Adam had 'em

My husband Graham and I have had a few threesomes with a mate of his called Adam. Our most recent was the best – let me tell you about it.

One Friday night I was in with my two well-hung studs. I was wearing sexy black underwear, long leather boots and an eager smile – nothing else.

I was dripping wet with excitement, knowing I was soon going to get a seriously hard fucking. Graham was rubbing my wet pussy and Adam was sucking on my erect nipples.

Then I sucked both their hard cocks while plunging a dildo in and out of my shaven cunt. I could taste the pre-cum on their cocks and I was dying to be fucked.

Graham entered me from behind and teased my arsehole with his thumb while I sucked on Adam's cock. I soon had my first orgasm of the night.

Then they swapped positions and I sucked my juices off Graham's cock. Now I

was desperate for my favourite act.

I straddled Adam's cock and Graham entered my arse. Double penetration – my favourite! Both men pounded into me at a furious rate, making me cum and cum.

I was screaming the house down and

I had four naked blokes in front of me, all sporting hard-ons

begging them not to stop. Both boys were ready to cum. They pulled their cocks out and shot their hot, creamy loads into my mouth and over my face. Perfect!

I then sucked their cocks clean. I now want a woman to join us for some action. Any takers?

Louisa, Glasgow.

Go like a train

I spent a month inter-railing across Europe in the summer. I had some time off work so I decided to use it to travel, as I hadn't been able to when I was younger.

On one occasion I was travelling on an overnight train. A good-looking guard showed me to my compartment and winked at me as he shut the door behind.

It was nice to get some attention and it put me in a horny mood. I fancied a drink, so I sorted out a sexy little outfit to wear to the bar.

I undressed and stood in front of the mirror, having a good look at myself. If the young guard had found me attractive then maybe I could have some fun on this train.

While I was thinking this, my hands were slowly caressing my tits. I put on a skimpy blouse, a skin-tight skirt and no underwear.

I decided I was going to find myself a damn good fucking.

I was hoping to see the guard. I imagined him bending me over the bunk and fucking me until his cum dribbled down my thighs.

I wanted to suck his cock till he came all over my tits, then lick my nipples and his bell-end clean.

I went to the bar and ordered a brandy and coke. I scanned the room and saw it was mostly full of men – how lucky I was!

The guy next to me heard my English accent and asked me to join him and his friends. He was a good looking, well-built English bloke called Tony, and I accepted his offer.

He introduced me to his friends and we all had a drink and a laugh before going to the dining carriage. We had a great meal and more drink and got on really well.

Afterwards Tony suggested we go back to his compartment, as he had some nice French wine there. It was a tight squeeze but I wasn't complaining.

I had four gorgeous men sexually teasing me and telling me how nice I was. We were all pretty drunk and I was feeling quite brash.

I was extremely randy and could feel my pussy was soaking wet. I wanted them all. I turned to Tony and snogged him.

As he felt my tits one of the others said, "Go on Tony, she wants your cock!" Then I turned round and said, "I want all of your cocks!"

REAL WIFE SEX

With that I had four naked blokes in front me, all sporting hard-ons. I began with Tony, kneeling in front of him and taking his cock in my mouth.

I sucked him for a while before moving on to the next guy, and so on until I'd sucked them all off. Then I lay on my back and told them to cum on my tits.

I had cum all over my tits, hair and face after they'd showered me. Then I stood up and asked them to fuck me one at a time up against the compartment door.

They fucked me long and hard for two hours. It was wild – they grabbed and pawed at me like animals. It was great.

Finally we'd all cum so much that we couldn't cum any more. Spunk was running out of my pussy like a river.

Finally I found my scattered clothes and got dressed. I said goodbye and went back to my carriage to sleep. What a fabulous journey!

Nikkie, Beds.

Sexy secret

One night after work I was going to meet Phil, my boyfriend at the time. When I arrived at his place I found he had a mate there, a bloke called Dan.

I said hello to them both and went to have a bath, as I usually do. As the bath ran I stripped naked. I sat on the toilet seat and rubbed my clit as I thought about the two men downstairs.

I'd cum before the bath was even run. Then I got in it and relaxed in the bubbles, rubbing myself all over with a sponge.

About 5 minutes later Phil appeared with Dan. They closed the door behind them and I saw that they were both stark bollock naked.

Now I was trembling with anticipation and excitement – I'd never had a threesome before, and it looked like one was on the cards now.

I was right. I can't remember who made the first move but for the next 4 hours I was sexually worshipped. I was fucked in every position and in every room in the house.

I felt like a complete whore and I loved it. Having two men kissing, licking, touching and fucking me all over was a sexual fantasy come true.

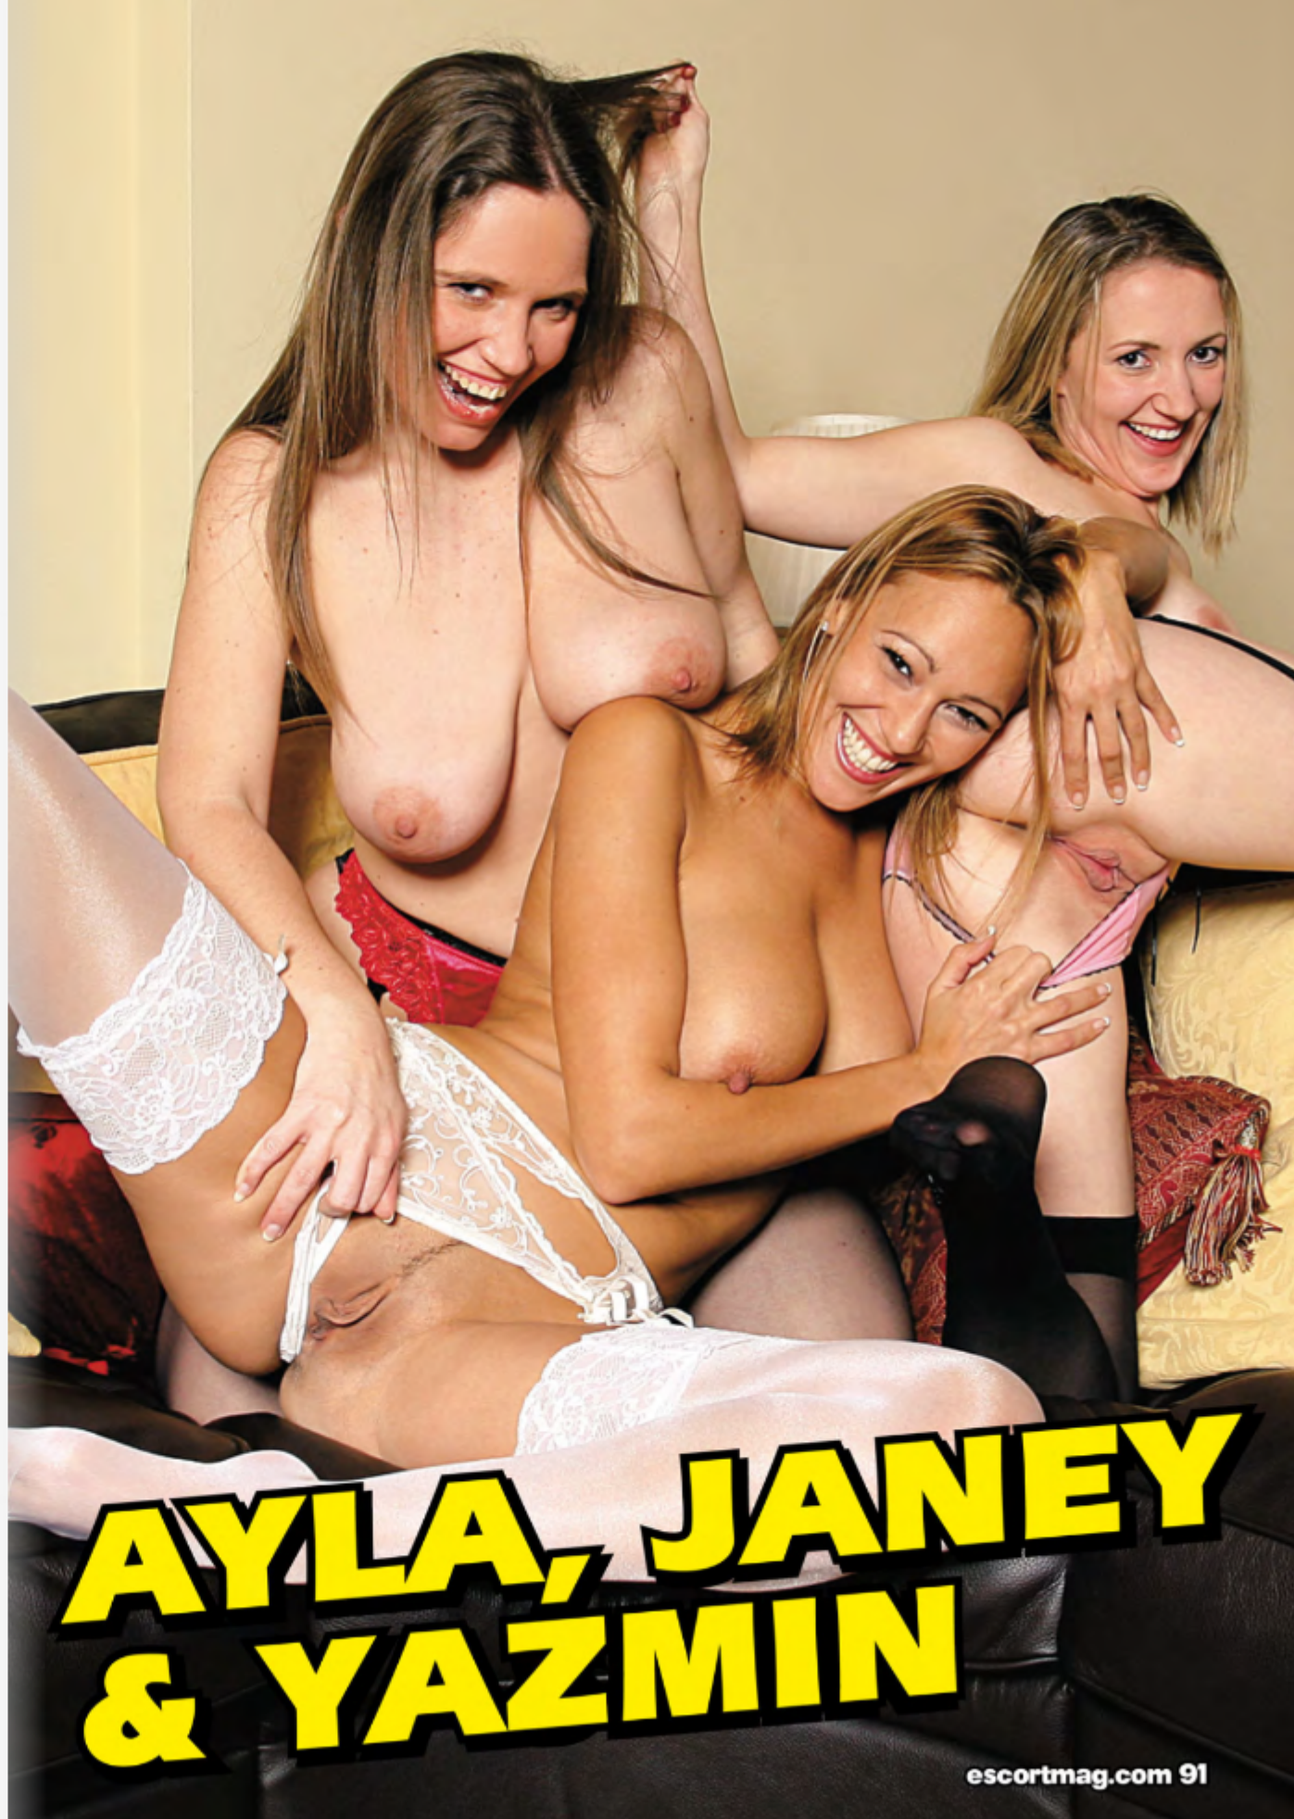
Now I'm with a guy called Mike and he has introduced to loads of new things. He's a real nympho and I'm positive he studied the Kama Sutra or something.

I've never had sex as good as I do with him. We do it as often as we can – anytime, anywhere, any position! I relish a good butt-fuck as much as he likes giving me one.

The biggest turn-on, though, is revealing my sexy secrets and knowing blokes will be wanking over my pictures!

Marylisa, Essex.

Two men fucking me – I felt like a complete whore and I loved it



Meet Yazmin, Janey and Ayla and six of the best big tits we've had the honour of salivating over. These three licking, smooching and fondling together on a couch looks like the most fun bouncy castle ever and would satisfy even the most exacting male tit fan... they were certainly doing a good job of satisfying each other.

"It was such fun having all these hot bouncy boobs to suck on," grins Yazmin. "I get off just jiggling my own so I was cumming buckets sucking on these big mamas!"

AYLA, JANEY & YASMIN

REAL WIFE SEX

Double vision

For my birthday last year, Mike, my boyfriend, took me for a weekend in a quiet guest house in the country. Our room was so nice – big bed, crisp white sheets and a balcony overlooking the river – that we stayed in there all day, just relaxing and fucking as and when we felt like it.

The pyjamas I'm wearing in the pictures are Mike's – a real old-fashioned pair some batty relative bought him as a going away present when he first left home. I bor-

I popped my tits out and started squeezing and kneading them

rowed them the first night we got together – rather than squeeze back into the tight club gear I'd been wearing every time I had to go to the loo in his shared flat – and, stupid as it sounds, I've always thought of them as my lucky pyjamas ever since.

On the Sunday afternoon, I threw the top on, and went out onto the balcony for a breath of fresh air, and just stood there for about twenty minutes, enjoying the sunshine and people watching. One of the people I noticed was a guy supposedly fishing right opposite me, on the other side of the river. Looking more closely, though, I realised his hand was down his trousers and he was playing with his cock, and that he seemed to be looking in my direction while he was doing it! Whether or not he was actually able to see up my top I don't know, but I was showing a lot of leg and probably a fair amount of cleavage. I watched him from the corner of my eye, while pretending to look elsewhere, as I didn't want him to know I'd noticed what he was doing and stop – the idea of him getting a thrill over me was far too horny!

Mike – wearing the bottom half of the pyjamas – came out and hugged me from behind, burying his face in my hair and nuzzling my neck. I turned my head to kiss him, then said, "You see that bloke over there? He's wanking off!"

Like me, Mike wasn't offended. "Let's give him a bit of a show," he said, and I was up for that. Next thing I knew, his hands were on my tits. He'd slipped his hands down inside my top, and while he wasn't actually exposing them to the bloke, I knew that the bloke would probably be able to see what he was doing as well as I was able to see what he was doing. Then Mike took one of his hands away, only to slip it under the hem and start to fiddle with my snatch.

I let out a bit of a squeal, which the bloke obviously heard as he jumped slightly, but when he realised I hadn't done it because I'd suddenly seen him, he just went back to what he'd been doing.

As Mike played with my tits, I arched my back, thrusting them harder into his hands and pressing my bum back into his crotch. He was already rock hard, and I could feel the breeze blowing coolly against my pussy.

Reaching back, I fondled Mike's crotch, and found the open fly of his pyjamas. Slipping my fingers inside it, I curled them

around his shaft, and started to play with it, before springing it out, and sliding it in between my legs. I pressed them together hard, so that when I started moving my hips, I slid in and out between my thighs, which were wet enough with my juices for him to 'fuck' me there quite fast.

"Want to go for it?" he whispered in my ear.

"Why not," I said, "and why don't you give me one up the arse – if he guesses we're doing that he'll probably explode." Mike loves anal sex – he'll always fuck me up the bum any chance he's given. "Fuck my snatch first, though, I said. "Get your cock nice and slippery."

He didn't actually do that; instead, he just stuck four fingers into my frothing pussy, and scooped out as much cream as he could and slathered it over the shaft of his prick. Then he gave his cock head

A prick sank into my arsehole as our voyeur looked on, wanking

a good hard rub, coaxing little drops of pre-come out of the tip for him to smear all over his helmet and make it ultra-slippery.

I breathed in deeply, playing with my own tits as Mike played the end of his cock up and down the crack of my arse, trying to find my hole, and moaning gently when he finally did.

I even took a sneaky glance at our voyeur, and saw that he'd actually taken out his prick and was polishing away at it. Either he didn't care whether or not we could see him, or he was well aware of the fact and was getting a thrill from it.

I moaned even louder – probably loud enough for the bloke to hear me, as Mike pushed firmly and gently, sinking his prick into my arsehole. Whenever he fucks me up the arse he always makes sure of bringing me off first, as the way that works for me is to have him deep inside me and grinding his crotch hard against my arse as he fingers my clit.

I was incredibly turned-on – my pussy juices were running in little streams down between my legs and, feeling especially wicked, I popped my tits out of the pyjama top and started squeezing and kneading them together.

Behind me, Mike was starting to grunt softly, and so I tweaked and pinched them a little harder, the sensations running down directly to my clit.

Before long, I felt my inner muscles tighten – those in my pussy as well as in my arse, and as I clamped tight around Mike's shaft he started thrusting in and out, which always intensifies my orgasm. Soon he was slamming his prick really hard and fast into my arse, and not long after that he came, spunking deep inside me.

The bloke across the river also came – I wasn't quite close enough to see his jizz spurting out of his cock, but the way his body shook and bucked made it obvious enough that he had. Then he dragged his jacket over his lap, like he'd only just realised what he'd been doing.

Mike says he's booked us into the same room for my next birthday, and I think he's

hoping as much as I am that our 'friend' will be fishing the same stretch of the river! *Rhiannon, Cardiff.*

Lust resort

Just recently I got engaged to my boyfriend and to celebrate we decided to take a fortnight's holiday in the Dominican Republic. The resort was quite trendy and after a few days we'd made loads of friends and were starting to settle in quite well. We'd chosen a sort of couples resort and most of the people there were in the 1~30 age group just like me and Matt.

In the first few days we heard a lot of people talking about something called Jacques' Moonlight Cruise which was supposed to be some kind of midnight boat trip with a bit of a difference. We decided to find out more about it and tracked down Jacques at the old harbour for more information. He made no bones about it and simply explained that he offered midnight boat trips to young couples who might enjoy making love in the moonlight after a few glasses of his special punch! Well we booked tickets, but Jacques' little excursions were so popular that he was booked up solid until only a couple of nights before we were due to go home!

The boat actually set sail at ten so there was plenty of time for everyone to 'get in the mood', and I'd guess there must have been at least another thirty couples all ready for a bit of 'romance' by moonlight! There was lots of dancing and plenty of Jacques' magic punch, so much in fact that I was feeling very uninhibited long before midnight.

We'd been sailing for about an hour and a half when suddenly the music changed to the smoochies and everyone started getting very intimate with their partners. Me and Matt weren't quite sure what to expect but it seemed like virtually all the other couples were old hands! As the music slowed the sexual activity increased! And before long some couples had literally stripped off and were fucking on deck right before our eyes!

There's no greater aphrodisiac than seeing another couple having sex, but dozens of them at the same time send a girl's hormones into overdrive! This was no porno, we were literally surrounded by all these couples, just like me and Matt, in various stages of having sex all around us. We may not have been the first to get stuck in, but we certainly weren't the last, and before long we were snogging like mad and pulling at each other's clothes.

The couple next to us were 69ing, sucking and licking wildly

Matt leant against one of the masts and I dropped to my knees pulling his shorts and undies down to his ankles. I noticed a couple of guys watching me as I took Matt's rigid cock into my mouth. Peeling back his foreskin I sucked lavishly on his swollen helmet enjoying the silky feeling of his knob inside my mouth. It was odd doing this surrounded by so many people, but everyone else was doing the same thing and listening to all the other sighs and moans was a real turn on.

I lay down on the deck right next to another couple, and Matt positioned himself in between my legs with his stiff cock in his hands. The girl lying next to me was moaning and I sighed, arching my back, as Matt's cock sunk into my wet hole.

I felt his thumbs parting my petals and his tongue in my slit

His hands slid underneath me, gripping my buttocks and he drove himself in and out of me as if he was just using my body to wank with! The couple next to us were showing off and the guy was spurting his come all over his girlfriends stomach. If we'd been just a bit closer I'm sure some of it might have hit me! What a shame we weren't!

Matt rolled me over onto my tummy and I got to my knees so that my bottom was up in the air. I felt his thumbs parting my petals and his tongue licking up and down my wet slit.

The whole experience was electric and we made the most of being voyeurs and exhibitionists at the same time. I loved the thought that other couples might be getting off on watching Matt licking my pussy, and I started moaning more loudly as I lost any remaining inhibitions I might have!

I felt Matt fingering my wet clit and I cried out in ecstasy as his stiff cock pushed inside me. Our bodies moved rhythmically together in time with the gentle sway of the boat and I looked over to see that the couple next to us were now in the 69 position, sucking and licking each other wildly. I chuckled to myself as I mentally congratulated Captain Jacques on his enterprise and initiative. Not only does he make a fortune out of people who otherwise wouldn't pay tuppence to go on his lousy boat, but he also gets a free sex show every night!

Feeling Matt's cock driving in and out of me was bringing me closer and closer to my first orgasm. I reached behind and squeezed his tight balls knowing that all his come would soon be inside me. I was taking short rapid breaths as Matt's hips banged repeatedly against my bottom and my heart pounded out of control as I watched a really hunky guy licking his girlfriend's pussy right in front of me.

Being surrounded by so many people having sex was an almost animal experience, and I wondered how many of these young couples I would recognise on the beach tomorrow.

Matt grabbed my hips forcefully and sunk his cock deep inside me moaning out loud as his hot spunk pumped inside me. A few people turned round to watch us come in the moonlight, and knowing that we had an audience just tipped me over the edge and I cried out as a delicious orgasm swept through my body!

After we'd both finished coming I jumped up and got us another couple of glasses of Jacques' magic punch and cuddled up with Matt as we watched some of the other couples finishing off. The crew were

REAL WIFE SEX

so discreet you hardly noticed they were there, but I'm sure they didn't miss a thing and I bet they had some tales to tell when they got back to shore!

Melanie, Herts.

Lingerie lust

I am a 20-year-old student studying law at a university in London. When term broke up last summer, most of my friends went back to their home towns but my housemate Danny and I stayed on for our work placements in the City. The area we live in is typically studenty so it was a shock to find our local pub deserted, especially when we relied on it so much for our shagging partners!

It looked like it was going to be a long dry summer, although most nights I kept myself incredibly wet as I fingered myself in bed. But it wasn't just me who was suffering from sexual frustration. Danny was desperate too and one morning I found him staring lustfully through the net curtains at the pert backside of a brunette doing rather a lot of bending over in the course of unloading her car.

Having been bribed to make neighbourly introductions, the three of us became good friends, although Danny made little headway with Jenny. But it wasn't until we were getting ready for a girls' night out at my place that I understood why.

That evening I was feeling particularly horny and decided to put on my best lacy lingerie in the hope of getting a screw. But after sharing a bottle of wine with Jenny, I was having a job doing up the fiddly suspenders at the back.

"Let me give you a hand," she said, and knelt down to gather up the stocking from my ankle. The instant I saw the mischievous smile on her lips I knew what she wanted. Although I can't imagine anything better than a hard cock pumping inside me, I must admit the idea of being seduced by a woman has always secretly excited me.

She smoothed the stocking past my knee and up my thigh. She traced her fingers higher and higher, whilst I remained frozen in anticipation, unable to breathe. It was only the creamy love juices flowing down my legs that betrayed how turned on I was.

She moaned when she felt my wetness and brushed my quivering pink lips with her hands. She removed my underwear and I gasped aloud when she found out my swollen clit. With one hand she pulled back the hood and with the other she rubbed the slick little button which throbbed underneath her caresses. "You need to come very badly, don't you?" she whispered.

"You need to cum very badly, don't you?" she whispered

For a brief moment the pleasure was almost too intense and I tried to wiggle away from the fingertips that were driving me crazy with each firm stroke. "Oh no you don't," she breathed. "I'm not going to stop now." With one arm she reached around my waist and held me so tightly that struggle was useless. With her free hand she kneaded the aching nub of flesh, faster and faster. At the very moment that I cried out in ecstasy for the first time, a finger glided into my tight pussy which pulsated with sticky gushes of come.

Even as the throbbing ebbed away, two more fingers pushed their way into me. My juices trickled down them as Jenny thrust slowly but firmly in and out of my fanny, already pulsating again in utter bliss. For a moment she withdrew, tracing her sticky fingers up my belly and rubbing my juices into my tits. Then turning me round to face her, she took one tit in her mouth and sucked greedily, flickering her tongue around the stiff nipple.

Slowly Jenny slid down my body, always fixing me with her teasing eyes as if daring me to stop her. But I didn't want to! She snaked her eyes around the outside of my thighs and slowly lowered her tongue onto my clit, tantalising it with the lightest of touches across its tiny peak.

Back and forth she teased me until I could bear it no longer. I grasped the back of her head and ground her face against my cunt, forcing her tongue inside me until she was fucking me as hard as she could. When she finally pulled away, her face was covered in my sweet pussy juices.

"It's my turn now," I said, pushing her down onto the bed. I opened her silk dressing gown and spread her legs as wide as they would go so I could look closely at her lovely wet cunt. The only fanny I had ever seen before up close was my own when I hold a mirror up to it to see my fingers sliding in and out of my hole. Hers was so beautiful, I couldn't wait to taste it. I bent my head closer to suck her plump pink love flaps into my mouth and licked the sticky juices that dribbled from inside her. I pushed my tongue between her cunt lips and she moaned with pleasure. "Suck my clit," she cried urgently, as I withdrew and slowly licked upwards along her sopping quim.

I teased her with tantalising twirls along her swollen bud

Wanting to keep her on the edge, I teased her with tantalising twirls along her bud until she could take no more. She pushed me down onto the floor and straddled my face, pinning my arms down with her thighs. Frantically she pushed her sopping pussy against my mouth. She lowered herself onto my tongue until it was jammed up her honey pot and fucked it in a frenzy, rubbing her rock-hard clit all the time. She writhed feverishly on top of me, gasping as her climax built up inside her until she came, her cunt cream throbbing down into my mouth.

I was so turned on by the feeling of Jenny's hot pussy on my face that I was close to coming again myself. As she lay panting on the floor beside me, I spread my legs wide apart and so she could watch as I frantically frigged my swollen clit. But Jenny wanted to do more than just look. "I've got something for us to play

with," she said, drawing a large vibrator out of her bag. As I lay on my back, she took hold of my ankles and lifted them high in the air until my hot little hole was exposed. "You're dripping wet, aren't you?" she said. "It's going to feel so good when I slide this right up inside your pussy and fuck you with it – really hard."

With that she pushed the tip of the vibrator teasingly around my sticky cunt lips as I squirmed and groaned beneath her, desperate to feel it right up inside me. Slowly she began to inch it into my pussy. It was bigger than any cock I've ever been fucked by and I cried out as it stretched my pussy lips wide. Fearing that I might try to stop her, Jenny tightened the grip on my ankles as she rammed the huge dildo up my cunt as far as it would go.

Next she pulled the vibrator down so that only the end was still inside me, then in one firm motion thrust it all the way back up my slippery pussy. I writhed in pleasure and begged her to keep fucking me with it.

Faster and faster she worked me over with the vibro, forcing it harder and deeper with each thrust. "I'm about to come," I groaned, and for a second Jenny stopped pumping me and let me put my legs down.

She straddled my crotch and began grinding her clit against mine as I took hold of the vibrator and rammed it in and out of her creamy cunt from behind. As we came together, I could feel her clit throbbing against mine and her juices soaking through my pussy hair.

As we lay shuddering and gasping in each other's arms, we were startled by the sound of clapping. Danny stood grinning in the doorway of my room, obviously delighted to have stumbled upon a free sex show. "Fucking hell, Sarah," he laughed. "How long have you been a lesbian?"

"She isn't really," Jenny told him, her eyes sparkling with mischief. "In fact I bet if you asked her nicely, she'll show you how much she likes cock." She went over to Danny and to my astonishment, opened his flies and pulled out his stiff one. "It doesn't do anything for me, I'm afraid," she said, squeezing it flirtatiously, "but I'd love to see what it could do for Sarah."

Danny was delighted to have stumbled on a free sex show

Danny and I have never been any more than platonic friends but the sight of his hard cock and the thought of being watched as it pumped into my pussy was making me horny as hell. Danny raised a questioning eyebrow and I smiled my agreement. Jenny helped me up onto the bed and pushed me down on all fours with my pussy close to the edge.

"Come on, Danny," she said, "I've made her all hot and slippery for you." Danny put his hands on my waist and pulled me towards him so I could feel the head of his cock against my cunt lips. "Ohhh, that's right," I moaned as he fed his hot length into my juicy hole.

As he thrust in and out, Jenny started fingering herself and then frigging herself

REAL WIFE SEX

with the dildo, still sticky from my cunt cream.

Danny was so turned-on by watching her masturbate while he fucked me that he began hammering me so hard that his balls slapped against my thighs. I could feel his cock swelling as it slammed deep inside my cunt and I knew he was about to shoot his load. I rubbed my clit madly and cried out with pleasure when I felt his come squirting into my cunt as it throbbed in orgasm. Jenny came a few seconds later, grinding the vibrator against her swollen button as she pushed a finger up her tight little bumhole.

The three of us collapsed on the bed, drenched in sweat and love juices. Not surprisingly, I didn't make it out on my girls' night, but then I'd had a great one at home! It's strange how things turn out, because now I'm going out with Danny – although when our housemates came back at the start of term, we didn't tell them exactly how we got together!

Sandra, Louth.

a card carrying, cunt-slurping, dildo-wielding lezzer. I'm no dungareed dog, though. Anything but – I've got long legs, a 35-22-34 figure and a sweet little face you'd love to lick all over.

One of the things I like to do best is to go out all dolled up and watch as the blokes fall over themselves to pull me, then watch their faces as I get off with the sexiest girl in the place. I know it's cruel and perverse, but I'm like that!

Anyway, the other week I got my come-uppance. I was really gagging for it, so I went clubbing. It was a hot night, and I put on a tiny white mini-dress with no underwear – just ready to flash my plump-lipped pussy at the boys to frustrate them, or to give the come-on to a girl.

As soon as I walked into the club, I spotted my target for the night. She was a tall slim brunette, sitting alone at the bar, drop dead gorgeous with legs even longer and shapelier than mine. I slid onto the free stool next to her and bought myself a drink.

"Wow," she breathed as she caught my eye. "You must be after something special tonight."

"You bet I am," I said, and to leave her in no doubt as to what that something special was, I inched up my dress and parted

I like to watch blokes' faces as I get off with the sexiest girl there

Pulling power

My name's Vicky and I'm a dyke. Not one of your straight girls who just like the taste of pussy, like some of the girls who write into *Escort*, but the real article – my knees to give her a direct look at my pussy, which was juicing up already.

It's at this stage when you're pulling a girl that she either clams up with outrage and you know she's a dyed in the wool straight, or you see that look in her eyes

and you reel her in.

But this girl did neither. I thought she was interested... but then a man walked up to her and she introduced him to me as Mal, her boyfriend, and herself as Angie.

"Vicky's been trying to pull me," she said to Mal, who looked at me in a funny way. I thought I had better make an exit, and got off my stool, but to my surprise, Angie said, "Come on, Mal, I want to take her home and fuck her. Come along and watch. You know you want to."

She revealed his cock and offered it to me like it was a huge joint

I've never had a man watching me fuck before, but if Angie was game I was. I'd just have to ignore him.

Angie's flat was just around the corner and in ten minutes we were sitting in her lounge. Without a word she unzipped her dress and let it slip down to the ground. I noticed that she wasn't wearing any underwear either, but most of all I noticed how superb her body was – large but firm breasts, big pinkish nipples, flat muscled stomach and a nice fleshy cunt pad.

She went and sat down, spreading her legs for me and I looked enviously at her plump cunt lips, crinkly petals and trim bush. I went over on my hands and knees to her and buried my face in her pussy. There was a big hard clit to suck on and the sensitive tip of my tongue could feel it throbbing. My tongue snaked around the little folds of flesh and entered her cunt hole and with my hand I frigged her clit until her body shook and she screamed the whole place down.

"Wow, that was good," she murmured.

"You bet," said Mal, who I'd forgotten was there. I saw red. "I'm not performing for you like a stripper. If you want to take part, you can get your kit off."

He wasn't fazed by this, and took his clothes off. Being a dyke I don't see so many pricks, but I was still surprised by the size of his.

"He's got a fantastic prick, my Mal," said Angie. "The best I've ever fucked, and I've had a few. Come and look at it."

She led me over to his stiff rod and knelt down beside me as she grasped it lovingly. She ran her tongue along a vein down the side and I watched it twitch.

"You try," she said, and I tentatively licked it. Next she pulled back his foreskin, revealing a huge purple helmet. She closed her lips and gobbled on it for a minute before offering it to me like a huge joint. I opened my mouth and Angie put a hand on the back of my neck and pushed my head firmly onto his dick until my nose was in his pubes, his balls pressed against my chin and my mouth stuffed full of meat.

She released the pressure and I let some of it out of my mouth before she pushed me back down again, fucking my face with his stiff. I wasn't used to this, but I enjoyed the sensation, especially because while I sucked, Angie thrust two fingers into my pussy and finger-fucked me. Then with her other hand she took the shaft of Mal's dick and wanked it until he grunted and filled my mouth with spunk.

Then Angie snogged me full on the mouth, forcing her tongue into my mouth and taking the spunk out, then squirting it back in. We passed it back and forth until it was shared out, and then Angie urged me to swallow it, which I did, to my amazement.

Next, Angie emptied the contents of my bag on the table and pulled out my trusty strap on dildo. "Now I want you to fuck me with this," she said. So I strapped it on, carefully adjusting it so that with every thrust it would work on my clit too. Meanwhile, she lay back on the sofa and drew her knees back beside her ears, opening her lovely pink cunt ready for me. She was so wet there was no need for any foreplay. I plunged all eight inches of the dildo into her cunt in one firm movement. As she cried out with pleasure, I began to screw her hard.

The man about the house had decided that he didn't want to be a passive viewer, and he obviously liked the look of my arse and pussy thrusting up and down on top of Angie. I felt his hands moving over my arse, then pulling aside the back strap of the dildo so he could see my pussy, he asked me if I knew what a great pussy I had.

When Angie came I rode her through it with the plastic cock

I was too busy fucking his girlfriend to answer, so he felt around my cunt lips and pushed a finger inside my hole. Soon he had four fingers up there, and was pumping it away to the rhythm of my moving bum. He was pretty good with his fingers (almost as good as a woman) and it wasn't too long before my cunt was tightening and I came massively, wave after wave pulsing out from my cunt.

"Come on, keep fucking me," said Angie, as I slowed my movement to come. As my orgasm subsided, I got back into it. Mal stood behind me, his hands on my hips, pushing me in and out of Angie's cunt. As my arse came up after every stroke it slapped against his cock. I could feel how rigid it was against my bum crack and pussy.

"Do you want this?" he said, and I grunted approval, pulling the strap aside myself, exposing my pussy and widening my legs. I'd never had a man's prick inside me before, but as he fed his meat into me, I had to admit it sure beat a plastic one.

Mal began to really ram me, keeping perfect time with my thrusts. All my most sensitive parts were squeezed between his prick and the plastic one and soon each push was setting off a sticky mini-orgasm.

When Angie came she gasped and shuddered and I rode her through it, hammering her with the plastic cock, and getting hammered myself by Mal's dick sliding in and out of my cunt.

I must have come about five times when I felt Mal's prick twitch inside me and I felt hot spunk flooding inside my cunt hole. Mal withdrew his dripping cunt and I climbed off Angie, shagged out. But she wasn't. As I flopped back, she pulled the dildo off me then pushed my legs apart and started to drink her boyfriend's spunk

out of my cunt! Her long tongue was snaking right down there to retrieve every drop of cream. She was there for so long that she must have swallowed it all but she carried on eating, making me quiver and shake with every flicker of her tongue.

Then she did something that no other girl I've known has ever done to me. She pushed a finger deep into her own cunt, pulled it out shiny with cream and transferred the stickiness to the crack of my bum. She did it again and again, sometimes pushing her finger up to the knuckle in my arsehole until my bum was slippery and shiny with her cream.

She smeared the cream into her nipples as she dildoed her clit

"Now I want you to try something I know you'll love," she whispered in my ear. Mal was smiling at me, but I still didn't quite know what they meant. His prick was stiffening in anticipation though.

Angie lay me out on the floor and parted my legs. She stuck her fingers into my cunt and with the juices and spunk that she found she lubricated the strap on shaft. Then she pushed it into her own cunt and frigged her clit until I could see her juices seeping out around the shaft. When she tugged it out, the dildo was wet and shiny and ready for me.

She strapped it on and entered me. The dildo is a big one and it really stretched aside my cunt lips. Angie began fucking me and rubbing my breasts and I let my head fall back in ecstasy as she gave me a great shafting. Looking up I could see Mal's stiffy looming towards me. I barely had time to blink before he rubbed his shiny helmet all over my face. I opened my mouth and he slid his prick in. The angle was such that the tip of his prick rubbed against my bottom teeth, giving him intense pleasure.

I slathered his prick in my saliva and played around with its shaft with my tongue, before he pulled it out and let Angie, propping herself up on her arms, munch on it too. She let the plastic prick rest in my cunt, and I squeezed my muscles around it as she bobbed her head up and down onto Mal's cock. From where I was lying, I could look up and see him fucking her mouth, her bottom lip quivering with the speed of his thrusts.

I started frigging my clit watching them, and clenching my pussy walls around their cock and climaxed just as Mal aahed, pulled his prick from Angie's mouth and squirted thick ropey sperm all over her tits. She loved it, smearing the cream into her nipples and moaning as she ground the dildo against her clit.

I'm still not keen on men, but I've got a taste for dicks now!

Sarah, Kendal.

Three in a bed

I'm a 19-year-old girl who's dying to confess something to you. I've not told

REAL WIFE SEX

anyone else about this yet – the only people who know about it are the other two girls involved. I get all shaky and turned on every time I think back to how the whole thing started. And now I can't wait to let my secret out to you *Escort* readers...

I suppose I should introduce myself to you, shouldn't I? After all, if you're going to be wanking over me, you'll want to know a little something about me. My name is Kim, I'm a dance student, very slim and supple, so I can get into any kind of sexual position you can imagine – and probably a few you can't! I'm a brunette, and look much younger than I am, and my figure is 34-22-34. Not bad, eh?

Although I've now discovered sex in a big way, believe it or not, before all this happened I was pretty shy and quiet. A typical ex-convent schoolgirl. Not a virgin exactly, but not very experienced. I thought sex was all about the man getting on top and pumping away until we both came. The idea of going to bed with girls never entered my head. That is, not until I moved into a shared house with two older girls who went to the same dance school as me.

Lucy and Caroline were two years above me, and although they made me feel very welcome in the house they seemed light years ahead of me in experience. For a couple of months nothing out of the ordinary happened, though I did notice that the pair of them seemed very free and easy around the house, often walking about naked (though they're both really stunning, so it's hardly surprising they liked to show their bodies off) and openly discussing their sex lives. Honestly, some of the things they would go on about had me blushing.

To be honest, I'd fantasised beforehand about what they could do to me. I don't know how the idea first popped into my head, but soon I was making up elaborate fantasies about the pair of them seducing me in my own bed, coming to my room at night and waking me up by stroking my thighs and eating my pussy. The fantasies

I felt the rasp of one tongue across my hot aching clitty

became so intense that I could almost feel the rasp of one tongue across my hot, aching clitty as another probed deep into my pussy and around to my tighter, puckered bum-hole.

It ended up that I would spend every night having hot, sticky wanking sessions, kneeling up and fingering myself, or pulling my legs right up so that they were resting on the bedhead, so my fingers could probe my hot cunt as deeply as I wanted. But I honestly thought my fantasies would just stay in my own head, until that night.

One evening a week I always had a late class. That night I came in exhausted, expecting Lucy and Caroline to be out on the town picking up guys as usual. They never seemed to have any trouble finding men, and I wondered how many they'd bring back tonight. If I'm being straight, I found it exciting thinking of what the pair of them got up to with their conquests,

wondering whether they ever had threesomes with the men they picked up, or whether they watched each other screwing. I would imagine the tangle of supple bodies in the next room as Lucy and Caroline pinned yet another bloke (or two!) to the bed.

So that night I was surprised to see a light on in Lucy's front bedroom. Maybe they'd already been out and had come back early after getting lucky – the amount of noise carrying down the stairs as I unlocked the door seemed to indicate that they might have worked twice as fast as usual tonight. I had no intention of spying on them, but as I made my way up to my bedroom Lucy's door was clearly ajar.

I couldn't tear my eyes away from the gap of light – or the sight of my two housemates writhing on Lucy's snowy white duvet, their bare legs tangled together, both of them still wearing their dance tops as if they'd just fallen straight on to the bed with each other as soon as they'd got home. Lucy had her fingers jammed firmly

Her feet thrashed about as Lucy knelt between her legs

inside Caroline's neatly trimmed pussy, and I could see the droplets of juice clinging to them as they slid in and out, in and out... God, I was feeling so horny just looking at them.

I pressed my thighs together as I watched Caroline's red head jerk back against the pillow as Lucy fingered her off. She was gripping the duvet tightly, her feet thrashing around as Lucy knelt between her legs. I was rooted to the spot as Caroline lay back and smiled up at her, both of them still totally unaware that I was there. Then they started frenching with Caroline's legs wrapped around Lucy's waist before Lucy moved them up on to her shoulders. Then she started to lap at Caroline's soaking cunt as Caroline moaned, grinding her bush harder and harder into Lucy's face as she totally lost control. When she'd come, Lucy's face was covered in juices as they snuggled up together.

I made a quick exit to my room, shutting the door silently and ripping my panties down for a juicy frig. I did it standing up, back up against the door, my legs planted apart and my creamy come running down my thighs as I brought myself off again and again. I was out of breath by the end, totally drained, and collapsed on to the bed, flushed with my guilty secret.

I didn't see Lucy or Caroline for the rest of that night or the next morning, but at college I was changing in the studio after class when Caroline came in. We were on our own as she came towards me, and I was suddenly aware of how hot I was all over and how my nipples hardened as she smiled at me.

"So, did you like what you saw last night?" she asked.

I realised with horror that Caroline must have seen me over Lucy's shoulder, must have known I was watching everything that was going on as Lucy licked and fingered her and brought her to orgasm. She'd known that I was turned on by them, and she'd probably guessed I'd spent the

whole night frigging myself senseless in my bedroom. I blushed all over.

"We're both going to be in tonight," she carried on, "so this time why don't you come in and join us?" I felt her fingers splaying over my pussy mound, stroking softly. She must have been able to feel the damp patch spreading on the gusset of my leotard as her hand cupped my pussy. She smiled again. "We'll be waiting for you..."

I thought about it all day, my pussy aching and juiced up as I tried to concentrate on my classes. Should I just dive straight in there and see what Lucy and Caroline could teach me about girl-on-girl fucking,?

She rubbed her clit against each pink stiff nipple in turn

Or should I just pretend I didn't know what Caroline was talking about, and stick to my private fantasies? Tough choice, but I think I knew from the start that as soon as I got through the front door I'd be racing upstairs ready to join them... which is exactly what happened.

The pair of them were lying on Lucy's bed waiting for me. Both half undressed already, their trim pussies open and wet and waiting for me. I felt shy suddenly, but Lucy sat up and beckoned me towards them. "We know you want to know what it's all about," she grinned. "Believe me, you don't know what you're missing."

As I stood by the bed the pair of them stripped me down to my little ankle socks and motioned for me to lie between them. Then they started on me with their fingers and tongues – stroking and licking and nibbling me all over, finding every little nook and erotic cranny that only my own fingers had explored before. I realised that I was moaning softly, as Lucy's dark head sucked on one of my nipples and worked its way down, until her tongue was pushing my pussy lips apart and another girl's mouth was eating me out for the first time.

It was hornier and more intense than I'd ever imagined. Lucy smiled up at me from between my legs as she licked up all my come – and believe me, I'd started coming almost as soon as her tongue probed me. Her lips and chin were dripping with creamy juices as she grinned at me and dived back in, lapping away, while Caroline had something equally dirty in mind. I stared as she straddled my body and lowered her juicy pussy over first one nipple and then the other, gently rubbing her clit with each stiffened pink tip. I moaned with pleasure as my pussy seemed to melt and yet more juice oozed out into Lucy's mouth, and she slurped it up noisily.

Caroline's come dribbled out on to my boobs, and she reached down and rubbed it in, then manoeuvred herself so that her slippery cunt was poised right over my face. I reached my tongue up to encourage her to squeeze it down so that I could eat her out, but she teased me for what seemed like ages, just dangling her wet hole out of my reach, until I reached around and pulled her buttocks down so that her pussy covered my mouth.

This was something that I'd fantasised

about for so long, but the reality was much better. I tasted her creamy come as it slid down my throat, and I just couldn't get enough of it. I admit that I behaved like a real animal then, grinding her hips down on my face as I made Caroline come. She was gripping the bedhead and running her fingers through my hair and pumping her pussy lips on to my mouth over and over.

The pair of them then swapped over, and my mouth was swamped by Lucy's hairier pussy. My tongue brushed through the soft bush and probed right inside her, and once again I felt my mouth fill with warm, tangy juice. Caroline was eating me out now, so at the same time as Lucy was coming over my face I was orgasming myself, my body arching right up off the bed as Caroline licked me out expertly. If there are any girls out there reading this, you really haven't lived until you've had that done to you – especially with another pussy hole draped over your face.

After Lucy had come and I was swallowing her juices down, I closed my eyes and sank back on to the pillows, feeling her tongue brushing its way down between my boobs and across my stomach, further and further down until she plunged it into my cunt along with Caroline's. Now I had both of them eating me out, using their expert fingers on my clitty and really slurping all my come down. My legs were pinned to the bed under their naked bodies, but there was no way I could move anyway. I just lay back and felt climax after climax bursting through me.

There were literally fingers and tongues all over me and in every hole. I was being sucked and fucked and there was nothing I could do about it as Lucy and Caroline were totally in control. But you know, I really liked that feeling of being just a little bit helpless – if anything, that kept me at the peak of excitement for longer. It was only when I couldn't come any more, when I was literally drained of my love juices, that we all collapsed back on to Lucy's bed and fell asleep in a tangle of sweaty arms and legs and boobs.

Now I had both of them eating me out, slurping my cum down

As you can imagine, our threesomes are a regular thing for our household now!

Kim, Manchester.

Lust actually

I live in hope that one day my boyfriend Alex will actually give a shit about Valentine's Day, and I try to encourage him as much as possible. Last year, I got a little red G-string, shaped like a heart, which meant I had to lose my bush and so I got the whole lot waxed off.

I didn't realise how much I'd get turned on. The woman who did me was a real pro - yanking out my pubes was just another day in the office for her! But fantasising about her getting tempted to make a pass, and having to control myself while someone felt up my pussy, just made me feel horny to bursting point!

I got it done the day before Valentine's, in case I was too tender to fuck on the night, but the only thing that got me sore was the full-on wanking session once I got home. I got my trustiest vibrator, slammed my filthiest porn DVD in the machine, and poked and punished my pussy all evening. Normally it's back to normal by the next morning, especially if I rub on soothing lotion, but by the next night it was still so pink and swollen up, my G-string didn't exactly fit. No matter how carefully I put it on, the thong would pull up into my slit with my lips popping out on either side. So I just thought, go with it, and had another wank.

When Alex turned up to take me out to dinner – bringing a bunch of non-petrol station flowers, which was a first - I said maybe we should stay in and order a takeaway. All I had on at this point was my love-heart thong, and he was staring right at it. Then he put his face right up close to it, sniffing my excited fanny before pulling it down.

He knows my snatch almost as well as I do, knows how it looks before and after a good fucking, so he asked me what I'd been up to. "Let's see," I told him. "Maybe after I got waxed yesterday, I felt so horny I went out on a cock-hunt, knowing you wouldn't be around last night."

By now he was feeling me up, just stroking two fingertips over my silky-smooth bald lips, along the edges of the slit in between them. He was deliberately avoiding my clit, which was poking out, all stiff and swollen. I told him how maybe I'd gone down the pub wearing a miniskirt and no knickers, saw a bloke I fancied and gave him a flash of my naked cunt.

Alex jammed his fingers hard up me, making me gasp, and wiggled them about, catching my G-spot. "Then what?" he said.

"Then nothing," I smirked. He started thumbing my clit.

"What happened? Tell me," he said, and stepped it all up as I refused a couple of times.

I told him how we'd got talking, and I'd told the bloke I'd waxed my bush for Alex, but I still wouldn't get romanced. The guy had said if I was his bird, he'd take me off Paris for a dirty, slushy weekend. Then I'd told him a quickie out in the car park would do me!

I think Alex knew this was a piss-take, that I hadn't really exposed myself to some stranger and fucked him in a public place. But part of him got off on the idea, liked the thought of some bloke bending me over a car bonnet and ramming me raw.

I saw a bloke I fancied and gave him a flash of my naked cunt

I was so turned on now, from the dirty talk and his hand, working away on my cunt. "So he bent you over like this," said Alex, and got me over the bed. I heard him unzip and one second later, he was down to his plums in my cunt. My legs were parted as far as I could, my heart-thong stretched down around my knees.

I had to keep on talking to him, saying how big this stranger's prick was, how

his hard fucking had satisfied me. "This hard?" he'd say then I'd tell him, "No, harder," until he was giving it to me in such a frenzy, it was difficult to stay stood up in my heels.

I snatched my vibrator and used it on my clit, letting it buzz through me as Alex reamed me deep. And when I came, it was harder and longer than any time before.

Alex felt it around his knob, which was starting to pulsate too. He thrust in deep, grabbing around me to hold himself in me, then I felt his cum spurt out, hot and thick.

It was the most incredible fuck, although I did spend half the night promising Alex that what I'd said about the bloke down the pub was total bullshit!

Chas, Bridlington.

Our tongues tangled as I jabbed my fingers in and out of her pussy

FA clump

I support a small-league footie club and I've got to know loads of other fans, from all over the country, who travel regularly to the games. It's mostly blokes but there are quite a few women these days, though I'd never actually pulled. They're either spoken for or don't want the "club bike" rep.

Recently, we had an away game about an hour from where I live – and played an absolute blinder. I wanted to stick around and celebrate, but had to get a last train home. Then one of the girls, Amanda, said she'd booked a room in a local hotel, and I could "crash" if I wanted to stay later.

I took her up on it, and by the time we left, most people were too wasted to notice or just viewed it as a mates thing. I certainly wasn't expecting anything myself! Amanda's married – it's just her other half's a rugby bloke and had a match of his own to go to that day.

It was a double room, not a twin, and I said I'd take the floor. She told me not to be so stupid – she trusted me not to try anything on if we shared the bed, and she could handle herself if I did! I didn't doubt it – she's a tall, athletic-looking bird.

My intentions were honourable, even when she stripped down to a vest-top and knickers and slipped in between the sheets. Then I just laid there, hard-on straining against the leg of my boxers, wondering how the hell I was going to get any sleep.

I soon discovered that Amanda could handle herself – literally. I heard her make these little noises and thought she was having a dream – but then I saw her hand was in between her legs and she was humping up against it, subtly as she could. I thought just leave her to it, enjoy the thrill then crack one off in the bathroom – but my dick got other ideas.

She was going for it now, past caring if I heard, and I just got visions of her fingers, knuckle-deep in her cunt, stirring her cream up to a froth. Next thing I knew I was all over her, rubbing my hand over her thigh through the thin sheet. She moaned and then grabbed hold of it, using it to frig herself.

She turned and we started snogging, tongues tangling and thrusting as I jabbed my fingers in her pussy. Then she reached her sticky hand into my pants and started fondling my cock. She gripped it firm, letting out a chuffed little "Mmm..." as she felt how thick and hard it was. Then she just manoeuvred herself to straddle me, sitting over my hand as I kept frigging her hole.

I finger-fucked her for another couple of minutes, as she rubbed my helmet against her clit. I asked her what about her old man would think – like it was suddenly going to be an issue for either of us! She said she'd heard he had some tart among the rugby crowd, and then she plunged my dick into her hole and started to ride me, like every stroke of my prick inside her cunt was getting back at him.

If I was being used, I didn't care. I hammered up as hard as I could, slamming my knob in. I reached up to her tits, grabbing hold of the nipples, tugging and squeezing on them which just made her fuck me harder. Then she stretched out over my body and just flipped me over.

Now I had her on her back, legs bent up and hooked over my elbows, sucking on her tits as I balled her deep. She started cumming, pussy grasping my prick, and rippling as she screamed her head off.

I wanted to do her up the arse, but she said, "Not this time..." Instead, she shuffled down the bed, my wet prick slipping out and brushing her naked body. Then she took it in her mouth and started to gobble me, slurping on my helmet as she wanked my shaft and balls. I didn't have a chance – it took about a minute for her to get me splashing my jizz in her mouth, then all over her tits as she pulled me out and finished me off with her hands.

I asked her what she'd meant by "not this time"! Like was there going to be another? Now I'm thinking it may be fun to pay Amanda a visit while her husband's off watching egg-chasers with his bit on the side – and I'll arse-fuck his missus in their bed...

Del, Northumberland.

In the mix

I really enjoy my job as a barmaid, but it has become even better since Kelly took a job here. Kelly and I got along well together from the minute we met. She knew everything there was to know about mixing drinks and has since given me loads of hints and tips. We've always have a good time together and always made each other laugh, no matter what we were dealing with at work.

She rode me like every stroke of my cock was getting back at him

I thought from the start that she was beautiful as well as fun, what with her smooth, creamy skin and long, dark wavy hair. I have a nice figure, but hers is just incredible! She has amazing breasts that you just can't help staring at.

REAL WIFE SEX

One day we were both in the lavs. I was replacing the toilet roll in a cubicle as I heard her flush the cistern, make her way to the washbasins and turn on the tap. To my surprise, however, Kelly was standing there with her shirt off, her beautiful breasts straining in her skimpy bra. She smiled and said softly, something like, "I've seen the way you look at me."

Kelly's pussy was smoothly shaved and completely bald

I was so flustered I didn't even speak, just watched as her nipples hardened under my gaze. She dried her hands and, not waiting for me to answer, just began opening the buttons on my blouse and peeled it off. Removing my bra, her grin broadened as the sudden feel of air on my nipples made them tighten.

Licking her full lips, Kelly leaned over and put her mouth to one of them, teasing it with her tongue as she sucked on it. Instantly my pussy moistened and I reached for her beautiful, hard nipples, touching them through her bra. This was what I had wanted for so long. I was becoming more and more aroused, and wondered how far she wanted this to go.

As if she had read my mind, she unzipped my skirt and let it fall onto the floor. Dropping her own she peeled off my panties, and I helped to remove hers.

I slid my hand between her thighs and was relieved to find her pussy was just as wet as mine. I keep mine neatly trimmed but Kelly's was smoothly shaved and completely bald. I took my time feeling all of her, rubbing her juices around, and gliding my finger over her aroused clit. She backed up against the vanity counter and spread her legs.

I dropped to my knees and began licking her glistening pink skin. Parting her labia with my tongue I drove it into her, revelling in the sweet, fresh scent of her juices. Licking my way up and down her slit, my tongue slid slowly over the hard little nub of her clit with each pass.

In a few minutes, Kelly was squirming against me, pressing her pussy hard against my mouth. She started to moan very softly as I eased two fingers into her cunt and then began moving them in and out as I sucked on her clit. Rocking her hips back and forth, Kelly was breathing hard, then suddenly I felt her body spasm and her inner muscles contract against my fingers. She suddenly grabbed hold of the back of my head, pulling my face hard against her pussy as she moaned out loud and came on my mouth.

Kelly pulled my legs up and apart so I had to sit back on the counter edge. Leaning into me, she slid her tongue along my slit and up to my clit, flicking her tongue quickly from side to side.

When I started to quietly groan, she stopped stroking my clit and pushed her tongue as deeply as she could into my quivering, wet pussy. She was fucking me with it, swirling it around inside me and rubbing my clit with her fingers. I could feel my impending orgasm building inside

me, and when she nudged a finger gently inside my anus I came hard.

After my orgasm finally subsided, Kelly sat back and smiled, licking her lips. "I think our breaks at work just became a lot more fun," she said with a wicked gleam in her eyes. "Don't you?"

Just then there was a tap at the door. "Are you finished inside there?" came a voice. We quickly threw our clothes back on, shared one last kiss and arranged to go back to my place after work.

Emma, Darlington.

thanks," she whispered into my ear. "I've got much more interesting things planned for us tonight."

I couldn't believe it. She was obviously as hot for me as I was for her. Our lips came together and our tongues darted in and out of each other's mouths. My cock was straining in my boxers as I felt her big boobs pressing hard against my chest. I couldn't believe how horny this bird was. As I felt around her back, looking for the fastening of her bra, she began undoing my belt and the zip on my jeans.

"I've been looking forward to this part all night," she said breathlessly. "Are you ready?"

I had never been so ready for anything in my life, and I couldn't help grinning as she pulled her top over her head. Her lovely tits

She released her boobs, the soft pale globes wobbling and bouncing

Jug addict

Like many blokes I have a thing for girls with big breasts, so when I first met my girlfriend Becky she drove me absolutely mad. She has typical English rose looks, with pale flawless skin and long blonde hair, but my absolute favourite thing about her is her massive tits.

On our first night out together she sent me all the right signals. Sitting beside me at the pub she began to uncross and cross her legs again seductively, trying in vain to rearrange her bra under her tiny camisole top. She agreed to come back to my flat and when I asked her if she wanted a coffee or anything she shook her head and put her arms around my neck. "No

were restrained in an amazingly sexy black bra, and undoing the back, Becky removed it, releasing her beautiful big breasts. She shook them, making the soft globes of pale flesh wobble and bounce before pulling and pinching her large pink nipples with her long red fingernails.

It was one of the sexiest things I had ever seen. I bent my head and took turns licking her hard nipples, giving each one the love and attention it deserved. Becky was making sobbing noises with pleasure as I licked and suckled on her big juicy boobs, and I knew I was hitting all the right spots when she began to gasp and urge me to suck even harder.

I felt Becky shudder, and her panting became faster as she reached down the

front of her jeans and began to rub her pussy. Gulping for air, she pulled back and, holding onto me, she fell to her knees, groaning with pleasure. Then, looking up at me with a saucy smile, she licked her full red lips and stared intently at my crotch.

Becky bent forward and kissed the head of my cock with her glossy red lips.

staring at them.

Bunching her huge tits together with her hands, Becky invited me to place my cock beneath her breasts. Taking it in her hands she slid it between her massive globes and began working my shaft up and down between them. Each time my penis emerged from her cleavage, Becky would

She sobbed with pleasure as I suckled on her big juicy boobs

I shuddered and she reached around with her hands, grabbing my buttocks to keep me steady. Parting her lips she flicked her tongue across my cock head, making me moan softly at the sensations of pleasure she was creating with her tongue.

Pulling back from my cock, Becky moved under me and began gently nibbling on my balls. This was an unexpected move and felt absolutely great. Becky had an expert technique and she smiled at my reaction before moving her lips back to my penis. With one fluid movement she engulfed my entire dick in her mouth and began moving up and down the shaft, her lipstick leaving red streaks on my length.

Then she took my cock deep into her mouth, sucking expertly, while cupping my balls with one hand. Occasionally she would look up at me making eye contact, which was so gut wrenchingly sexy that I had to concentrate hard just so as not to blow my load there and then.

I could feel my balls begin to tighten when suddenly Becky released my cock from her mouth, sat back on her heels and asked me if I would like to be a little more adventurous and fuck her tits. She'd obviously taken the hint from the way I'd been

flick the head with her tongue, which brought me dangerously close to climax.

I knew that I couldn't hold out for long, though, and told her so. Becky grinned impishly and told me not to hold back, which was just as well because just then I felt my spunk rush up the shaft. I just couldn't hold off any longer.

My hips jerked as my throbbing cock showered her heaving tits with my sticky cum. It was jerking uncontrollably as the second and third blasts splashed her on her face and chin.

Becky giggled and wrapped her lips once again around my cock head, sucking my twitching prick until it was dry. Then she fell on her back, pulled down her jeans, and began furiously fingering herself.

Desperate to repay her for the tremendous pleasure she had given me, I got on the floor and buried my head between her legs. I set to work tonguing her engorged clit. Becky was already extremely aroused and it only took a couple of strokes before she was screaming as her climax hit her.

Phil, Newcastle.

BECKS APPEAL

I want to tell you about something that happened between me and my girlfriend Becky a couple of months back. We'd been seeing each other for about 4 months and having great sex.

The first time I shagged her I ended up wanking into her mouth while she fucked herself with a vibrator - my kind of girl!

Through various discussions she had told me she'd snogged a couple of girlie mates after having a few too many, but nothing more.

Me being me, I didn't let it drop. I was begging, crawling, declaring my undying love, the works - anything just to be there watching two girls get it on.

Anyway, I went on a course through work and after 9 weeks of hard work (so I told her) I passed. A celebratory drink was planned with me, Becky and two mates, Jilly and Sue.

After six hours of drinking and dancing, it was back to Becky's flat. I know you all know what's coming next, but it's my story and I'm going to tell it!

Becky said something like 'the quicker we get back the quicker you get to live your fantasy.' After the quickest taxi ride in history Becky and Jill disappeared into the bedroom.

By now we all knew what was going on, but that didn't stop me trying to persuade Sue to come and join us. She was having none of it, unfortunately.

I MADE MY WAY INTO THE BEDROOM WHERE THEY WERE BOTH NAKED

I made my way into the bedroom and there they were both naked on the bed. When I walked in they started kissing. It is still the most erotic image I've seen.

My clothes flew off and I got onto the bed and started to lick Jill's nipples. As I worked on Jill, Becky made her way down Jill's stomach and started licking her dark beaver.

TWOTBOX

I put my cock in Jill's mouth and enjoyed the view. Becky gives good head, but Jill was amazing - I could have stayed there forever.

The next minute they were in a 69 so I got in behind Jill and slid my cock into her while Becky licked her clit.

Next up was Jill licking out Becky and Becky moaning like I'd never heard her moan before. The sight of Becky lying there with her friend licking and fingering her was unreal.

Then she told me to fuck Becky so I climbed on top and shoved my cock right up her while her friend watched. After a couple of minutes I told her to finger Becky's arse, which they both loved.

It finally ended up with Jill on her back with me fucking her and, telling Becky I was going to cum over Jill's face and she was to lick it off, which she duly did.

Then they kissed again, swapping my spunk between them.

My only regrets, if you could call them that, are that I never got a double blow-job and that I should have cum over both of their faces while they kissed. Ah well.

As you can see, Becky has a gorgeous figure and every now and then she lets me fuck her up the arse. Our form of contraception is that I always cum in her face.

We're looking for any fit girls who want to join in. I'd like to be involved!

Jason, W. Mids.

OUR CONTRACEPTIVE METHOD IS ME CUMMING ON HER FACE

VIRGIN RIDE

I felt I had to tell you about yesterday when my boyfriend when my boyfriend took my virginity. I'm 18 and my boyfriend said it was the best pussy he'd ever had.

It started when he gave me a very skimpy nurse's uniform for my birthday. I put it on and his 7 inch dick immediately sprung up.

I took it into my mouth and began to suck, very slowly at first. I gradually increased my speed and took his thick manhood deeper into my throat.

He held my head still and began to fuck my face. Just as I thought he was about to shoot his load, he pulled out and squirted over my tits, neck and face.

As I licked it off, his subsiding erection sprung back up and he pushed me onto my back. He kissed my neck and crept slowly down my body.

Finally he reached my quivering pussy and kissed my mound. He began to lick, suck and bite until my cunt was dripping.

When I was really wet he knelt up. Then he rested his cock against my moist entrance.

Slowly he pushed his huge cock inside me and I felt a chill of excitement running through me. He started to thrust slowly, rubbing my clit and making me even wetter.

He was firm but gentle, easing in and out and getting steadily faster and deeper. After a while he was able to drive his fat cock into my juicy pussy with abandon.

"Faster!" I screamed. He obliged and started to force his meaty dick further inside my pussy. I couldn't control myself and gasped as my orgasm hit me.

My pussy milked pre-cum from his twitching cock. He withdrew, but he hadn't cum yet. I sat up, thinking he was finished – but I was wrong.

He pushed me onto my knees and pulled my legs apart, his bulging bell-end prodding at my anus. He thrust his hips and his helmet entered my arse.

This hurt like fuck and I told him so. But he carried on, feeding his cock into me inch by inch. When it was all in he asked if I was OK.

I said it felt good and he pinched my nipples very roughly, sending a tingle through my body. He began thrusting and moaned in pleasure every time my arse tightened.

When he eventually came there was a hell of a lot of it. He shot most of it up my tight little arse but some dripped into my pussy which he licked out.

We carried on fucking like rabbits all day. I have to tell you, his cock was the best birthday present I've ever had!

Jessie, London.

MY TIGHT PUSSY MILKED PRE-CUM FROM HIS TWITCHING COCK

DIRTY OLD MAN

My husband has wanted me to have another man for ages but I wasn't sure until I got a new boss at work.

I work as a secretary for a large firm. My new boss John was older than me at 48 but very handsome. One dinner time he suggested a working lunch over the pub.

After a couple of drinks he was stroking my leg under the table. When I offered no resistance he went higher and rubbed my pussy through my knickers.

He then suggested we go to the field at the back of the pub. Once there John tore my knickers off and finger-fucked me with three fingers.

I couldn't believe I was letting this dirty old man twice my age have me but I couldn't stop myself. I grabbed his cock and sucked him to his balls.

He licked my pussy and slowly inserted his thumb up my bum. I needed cock in my pussy and climbed on top of John and rode him, my juices flooding over his balls.

John flipped me over and fucked me doggy-style, making me cum. He kept telling me I was a dirty little slag.

Then I felt him stiffen and shoot his spunk right up inside me. He then took these photos and told me to show my husband what he'd done to me.

I decided to show Escort readers first, and I'll probably get a fucking again when my husband sees!

Linda, W. Mids.

SURPRISE SURPRISE

I am a regular reader and I've been meaning to write for some time. So here I am

TWOTBOX

and here's my story.

This is a surprise for my boyfriend Dave. I thought I'd bring back some memories by telling the story of our first threesome, which happened when I was 18 and Dave was 20.

We went out to see some friends, Jane and Carl. After an hour Jane told us she was shattered and went to bed, leaving Dave and myself on the sofa and Carl on a chair.

Dave suggested that we should show Carl the nude playing cards we had just bought. We began to flick through the cards. My pussy was getting wet so I excused myself and went to the loo.

I had a little tickle and when I went back downstairs Dave and Carl were both sat on the sofa with a space between them for me. I sat down and we looked through the cards again.

We began to say which ones we would like to do the most. We all liked the card with the threesome on it. I could see Dave and Carl's bulging pricks through their jeans.

My pussy was throbbing for a fuck. I could see they were up for it. Then Carl began to rub my leg, moving up and down my thigh. Dave started at the other side.

I sank back into the sofa and Carl started undoing the buttons on my top, revealing my plump breasts. Dave's fingers slipped into my sopping wet pussy.

I turned to Carl and slipped his rampant cock out of his jeans. I slowly licked it and then began sucking it till the veins were bulging.

Dave pulled his knob out and slid it inside my juicy pussy. He started pumping me slowly at first and then faster.

I sucked harder and faster on Carl's prick just as Dave filled me up with his love gunk. I could tell Carl was close to doing the same so I got down on the floor on all fours.

Carl put his cock in my cunt and pumped away. Dave was playing with my tits and I was in heaven.

Soon Carl came deep inside me, spunking his load alongside Dave's. To finish I went and sat on the sofa and frigged myself off.

It was my first but not my last threesome. We met Carl a few times after and went a lot further.

Now we would like a foursome, so any couple out there who'd like a laugh under the covers – write to us!

Sam, W. Yorks.

TOTALLY LOST IN HERSELF... MY BIRD IS AN ABSOLUTE SEX MANIAC

SLIP IT UP

My bird Sarah is an absolute sex maniac. I thought *Escort* readers would like to know what she's like.

She loves dressing up in sexy outfits and teasing me by performing strips and bringing herself off in front of me. She's a total

TWOTBOX

exhibitionist.

Her favourite, though, is getting decked out in sexy gear and posing for me and my camera. She loves it almost as much as I do!

The session these photos were taken from was an especially hot one. We always end up having a damn good fuck and this time was no exception.

As I believe you can see from the photos, Sarah was in a fucking horny mood. When she came downstairs black lingerie on and a 'fuck me' look in her eyes, my flies almost burst open.

I got my camera out and started snapping away as she peeled her clothes off one by one and her poses got more and more explicit.

By the time I was fumbling to put the second film in the camera, Sarah was up on the desk with her legs wide open, frigging herself off.

She was totally lost in herself – her head was thrown back as her well-practised fingers danced over her clit. I thought 'Fuck this!' and threw my camera on the floor.

I rushed over to her and, kneeling down, buried my head between her legs. She was about to cum and I lapped at her soft lips as she started trembling.

Then she screamed and creamed all over my face. It ran down my chin and I thirstily licked it up. When Sarah had recovered she got off the desk.

She grabbed my shirt and ripped it open. I mean literally – all the fucking buttons flew off everywhere! She snogged my face off as she wrestled with my jeans.

Sarah always gets randy after a photo session, but this was the most worked up I'd ever seen her, or anybody else for that matter.

In a flash my jeans and boxers were round my ankles and my cock was down her throat. She sucked me deep and fast, almost making me cum there and then.

She gently squeezed my balls to stop me spunking and told me she wanted fucking. I wasn't going to argue, I couldn't wait to stick my dick up her soaking wet pussy.

She bent over the desk and offered me her pink pussy from behind. I positioned myself behind her and drove my iron-hard stiffy right up her.

I started pumping like a nutter, because I was just as horny as she was. After she'd cum again she told me she wanted her arse fucked.

I pulled my cock out of her pink hole and eased it into her tight brown one. She was moaning the house down as I started banging it in and out as fast as I could manage.

Finally, after a good arse tumping, I turned her round and spunked all over her big round tits.

The rest of the day was spent satisfying her needs. I was knackered out by the end – but, fuck me, it was worth it!

Barry, Lancs.

I STARTED PUMPING LIKE A NUTTER - I WAS JUST AS HORNY AS SHE WAS

MAID TO LAST

Last week I lived out one of my sexual fantasies by having my first lesbian fling. I am temping as a maid and I was sent to this big house in Kensington.

When I arrived I knocked on the door to be greeted by the sexiest woman I have ever seen. She introduced herself as Jane.

When she'd shown me what had to be done, she left for work. After a hard morning at it I was finally finishing up. I only had the master bedroom to do.

While making the bed I came across a 10 inch black vibrator under Jane's pillow. I could still smell the scent of her cunt on it.

I started to fantasise about Jane using the vibrator on herself and on me. I lay on the bed, shut my eyes and started to wank my clit.

As I rubbed myself up into a frenzy I imagined Jane stuffing every last inch of the big black vibrator up her cunt. My breath quickened as my rubbing became more frantic.

As I was about to cum I felt hot breath on my pussy. I had not heard the key in the door and now Jane was kneeling bedside the bed with her tongue ready to lick my wet hole.

I was a bit shocked and I went to close my legs, but Jane stopped me and smiled. She started to lick my clit with her wicked tongue.

Then she started to finger me, working one and then two digits up me until she was finger-fucking me with three fingers.

I started stroking her long blonde hair and then I thrust her head into my cunt and held it there until I came into her mouth.

With my cum dripping from her mouth, she stood up to remove her suit. I could not take my eyes off her sexy body and shaven cunt.

Jane lay down on the bed beside me in the 69 position and I edged nearer to her cunt. She was beginning to moisten and I could smell her juices. Being a muff virgin, I was a little bit scared.

Jane picked up on this and reached down to thrust my head into her cunt, which was now dripping. I tentatively began to lick her pussy.

I found that I really liked it, and as she pushed my head further into her minge I began sucking away like I'd been doing it for years.

As I licked Jane's clit she started to rub my cunt with her vibrator. It was an amazing sensation having another woman pleasuring me for the first time.

Within seconds I was cumming all over the place. Jane then switched it to full power and plunged it inside me.

She started fucking me with it, sliding it in and out of my slippery gash while circling my clit with her thumb. Then I came again and it gushed out over the vibrator.

This sent Jane over the edge with pleasure and she could not stop cumming. I lapped up her juices like a thirsty pussycat.

After hours of stroking, licking and fucking each other with the vibrator we lay

JANE SWITCHED IT TO FULL POWER AND PLUNGED IT INSIDE ME

TW@TBOX

there exhausted in each other's arms.

As I was leaving, Jane kissed me on the cheek and said she would be booking me again. All the way home, my pussy was leaking juice at the thought of what I'd been up to.

That night I told my boyfriend who was hugely turned on. He promptly took these photos of me and followed them up with a fantastic fuck!

Tamara, Middx.

SHE INVITED THE MEN TO FONDLE HER TITS, ARSE AND SLIPPERY PUSSY

ANN BALLING

My wife Anna is the dirtiest woman I have ever had the pleasure of meeting, and the five lovers she has had before me have all said the same.

If she is in the right mood she will do almost anything you want her to. She is a slut!

Apart from having a threesome a beach with a couple and shagging lots of other blokes besides, the horniest experience she'd had before meeting me was when she stripped off in a nightclub.

This happened three years ago, just before we met. She was going out with another bloke at the time.

Anyway, she went out with her mate and got totally pissed. She was always a show off and loved the attention she got from men when she wore revealing tops and short skirts.

Most weekends she would flash her 36C tits at the lads to thrill them and herself, but on this occasion she took it much further.

Anna and her mate Sasha were up on the table with men all around them. They were dancing provocatively when Sasha undid my wife's top, which she let fall to the ground.

A loud cheer went up from the crowd, getting Anna all juiced up. She danced with her tits jiggling to the music, and began rubbing them.

As she was enjoying the attention so much, she then undid her skirt and let it fall to the ground. She was now only in a black thong.

She started to invite the men to fondle her tits, arse and slippery pussy.

She became so horny that she pulled the thong to one side so the crowd could see her soaking wet pussy.

They started to rub her cunt from all angles, and loads of hands and fingers were suddenly covered in her pussy juice.

To round it all off she wanked herself off twice, much to the delight of the crowd. Some of her male friends were in the crowd, making it more daring.

They joined in the fondling as well. In fact, for the rest of the night she had men approaching her and sticking their hands up her top and skirt.

TWOTBOX

A lot of them asked to fuck her, but she never fucked any of them. But she has promised to do it again while I'm with her and fuck several men while I watch.

That's one night I can't wait for – watching my slut in action with other men!
Mike, Sheffield.

BARE FACED CHEEK

My husband and I have a great sex life and have tried various things. Geoff is very adventurous, so I had to think of something special for our 1st anniversary.

I came up with a good plan and I spent all day getting ready. Geoff loves a clean-shaven pussy, so I had a nice long bath and got the razor out.

I left my quim totally bald and soft as a baby's bum, with lovely pink lips in the middle. I also got the baby oil out and made sure my skin was silky smooth all over.

I dressed in stockings, suspenders, black leather hot-pants and a skimpy top. As soon as Geoff walked through the door I told him we were off out again.

"Happy anniversary!" I handed him a camera and told him I was going to strip for him. His cock jumped up as he took the camera off me.

I lifted my top and let my tits swing into view. I circled my nipples with my finger so they stood out. Then I played with my pussy through my hot-pants.

With Geoff clicking away, I bent over and slowly lowered my hot-pants to the floor and stepped out of them. The fresh air on my pussy made it tingle and throb.

I laid a towel on the floor and sat on it. Then I told Geoff he had to get naked before we could continue. He yanked all his clothes off and his cock sprang up.

His knob was glistening with pre-cum, so I leaned forward and gave it a lick. My cunt was leaking juices, too, but I told him to pick up the camera again.

I gave Geoff some really filthy shots before getting out my trusty dildo. I shoved three fingers up my cunt while I sucked the dildo seductively.

Then I slid the dildo easily inside my cunt. I started to buck my hips and fuck myself with it, a huge climax building up inside.

I writhed on the floor and juice leaked out of my pussy as I came right there on the floor in front of Geoff.

Geoff was still taking photos, his big

MY SHAVEN QUIM WAS AS BALD AND SOFT AS A BABY'S BOTTOM

He looked a bit puzzled, but there was a distinct stirring in his pants. I told him to drive and gave directions, not actually telling him where we were going.

I took him to a remote field and said, bell-end shining in the sun. I looked up at him and told him it was his turn.

I wanted it doggy-style so I got on my hands and knees and thrust my pussy towards him, shouting, "Fuck me now!

Fuck me hard!"

He slammed his cock home and began pumping me. My climax was building and Geoff shifted his position so he could lean forward and rub my clit.

This sent shocks through me and I came immediately. I sensed Geoff was close, too, and then felt him shoot spurt after spurt of hot spunk up me.
Lorraine, Worcs.

I asked her if she wanted this stranger fingering her, and she just moaned. I undid the door and the bloke sat on the edge of the seat.

Soon he had two fingers up my bird's cunt and was wanking. Then he looked at me and told me he was going to give her some cock.

With that he rubbed his cock up and down her slit and pushed himself inside her. I was so turned on watching him fuck my bird that I shot my load.

HE RUBBED HIS COCK UP AND DOWN HER SLIT THEN PUSHED IT UP

SWALLOW'S SUMMER

My girlfriend and I love reading your letters. We thought they were made up, until an unbelievable event happened to us.

My girlfriend and me were in a club, as we are most weekends. She was dressed in a clingy red dress with no underwear.

We had a great night in the club, with blokes of all ages ogling her and wanting to fuck her brains out.

We left at about 2 and parked up at the all night cafe next to some bloke drinking coffee.

We were both really horny, so Lyn undid my trousers and sunk her lips down over my erect cock.

She was kneeling on the seat with her arse facing the other car. I hitched her dress up and started playing with her cunt.

I could see the other guy getting out of the car. When I told Lyn he was by the window wanking, it excited her even more.

Lyn swallowed my muck, and moaned with every thrust of the stranger's cock. His pace suddenly quickened and he pulled out and spunked over Lyn's arse.

She licked the spunk off his cock before we hurriedly made our way home, shocked and excited by what had happened.
Mark, London.

STAYING POWER

Recently my wife Sara and I decided to spice up our sex life by advertising in a contact magazine for a well endowed man with staying power.

We settled on a guy called Robert with a huge dick. Sara got me to phone him and we arranged to meet in a local pub the following weekend.

She wore a short skirt, black dress, boots, long gloves (all in PVC) and no underwear.

We all introduced ourselves and had a

TWOTBOX

PUB PORKING

few drinks. Soon Sara, who was randy as fuck, was rubbing Robert's cock under the table.

Suddenly she stood up and said, "Are we going home to fuck, or what?" Ten minutes later we were in the house and Sara was peeling off her clothes.

She dropped to her knees and pulled out Robert's cock. It was massive – almost a foot long. Sara shoved it in her mouth, sucking on it as hard as she could.

I thought Robert was going to cum, by the look on his face. I could hold back no longer and got behind Sara. I shoved my cock up her sopping wet cunt.

I started to pump my dick into her as fast as I could. I didn't last long and fired right up her. By now she was game for anything, and Robert suggested he fucked her arse.

The next thing I knew he was lubing up her arsehole and feeding his massive cock up it. What a sight – my wife getting fucked up the arse and screaming with pleasure.

WHAT A SIGHT - SEEING MY WIFE FUCKED UP THE ARSE, SCREAMING

Finally Robert pulled out and pumped about a gallon of spunk over her arse. She had a sore cunt and arse for days, but said it was well worth it!

Frank, Stirling.

My husband and I have always been very adventurous in our sex lives. We always share our fantasies and we've lived out quite a few.

We had often spoken about me being fucked by other men while my husband watched. This was one of our biggest and best fantasies.

One night we met our friends Tom and Mark in the pub for a drink, and we saw a perfect opportunity for me to get fucked by three cocks.

We invited them back to our place for some more booze and a pizza. After several more drinks, I got the nod from my husband.

I went and kneeled down in front of Tom. I undid his trousers and took out his thick, hard dick and put it in my mouth. I sucked his cock and licked up and down his shaft.

I felt Mark's hand slide down my crotch and start stroking my already sopping wet cunt. The anticipation was almost unbearable.

He slid his fingers up me, four at once. I was getting so wet I could have taken his whole fist. I continued sucking Tom's cock until he shot his load down my throat.

Mark then took the lead and bent me over a chair. He shoved his stiff cock up my cunt while stroking my rock-hard nipples.

I then noticed Tom moving to join Mark. He began to nudge his cock into my cunt

TWOTBOX

a regular basis and it just gets better!
Sarah, W. Mids.

alongside Mark's. Soon my cunt was full and being fucked by two cocks.

I glanced to the other chair and saw that my husband was getting turned on. He couldn't resist any longer and picked up my arse-teasing dildo.

FIRST FUCK

I lost my virginity in a very unusual way. I had been brought up very strictly so I had very little chance to meet blokes.

I was still a virgin approaching 19 years of age. I'd managed nothing more than a fingering and a licking. When it came to a poke, my pussy was having none of it.

Anyway, I was out at a local pub with my husband Simon, then my boyfriend. We met my friend Belinda who was always outrageous and thought Simon boring.

After a couple of drinks I persuaded Simon to go home alone, as I was staying out with Belinda until her dad picked us up.

What a load of bollocks – really we were off to a nightclub. We really let our hair down and got shit faced drinking cocktails.

All sorts of blokes were buying me drinks for a snog and a grope on the dance floor. I somehow lost track of Belinda and got chucked out after an argument with another girl.

The cold air hit me like a brick in the face and I felt a bit shaky. Three blokes came up to me and asked if I was ok. I told them I needed to sit down.

One of them threw me over his shoulder in a fireman's hold and told me he knew of some steps I could sit on.

I LOVED THE DIFFERENT HANDS OVER MY BODY AS I WAS SHAFTED

He nuzzled it up to my ring and began to fuck me with it. His cock was throbbing so he pulled the dildo out and thrust his cock up my tight arse in its place.

He began ramming his cock in and out of my aching arsehole. As he caned my arse, Tom and Mark pounded their cocks into my cunt, side by side.

It felt unreal to have three big cocks inside me at one time. My cunt and arse were both stretched to the limit and I was screaming in ecstasy.

After a good ten minutes of seriously hard fucking, all three of them were ready to cum. They pulled out one by one and spunked all over me.

My husband was the last to cum, pulling out of my arse and firing ream after ream of sticky cream over my arse cheeks.

We carried on for hours into the night, changing positions and seeing that Tom, Mark and my husband all got to fuck me in every hole.

We all came loads of times, and the room was thick with the heady smell of sex by the time we were spent.

Our fantasy came true and since that night we have had sex with our friends ion

My skirt came up over my red knickers and they all got an eyeful and made a few comments. They sat me on some steps and helped themselves to my fags.

"Let's see what you've got, love!" said one of the blokes, lifting my blouse up over my bra. Another bloke asked me to lift up my skirt, which I did – right up.

"Fucking hell, she's gagging for it, fucking dying for it!" they said. One of them undid one of the ties on my red knickers and they fell to the floor.

I was ordered to turn around and show myself off, which I did. I had never felt like such a slut in my life, showing off my cunt and arse to strangers.

The biggest of the blokes pulled his pants down and got his cock out. He put it in my hands and told me to get a feel of what was going to be inside me.

I was having my bare tits rubbed from behind and I was getting fingered. A moment later the cock that had been in my hand was inside me.

It went all the way up me, no problem. I heard cries of "Fuck the slut, she's loving it!" and "Hurry up, fuck her, I want a go!"

What a way for a former convent girl to lose her cherry – fucked, groped and watched by three strangers.

I felt no pain on entry and actually came that first time. When he sent his seed into my unprotected womb with a grunt of satisfaction, I felt like a real woman.

As I was pulling down my bra and skirt, the others said, "What are you doing? We're all going to have a go!"

I lay back on the top step and they stripped me again. There was no fingering this time, another cock was thrust straight up me with ease.

I loved the different hands all over my body as I was shafted. They called me a fucking slut as the first one finished and I lay with my legs spread waiting for my next fuck.

When the last guy had cum, they threw me my bag and went off saying, "Thanks for the fuck you slut!"

I recently confessed this to Simon. Now we want to recreate the event with Simon watching. I'm up for taking two cocks and being a slut like I was then!
Trisha, Bucks.

WHAT A WAY FOR A FORMER CONVENT GIRL TO LOSE HER CHERRY

WANKS A LOT

I thought I might share with your readers a little of what happened to me one warm sunny afternoon.

I was feeling really dirty so I decided to go upstairs, get out my toys and have a good masturbation session. I have a large mirror on the wall facing the bed.

I was sat on the edge of the bed, legs wide open, tits out with my nipples nice and erect, my favourite dildo sliding in and out of my pussy.

What I hadn't realised was that it was

IN@IBOX

window cleaning day. Sure enough, the window being slightly open, the window cleaner caught me at it.

At this point I was so turned on I couldn't have cared less, and just carried on playing with my pussy and tits. "Want any help with that?" he chanced through the window.

I nodded and told him to come in. Within seconds he had his head between my legs and was lapping at my juicy cunt. All the time I was watching in the mirror.

"Can you do anything for this, love?" he asked, pulling out his throbbing dick. I immediately decided to give him a gobble.

I licked up and down the length of his shaft and around his balls before taking it all in my mouth. I was still watching myself and thinking what a dirty cow I was – I didn't even know his name!

Anyway, it was time to feel his cock up my cunt. I bent over, still facing the mirror, and watched as he pushed his cock in and out.

My tits were bouncing up and down and I got pushed right up against the mirror. My tits got squashed up against the glass and it felt lovely.

My window cleaner then turned round and shoved his cock in my mouth again. I could taste my pussy on his pole.

"Here, cop this lot!" he said. Then he started spunking on my face, tits and over the mirror.

I wondered to myself whether he cleaned mirrors too, to go with the cleanest windows on the whole street – free of charge!

Carla, Yorks.

COSTA DEL HOLE

I have just returned form a sexy two weeks in bonking Benidorm. I thought you might like to know what happened to me out there.

NOBODY COULD SEE WHAT WE WERE DOING IN THE DEEP WATER

I was sun-bathing in a gold thong when two young lads put their towels down in front of me. I soon noticed they were looking right between my legs.

This made me feel very naughty so I began to stroke myself. I now had their full attention so I slid a finger inside my thong and rubbed the length of my slit.

After a short while I was getting very wet and horny. I sat up and smiled at the two gawping lads before getting up and walking to the sea.

One of the lads followed me in. He came by my side and put his hand on my backside. I turned towards him and kissed him.

My hand went down his shorts and felt his cock. It was very hard, so I took it out of his shorts and began to wank him in the water.

Nobody could see what we were doing because we were neck-deep in water. His hand then went down the front of my thong, so I opened my legs.

He slid two fingers inside me and started

TWOTBOX

to pump them in and out. I could feel my legs beginning to weaken and I knew I was about to cum.

I held him close to me and started to buck my hips against his fingers.

The realisation hit me that I was standing in the sea with loads of people around, with a stranger's cock in my hand and my cum on his fingers. It felt so horny.

Later I took him and his mate to my hotel room and they double fucked me, one up my pussy and one up my arse. I loved every second of it!

Diane, Lancs.

GO WITH A BANG

I recently celebrated my 21st birthday, and it quite literally went with a bang.

I held an evening party at my house with about 20 of my friends, 6 of whom were blokes. 4 of those blokes had girlfriends so all the girls were eyeing up the 2 single men.

We got quite drunk at my house before going on to a club in town. We got there at about 11, and by 1 the place was rammed and we were all off our faces and dancing like idiots.

One of the single fellas, Dean, had been snapped up by my mate Jasmine (a right slapper – bet he had a good time!).

So the other guy, my mate from college Dave, was getting loads of attention from the girls. I couldn't pull him because he was a mate, so I was looking elsewhere.

Suddenly I noticed one of the blokes who was there with his girlfriend. I'd already seen he was well fit from earlier, so I went to talk with him.

He told me his girlfriend had gone home feeling sick, but he wanted to stay. I told him that was fine, he could come back to my house.

I found out his name was Pete and we danced all night and had a good time. When the slow dance came on at the end we got really close and I could feel his boner pressing against my tummy.

Six of us got a taxi back to my place and when we got there everyone crashed out. Pete had somehow ended up in my bed (wonder how?), but so had my mate Kelly.

So I took Pete to the bathroom. We started kissing and I unzipped his trousers, pulling his cock out. I went down on my knees and started to suck him off.

I got his cock nice and hard before sexily undressing in front of him. Then I sat on the toilet seat and wanked myself off in front of him.

He stroked his dick while I brought myself to a creamy orgasm. Then he turned on the shower and pulled me into it with him.

I bent over and spread my legs, inviting him to lick me out. He took the hint, getting his tongue up my cunt from behind.

The feel of the hot water cascading down my back as Pete licked my cunt was brilliant. I flicked my bean as he licked me out and I was soon cumming again.

Then I felt Pete's cock nudging at my pink hole. With one stroke, he shoved his cock right up me.

Then he started pumping for all he was worth, water going everywhere. I had to hold on to the side of the bath tightly or I would have been on the floor.

Finally he said he was going to cum. He pulled his dick out and shot reams of hot man-milk all over my back.

I felt it mingling with the water and sliding over my slippery bum and thighs. Then I turned round and sucked his cock clean.

Jackie, Newcastle.

FINALLY, HE SHOT REAMS OF MAN MILK ALL OVER MY BACK

I WAS DESPERATE TO FEEL HIS MEAT-MISSILE DEEP INSIDE ME

PRIVATES ON PARADE

I've never written to *Escort* before, but I thought your readers would like to know about the sexual manoeuvres my squaddie hubby and me get up to.

He'd just come back from a six-month sex-starved tour of the Middle East where he'd had only his left hand for company.

I'd had no cock up for ages, only my sleek silver vibrator. I was gagging for his beef bayonet as soon as he walked through the door.

Unable to contain ourselves, we started kissing. As his lips explored my neck, his hands unbuttoned my shirt to reveal my red satin bra.

My hands wandered over his broad hairy chest, down to the belt and buttons on his combat trousers. I could feel his immense hard-on.

I gently squeezed his rigid cock, my cunt soaking wet from the excitement of what – and who – was to come. Ripping back my blouse, he pushed me back on the stairs.

He pulled down my bra and started sucking on my erect nipples. I couldn't help moaning as he sucked them and fingered me.

I pulled up my mini skirt to reveal my wet pussy, aching for his cunt-starved cock. He pulled down his combats, releasing his locked and loaded weapon.

I took his knob in my mouth, sucking and licking it in a passion-fuelled frenzy. Then he pushed me off, saying he wanted to taste something better than army rations.

He buried his face in my pussy and began his advance on my clit, which throbbed in anticipation of his tongue. He took me to an explosive orgasm in moments.

Desperate to feel his pulsating meat-missile deep inside my cunt, I pulled his head up to kiss my lips, my juice smeared all over his mouth.

I guided his cock into my dripping cunt with my hand, crying out in ecstasy. Slowly he thrust in and out and I cried out in sheer pleasure, wanting more with each stroke.

As he sped up I reached down to cup his balls in my hand, driving him wild. This made me want to fuck even harder.

TWOTBOX

We fucked hard till we could hold it in no longer. Screaming in ecstasy as I came, he pulled out his glistening cock and shot his full payload of salty spunk over my tits.

I grabbed his dick and licked it clean before dragging him upstairs to bed. We had six months of fucking to catch up on and I couldn't wait!

Linda, Colchester.

MADAME SIN

It all started when, for a bit of fun, I replied to an advert in a contact magazine for a 'dominant madame' seeking a 'willing female'.

Within a couple of days, my reply was lying in the hallway. My heart was pounding and my hands shaking as I ripped open the envelope.

I sat down, trembling, and read it. To my surprise it was from a couple not too far away and about the same age as me.

Enclosed were some photographs of a leather-clad woman, complete with thigh-length boots and leather cap. After a few days dithering, I decided I'd meet her.

I plucked up the courage and phoned her up, arranging to meet the following weekend. My husband Christian was to drop me off and pick me up later.

The weekend finally came around after what seemed like an eternity. We drove to a large house set back in its own grounds.

We were met by a middle-aged man dressed only in a leather pouch. He said his wife Glenda was getting ready and would be along later. Christian then left and said he'd be back to pick me up later.

I was then led down to dark cellar. My heart was thumping and I was quivering as I was ordered to strip down to my stockings and suspenders.

Then my arms were held aloft using shackles suspended from chains. At this point the man disappeared. Suddenly two women appeared.

They were dressed in skimpy leather and PVC outfits, their nipples ringed and pierced. The smaller woman was wearing crotchless pants and the other one was sporting a large strap-on dildo.

I FLINCHED AT THE SOUND OF THE SWISHING FLAILS

Gently their whips flicked over my defenceless body. I flinched at the noise of the swishing flails. Every so often one blow would be harder, making me cry out.

The smaller woman then sank to her knees and slid three fingers into my now soaking pussy. Then she used her tongue to lap up the juices from my cunt.

As I climaxed, my knees buckled and I was left hanging from my shackles. Glenda then ordered me to stand up, before taking up a position behind me.

I could feel her large tits pressing against my back as she put her arms around me and started to pull and twist my erect nipples.

Glenda then ordered me to spread my

TWATBOX

legs ready for her dildo. With one thrust it was inside me.

I screamed aloud. With each thrust of her hips, the solid dildo went higher and higher inside me towards my fluttering belly.

My nipples were now red and inflamed with all the attention, but I did not care. The second woman was now on her knees again, sucking the juices off the dildo between thrusts.

I was crying out again as I came over and over, my legs buckling again to leave me hanging by my wrists once more.

Then just as suddenly as they'd entered, the two women left the room. The man came in again to release me.

Stacey, Newcastle.

SHE GRABBED THE VIBRO, LICKED IT CLEAN AND RAMMED IT UP ME

MOTORWAY MADNESS

One night my boyfriend and me were on the motorway driving back from a party. I was feeling horny and naughty, so I undid his belt.

I pulled his cock out and in no time it was stiff. I leaned over and licked his helmet. I then closed my mouth over his cock and sucked his meat, rolling my tongue round it.

Any lorry driver could see what I was doing, which gave me a big thrill. Soon hot spurts of cream filled my mouth and I hungrily swallowed his man-fat.

When we got home I was gagging for it. As soon as the door opened I tore my clothes off and bent over. I had never tried anal sex before, but I was keen to try.

My boyfriend thrust his big fat cock into my small hole and I let out a scream. He started to pump my rear end for all he was worth.

He grabbed my tits and squeezed my nipples as he erupted inside me, flooding me with cum. He then turned me round and got to work on my needy pussy.

When he was hard again he slid his dick into my soaking pussy and fucked me. He sucked on my large nipples and let out a groan as he spunked for the third time.

He'd now filled all my holes with jism. My belly, cunt and arsehole were awash with his cum.

Next up on my list is a threesome with my bloke and another girl. The thought of getting my cunt licked by a girl gets me randy as fuck!

Susan, Birmingham.

GOOD BUZZ

One weekend when my girlfriend Claire and me were house sitting at her parents' house, I had a horny day playing with myself and using our vibrator while Claire was at work.

By the time she got home I was desperate to get hold of her. When she walked in she showed me a camera she had brought that day.

We went straight to her room and started kissing and groping. I had her half undressed when I picked up the camera.

I WORE THE STRAP-ON AND ORDERED HER TO GET ON ALL FOURS

We then started to finger-fuck each other frantically.

Claire can be such a dirty bitch at times and I love it. I started to fist her really hard until she was screaming the house down.

We then got into a 69 and while I was sucking and licking her out she was doing the same to me.

We were sucking each other's clits and fingering each other with three fingers, gushing into each other's faces. Then I got our big vibrator out.

I threw Claire onto her front and rammed it up her slimy wet crease while fingering her arsehole. She was loving it.

She was bucking back and forth so hard that she came again. Then it was my turn and I told Claire I needed a good licking.

She pushed my legs above my head and wedged them against the headboard. She grabbed the vibrator, licked it clean and rammed it up me.

She put it up me so hard my legs were shaking and I couldn't keep still. I was throbbing all over and as she fucked me with the vibrator I came over Claire several times.

I wanted more so she whipped the vibrator out and plunged her tongue into my wet pussy, lapping up my juices while I was still coming from the fucking she'd given me.

But that wasn't enough for us. Claire went and put our strap-on on to finish me off doggy-style. I didn't think I could cum again but I did.

Once I had recovered, I put the strap-on on myself and ordered Claire to get on all fours. I started fucking her from behind, driving my 'cock' inside her.

Just as she was about to cum I whipped it out and pushed it into her tight little arsehole. She started yelling with delight as she rode the strap-on.

The more she came, the faster she rode the strap-on and the louder she screamed. I then picked up the vibrator and shoved it up her cunt, fucking her senseless.

We carried on for another couple of hours until our swollen cunts could take no more dildo rammings or even fingers.

Charmaine, W. Mids.

DARK LADY

I am a successful young businessman in my late 20s. My type of bird is the usual – blonde hair, blue eyes, nice big tits and a good arse.

Recently, though, I met a fucking gorgeous woman. She is dark and sultry, really tall and beautiful. She has a beautiful face and the most amazing eyes.

I won't bore you with how I pulled her, but basically we'd been exchanging flirtatious glances all night and eventually I got her outside and told her I fancied the fuck out of her

TWOTBox

We kissed and she squeezed my aching bollocks. Then I told her I wanted to fuck her. We flagged down a cab and went back to my place.

As soon as we were through the door we were tearing each other's clothes off. By the time we reached the living room we were both naked.

Well actually, Krystal still had her red stockings and knickers on. She asked if I had any blue movies. Course I did, so I put one on for her.

As the screen was showing a girl sucking a guy's cock, Krystal put her beautiful firm arse on my face in a 69 position. At first I just admired her butt.

Then I pulled her knickers to one side to be greeted by the most beautiful pussy I'd ever seen. I went to lick it, but ended up kissing it like a pair of lips.

She moaned her approval, and soon I was sucking, kissing and licking. It was the sexiest pussy I'd ever tasted. She had my cock in her mouth, sucking me off.

Every now and again I'd look through her legs to see what was going on on the video. Then my aching cock told me it was time to fuck her.

"How do you want me?" she asked. I told her I wanted to have her doggy-style, so I peeled her panties off and she got on all fours.

She looked so sexy, just waiting for my cock with her back arched. I positioned myself behind her and raised my cock.

Her pussy was soaking wet and my cock was as hard as it had ever been. I was inside her immediately and I started pounding away at her firm brown buttocks.

After about half an hour of relentless shagging I had to stop for a breather. I sat back on my heels and Krystal took over, falling back onto my cock and riding me.

The sight of her gorgeous buttocks moving up and down on my glistening dick was incredible.

Just when I thought it couldn't get any better, she slid off me and asked me if I wanted to fuck her in the arse. I said yes, naturally.

She told me to get some olive oil, and in no time I was massaging her back with oil. Then I did her buttocks, her thighs and my cock.

After fingering her arsehole, I pointed my knob at her tiny butt-hole. It looked like a ridiculous proposition – like getting a banana through a buttonhole.

IT WAS LIKE TRYING TO GET A BANANA THROUGH A BUTTONHOLE

But with her legs in the air and her feet on my shoulders I pushed hard and slipped inside her arse.

I pushed a little bit harder and my cock went all the way inside. I got excited and started to thrust deeply inside her butt. Her arsehole was so hot that after a few minutes I pulled out and shot my spunk all over her pretty face.

We are now together and very close. Sex is getting better and better, and Krystal has been expressing an interest in having a threesome.

TWATBOX

She wants to 'try another cock', as she put it. To be honest, she has so much energy that another guy might be a good idea.

Krystal fucks and fucks and fucks – any blokes out there interested in a threesome? *Krystal, Manchester.*

OIL BE THERE

Just last week one of my kinkiest fantasies came true. My boyfriend Mike had gone out with his mate for a few drinks, leaving me alone in the house.

I was feeling horny so I dressed up in my stockings and suspenders, got out my favourite dildo and put on a porn film.

myself a cup of tea, thinking about what had happened. Although still embarrassed, part of me was turned on that I'd been seen wanking.

I returned to the living room where I couldn't help but notice the bulges in Mike and Neil's trousers. Temptation took over me and I sat down next to Mike, smiling.

I started stroking his bulge. I unzipped his trousers and pulled out his gorgeous cock. I got down on my knees and put it in my mouth, sucking him hard.

Then I heard Neil asking if he could join in. I got up, walked over to him and started to kiss him passionately. With one hand I tweaked his nipple and with the other I undid his trousers.

As his hands caressed every part of my body, I unleashed his enormous cock. I was desperate to be fucked. I looked back at Mike to see if it was OK.

He was wanking away, and nodded

HE STRETCHED ME WIDER THAN I HAD BEEN FOR YEARS

Watching the dirty sluts getting fucked by two and three blokes at once was really turning me on. My pussy was soaking as I drove the vibrator in and out of it.

I was wanking myself into a frenzy. I was just about to climax when I caught Mike's reflection in the mirror looking at me.

I screamed, at first in shock, then embarrassment as I saw that Mike's mate Neil was also looking with an astonished look on his face.

I covered myself up as I realised they had both seen everything. "Can we watch with you?" Mike said, smirking.

I left them watching the video as I made

eagerly. I lowered myself onto Neil's cock, which stretched me wider than I'd been for years. It didn't matter though – I was soaking wet.

I rode Neil's cock like a total whore as he sucked my tits. Meanwhile, Mike had disappeared. He reappeared naked and carrying a bottle of baby oil.

I knew then what I was in for and an incredible orgasm ripped through my body.

I felt a lubricated finger exploring my arsehole, followed by another. "Fuck me now!" I shouted at Mike, who didn't need telling twice.

I felt his cock poking against my brown

TWATBOX

hole. All of a sudden I felt it slide very quickly up my back passage.

I gasped – two cocks up me at once had been my fantasy for years. Now it had become reality, and I was in heaven – it was the most fabulous sensation.

I screamed in ecstasy as wave after wave of orgasm swept through me. They then swapped places and Neil's thick cock slid up my arse easily.

Within minutes Mike groaned and came up my soaking pussy. Then Neil shouted out before releasing what felt like gallons of cum deep into my back passage.

The three of us collapsed, exhausted, spunk trickling out of my holes and down my thighs. I walked funny for a few days afterwards, but it was worth it.

Next time I'd like to take three men. Perhaps your readers can come up with some ideas for me?

Debra, Southport.

SUN, SEA, SEX

Towards the end of the summer, I got a late booking and flew out for a week of sun and sex with four of my mates.

We had a great time over there, and we had a competition to see who could fuck the most blokes. I didn't win, but I did get the 'dirty bitch' award.

I was awarded this for my antics on the last night. We were all in the bar at the swimming pool chatting to these lads from Manchester.

I was well drunk, and one the blokes asked me if I wanted to go skinny-dipping. He stripped down to his boxers and dived in, but I decided to go one better.

I stripped to my underwear, and then whipped my bra off before I dived in. I got a loud cheer for that, and in the pool I told the bloke to peel my knickers off.

I RAN OUT OF THE POOL AND ACROSS THE BAR COMPLETELY NAKED

He did, and I ran out of the pool and across the bar totally butt naked, my nips standing to attention. I ran up to my room and the bloke followed me.

His cock was sticking out of his wet boxer shorts like a lighthouse. I got down on my knees and started to suck him off, cupping his balls in my hand.

Then I led him to the balcony, bent over it, and made him fuck me in full view of everyone. My tits swung over the balcony as he pumped me.

Everyone was cheering as I got fucked. I moaned like crazy and when he shot his spunk up me, I screamed and came too.

We got a standing ovation as we climaxed together, and I also got the coveted 'dirty bitch' award, of which I'm very proud.

Dominique, Essex.

BEDDING IN

Myself and my wife Janet recently stayed at a quiet B&B at the coast for the weekend. It was run by a nice couple called Mike and Sue.

The weather wasn't great, but that didn't bother us as we'd planned to spend all our time in bed anyway.

We unpacked quickly and Janet got ready, making sure I had a good view of her stockings before going down to the hotel bar for a drink.

I WENT WITH THE FLOW AND STARTED LICKING THE LANDLADY'S CUNT

When we got down there we found that we were the only ones there. Mike and Sue apologised that it was so quiet, saying it was a slow month.

They said the drinks were on the house, as they were glad of the company. As the booze flowed, it soon became apparent they wanted more than just company.

Sue had a short skirt and kept crossing her legs, showing her stocking tops and shaven cunt. This turned me right on, and I couldn't wait to get Janet upstairs.

We went upstairs and the door was barely closed before I was licking Janet's cunt while she held her lips apart.

I licked from her clit to her arse, which Janet loves, and I had her cumming in no time. The room had a large mirror in the corner and I had a great view.

I got a good look at my wife's big tits and stockings, wanking my hard cock while I probed my tongue deep inside her.

Suddenly, we could hear groans nearby. We realised they must be coming from just behind the mirror.

No sooner had I stopped licking Janet's cunt than our door was being unlocked.

It opened and Sue walked in wearing just a pair of black stockings and high heels. Mike and Sue had been watching the show through the mirror in our room.

Sue sat down in a chair in the corner. She leaned back and started wanking herself off with a vibrator. Mike stood in front of Janet, slowly wanking his cock.

I decided to go with the flow and started licking Janet's wet cunt again. She leaned forward and took Mike's solid cock deep into her mouth.

She started pumping hard on his dick with one hand and rubbing his balls with the other. I moved on top of Janet and guided myself inside her.

I then started fucking her with long, slow strokes. Sue moved behind me and started licking my balls from underneath, still fucking herself with her vibrator.

I was just on the point of filling Janet's cunt with hot spunk when Mike started to groan. I looked up to see Mike pull his cock out of my wife's mouth and shoot cum over her face and into her mouth.

I pulled out and wanked all over Sue's face, drenching her in my spunk. We all collapsed on the bed, but carried on for the rest of the night after a breather.

We had a weekend to remember, and have already booked another at a significantly reduced rate.

Steve, Beds.

TWOTBOX

TURKEY SHOOT

While my wife Louise and I were on holiday in Turkey last year, we met a guy called Pete who Louise really fancied. She gave him a farewell fuck and he stayed in touch.

Anyway, when I went back to Turkey on business, Louise had Pete round our house for a week of pleasure.

Louise told me all about how they fucked at every opportunity, indoors in our four-poster bed and even outdoors in the forest near our home.

Since then she has been well into threesomes, and recently we had one with a mate of mine. It was brilliant, especially when we gave Louise double pleasure.

She lay on her back while I sat over her face, my cock in her mouth and my hands playing with her tits. My mate has his cock deep inside her shaven pussy.

Louise gasped with pleasure and then her tongue and lips tightened around my cock. After we had made Louise climax several times, it was our turn.

As my mate got close to shooting he started pumping like crazy. Louise's pussy swallowed his cock as he pushed as deep inside her as he could.

She screamed with pure pleasure as he spunked up her, just as I shot my load in her mouth. Louise swallowed all the juice she could handle, and so did her thirsty pussy.

Since all this happened, Louise and I have had a great sex life in so many different ways.

Louise has been telling me how much she'd like another woman to join in with her, especially if they took some photos of it as well.

So if there are any females out there who'd like to join Louise, get in contact!

Barrie, Hants.

AFTER WE HAD MADE HER CLIMAX MANY TIMES IT WAS OUR TURN

BLUE PERIOD

Once when my husband was working away, I put on a blue movie out of boredom and curiosity. For some reason I couldn't stop watching it.

My favourite was the scene with two men and one woman. They were taking turns fucking her while she sucked the other off. It really turned me on and I watched it several times.

When my husband came home I showed him the film and suggested we try it. He was a bit surprised, but agreed with a horny smile in his face.

We went out that night and I wore a very short mini-skirt, a white G-string, a see-through blouse and no bra. I looked a right slut and I felt so horny.

We ended up in a disco pub. While my husband was in the toilet I noticed this bloke kept looking at me. I started to talk to him and he kept looking at my hard nipples.

He told me his name was Dave. I told him about my fantasy and to my surprise he said he would love to join in.

I could feel my pussy starting to get wet just thinking about it. My husband returned and I told him Dave would love to fuck me in a threesome.

We jumped into a taxi and went back to our house. I put the blue movie and some music on and started to strip in front of them both.

I could see the bulges in their jeans getting bigger. I told them to sit on the settee with a space between them and take their jeans off.

I sat between them and started to wank them both off at the same time.

Dave started sucking on my tits and my husband got on all fours in front of me and buried his tongue in my pussy. I could feel my juices starting to flow.

Dave then stood up and pulled my head towards his throbbing shaft and I took it in my mouth. When my husband saw he started to lick my cunt even harder and faster.

Then I got on all fours with my husband in front and Dave behind. I took my husband's cock in my mouth and then I felt Dave's cock inside me.

It felt massive as he started pumping my pussy. He started slowly and got faster and faster, his big balls banging off my pussy.

I could feel myself cumming all over his cock. After a while he pulled out and spunked over my arse. Just at that moment, my husband shot in my mouth.

I've never cum as much in my life. Afterwards my husband told me it was really horny watching someone else fucking me.

We can't wait until next time, so if any horny readers would like to join in let me know!

Debbie, Newcastle.

BOUND TO BE SEXY

Every Saturday night after a few drinks my husband's favourite thing is to tie me up on the floor, spread-eagled and blindfolded.

He then takes ages playing with my tits and licking my cunt. Then he fucks me senseless for ages and I enjoy climax after climax.

He always seemed to fuck me differently every Saturday. The strange thing was that when we went to bed he was always rampant for more and would fuck me all over again, really giving it to me.

One day when my husband was at work, I was tidying up when I found three videos hidden behind the couch. Curiosity got the better of me, and I put one on.

There I was on the video, naked, tied and blindfolded on the floor. But it wasn't my husband playing with my tits, licking my cunt and fucking me.

It was a complete stranger enjoying my

THERE I WAS ON THE VIDEO, NAKED, TIED AND BLINDFOLDED

TWOTBOX

body. I put all three videos on and watched as complete strangers made me cum over and over again.

No wonder my husband was rampant at bedtime, as it was not him fucking me downstairs. I watched in amazement at the videos.

It was a real turn on – I had never felt so horny. I played with myself constantly as I watched the videos.

My husband was shocked when he found me watching them and fingering myself, but I told him it was great.

We now do it every time we can and though I know I am being fucked by a stranger, I still can't see who it is until they have gone.

Then we watch the video and my husband licks my pussy clean before once more giving me a damn good fucking.

We now have the best sex ever!

Fay, North East.

GET THE SACK

My wife Jenny is a horny sexy beast and I am a lucky bastard, as she will do anything sexual that I ask.

When we recently had a weekend away at a hotel in the countryside, I asked if she fancied taking the camera and taking a few photos to send in to Escort.

Jenny agreed and said she was going to fuck my brains out all weekend. When we got to our room she straight away asked me to have a shower with her.

Who am I to argue with a horny naked lady? In I stepped and she soaped up my prick and balls. Then she washed the soap off and dropped to her knees.

She licked around my helmet and down the underside of my cock. She sucked my balls, one by one. Then she popped my cock in her mouth.

She started to suck and wank me off while looking up at me. It was one of the horniest sights of my life.

TO MY AMAZEMENT, IT WASN'T MY HUSBAND WHO WAS FUCKING ME

I just couldn't wait to fuck her so I picked her up and, without drying, lay her on her back on the bed.

I got her favourite vibrator out and started to lick her pussy. She put the vibe on her clit while I licked and fingered her.

In no time she was cumming, screaming and soaking my fingers. When she'd calmed down, I got in between her legs and slid my cock up her soaking cunt.

She wrapped her legs around me and told me to fuck her and not stop till I'd filled her cunt with hot spunk.

I'm not ashamed to say I didn't last long, emptying my sack inside her. It was a great start to an amazing weekend of shagging.

Martin, W. Mids.

TWOTBOX

TRI-SEXUAL

In the summer, a young couple moved into the house next door to us. I met the wife, Tracey, one day when our husbands were at work.

I was hanging out washing and she was doing her garden, and we got chatting. She is 10-12 years younger than me, but we got on really well.

As we were on our knees weeding, we heard a voice. "So this is what you ladies get up to while we men are out earning a living!"

Tracey's introduced me to her husband Greg – he was so good looking I could have eaten him up!

Greg said he was going to take a photo, and when he went in to get his camera Tracey told me he was photo mad, and had even pestered her to do some photos for a men's magazine.

I couldn't help but tell Tracey I had appeared in Escort before, and how great it was to receive all the fan mail. When Greg came back we were giggling like schoolgirls.

An hour or two later, after a couple of bottles of wine in their front room, we were all quite mellow. Tracey begged me to tell Greg my secret.

I agreed, knowing what was to come next. Sure enough, his face lit up and he nervously asked me if I would consider posing for him.

I told him I would go and get ready and I'd be back in 20 minutes. I returned with my raincoat covering me, and when I removed it his jaw hit the floor.

I was standing there in just my cream silk stockings and undies. After a few photos a prominent bulge appeared in his trousers.

That turned me on and I got very daring with my poses. Tracey had one hand on her glass of wine and the other down her shorts playing with herself, obviously enjoying the show.

When I sat on the garden bench and raised my legs to show off my pussy, Tracey turned to her husband and said, "Don't take any photos of this!"

Then she kneeled down in front of me and buried her face in my hot mound. I closed my eyes as her probing little tongue went to work on my clit.

My juices began to flow, and I opened my eyes to see Greg had his clothes off and his cock was sticking out like a truncheon.

He knelt behind Tracey, slipped her shorts off and carefully guided his cock up her cunt. Muffled moans issued from between my legs as Greg started to fuck Tracey hard and fast.

It didn't take Tracey long to climax, and then Greg pulled out his big glistening cock, still rock-hard. I got down to lick Tracey's fuck juice from his cock.

Greg knew what I wanted and he lay on the grass. I straddled him and slid my soaking pussy down over his throbbing pole.

He pulled me down to kiss him, at the same time spreading my arse cheeks and slipping a finger up my hot arsehole.

We bucked and fucked like animals, and I knew I would not last long. I clamped my pussy on his shaft and came just as he pumped gallons of hot spunk into me.

Unfortunately my husband Ted missed out, but we've promised him a foursome to make up for it!

Jenny, W. Yorks.

SHE KNEELED IN FRONT OF ME AND BURIED HER FACE IN MY MOUND

MY WIFE LOVES BIG COCKS AND NOW HAS TWO TO PLAY WITH

SEX SANDWICH

When a taxi pulled up outside my house in the early hours, I knew it was my gorgeous wife Nikki returning from a night out.

My cock started to harden, wondering if she'd been naughty. As she kissed me she told me she needed her bum smacked, as she'd been a naughty girl.

My cock was really throbbing with anticipation of what was to come next in our bedroom. Once inside the door I grabbed her hard nipples through her top and pulled her close for a kiss.

"You've been being a little slut, have you?" I asked her. She told me she had been a very rude girl. My right hand went straight to her crotch.

I squeezed and rubbed her clit and lips with one hand, the other rubbing her big tits and arse. She then proceeded to tell me what she'd been up to that night with two blokes.

She'd been out with her mate Sharon and had met two blokes called Thomas and James. They'd given Sharon a lift home because she was too pissed to walk.

Once they'd got Sharon back to her place, Nikki decided the boys deserved a treat. She gave them a sexy surprise – she performed a full striptease.

They started rubbing her tits and arse and fingering her pussy. She then got between them, undid their trousers and pulled their cocks out.

She began to lick their cocks and balls and then started to give one of her fantastic blow-jobs. She loves big cocks and now she had two to play with.

James moved behind her and started sticking fingers in her pussy while licking her arsehole. I know for a fact that this drives her wild.

Then James started to fuck her from behind while she sucked on Thomas' long cock. This went on for some time, with them both swapping round and using my wife like a sex toy.

Then they asked her for a sandwich, just like in the porn films. They told her to get on her hands and knees on top of James's cock.

Thomas then applied lots of lube with his fingers, poking into her tight arsehole until it relaxed. He then squatted over her and fed his cock into her tight ringpiece.

TWATBOX

She was really getting fucked now, with the boys using and abusing her. She let them fuck her all they wanted till they both came over her big tits.

Then she sucked them back to hardness and they did it all over again, but she couldn't take James' cock in her mouth because it was too fat.

What a slut. She finished by masturbating on the floor with her legs around her ears, with Thomas and James standing over her spraying her with spunk.

I could see dry cum all over her as I got my special paddle and the dildos out of the draw – she had to be punished.

Steve, Bristol.

SHE LET THEM FUCK HER TILL THEY BOTH CAME ALL OVER HER BIG tits

SECURI-COR!

There was a security guard where I work who was leaving so we all went for a drink to see him off.

As the evening wore on it became clear that he fancied me, so after a quick kiss and grope we arranged to meet later in the week.

My husband was waiting for me when I got home and I told him all about my 'date'. It really turned him on and we had some amazing sex that night.

When the evening arrived he helped me decide what to wear. I put on a plain black dress that was just tight enough to make it obvious that it was all I was wearing.

The evening went fine and we walked back to his place. I was nervous but excited at the same time. We went straight to the bedroom.

He unzipped my dress as we kissed. It fell to the floor and he eased me onto the bed. His hands were all over me, squeezing my tits and feeling my very wet pussy.

He quickly undressed and I could see that he had a nice stiff cock for me, so he buried his head between my thighs and I began to wank him gently.

As his tongue worked on my clitty he was ramming about three fingers into my hole. Before he made me cum I stopped him so that I could take his cock deep into my mouth.

I licked up and down his shaft and his balls and then began to suck just the helmet as I wanked him with my hand.

I pulled away just in time for him to shoot spunk all over my tits. Then I took great delight in watching his face as I rubbed it in, licking my fingers afterwards.

With some spunk still left on my fingers I reached down and started to wank myself, pushing my fingers into my cunt.

This got an instant response and his cock stiffened. He rolled me onto my knees and began licking my pussy again, parting my lips and pushing his cock into me.

He was banging into me really hard as I rubbed my clitty. Then I felt his thumb rubbing at my arsehole so I thrust backwards

TWOTBOX

to encourage him to do it more.

My cunt was oozing juice and he used some to moisten his thumb before slowly pushing it into my arse. It felt so good having both holes filled.

I soon climaxed, but he hadn't finished with me yet. He pushed me down onto my stomach and carried on fucking me from behind.

Before long he was filling my hole with hot spunk, which ran out as he withdrew his cock.

We lay on the bed gently caressing each other until we were ready to go again, and he fucked me in the missionary position.

Afterwards he drove me home, treating me to another helping of spunk on the way. My husband was waiting for me with a raging hard-on.

As I told him the story of my evening, he started fucking me. We didn't sleep much that night, in fact, as we were far too busy fucking.

I have since done the same thing numerous times, once with my husband joining in too!

Sarah, Sussex.

MY HUSBAND WAITED WHILE I GOT A CUNT FULL OF SPUNK

LUCKY HEATHER

My wife Heather is a serial flasher. She flashes her cunt everywhere – B&Q, Tesco and now finally in Escort.

Recently her flashing brought us more than we'd bargained for. We were on the motorway, and Heather had her feet on the dashboard and her fingers in her pussy, flashing to fellow motorists.

This had given me a raging hard-on, so I pulled off the motorway and found a country lane. Heather soon had my cock out and was sucking like mad.

Then a van pulled up behind us. I zipped up the old fella and got out of the car to be greeted by the sight of a dark-haired woman in her early forties.

Her shirt was undone to the waist, revealing a pair of good-sized tits. She explained her husband had seen Heather flashing and had got so horny he needed a shag.

I'm glad he did stop, I thought, as I got an eyeful of her big brown erect nipples. She told me they weren't into swapping, but they'd like to join us for a bit of fun.

Heather immediately said they could join us by all means. They introduced themselves as Ian and Jill and we all walked round to the front of our car.

Heather unzipped my cock and began sucking it. Ian and Jill were kissing next to us and Jill had Ian's cock out and was wanking it lustily.

I was having trouble getting a hard-on due to being a bit nervous. That soon changed when Ian sat Jill down on the bonnet next to me.

He gently pushed her back and slid her little pink knickers down her thighs. At the same time Jill pulled her skirt right up over her waist and opened her legs wide.

She revealed a big black bush of pubic hair with her pussy lips protruding through – a truly erotic sight. He bent down and began licking her pussy.

SHE LAY WATCHING US FUCK WITH HER LEGS WIDE APART

She was moaning out loud and by now my cock was as hard as fuck. Heather was still busy trying to get as much of it as she could into her mouth.

Soon afterwards Ian stood up to allow Jill to suck his cock. She stopped sucking now and then to lick up and down his cock, right down to his balls and back again.

Then she gave him some great deep throat. I wanted to reach out and feel Jill's tits, but wasn't sure if that would be OK. My mind was soon set at ease.

Ian reached round and began to finger Heather's cunt, causing her to suck my cock even harder. I soon had a good handful of Jill's tits, her nipples rock hard against my palm.

I then slid my hand down over her stomach and into her bush. Her lips were already apart and I slid two fingers into her soaking hole and began to finger-fuck her.

After a while I sat Heather on the bonnet and pushed my cock straight up her pussy. I began fucking her with slow deep thrusts.

Jill was lying back on the bonnet getting the same treatment from Ian, her big tits wobbling about as he fucked her. After about 5 minutes I pulled out and flipped Heather over.

I picked up Jill's moist knickers from the floor and pressed them to my nose. Then I started fucking Heather hard and fast. She came, covering my cock with sticky juice.

Ian had already finished with Jill, and she was lying watching us with her legs apart, her big hairy cunt leaking out Ian's spunk.

This sight and the scent of Jill's cunt on my nose got me going and soon I pumped a gallon of spunk up Heather's pussy.

When we were done, Jill let me keep her knickers as a reminder, and Ian pocketed Heather's.

Martin, Dorset.

POLAROID PERVS

My girlfriend Jaki and I have been going out for about seven months and the sex is great. In fact, it's the best it's ever been.

My fantasy has always been to watch her licking out another pussy. A month ago it was my birthday and Jaki had been in contact with her friend Carol.

Carol is a gorgeous blonde with nice firm tits and a pert arse. Anyway, I had been out for a few drinks with some mates from work.

Arriving home, I heard muffled noises coming from the lounge. I opened the door and there was Jaki with her head buried in Carol's visibly wet cunt.

Both of them were oblivious to me standing there with a stiffy. I saw our Polaroid camera sitting in the hallway so I

TWATBOX

picked it up and started snapping away.

I watched Jaki eagerly eating Carol's cunt and nibbling her clit. Carol was well on her way to an orgasm. Jaki lapped at her new-found lover's juices as they ran down her thighs.

Carol then reversed the roles, pushing Jaki down in the sofa. She released her taut blouse and sucked on Jaki's pert tits, bringing her erect nipples up like cherries.

She slid her hand down over her lover's soft body until she reached her wet cunt. Carol pushed two fingers straight into the moist entrance.

Jaki arched her back as Carol expertly finger fucked her. My girlfriend was writhing about as her sexy friend pushed her thumb into her clit, grinding it in circles.

HER CUNT DRIPPED LOVE JUICE, CASCADING DOWN HER THIGHS. I THRUST IN

Jaki's pussy juiced up with pleasure. All this was too much for me to take without doing something about my rigid cock.

I whipped my kit off and within seconds my swollen prick was in Jaki's face. She lapped at my red helmet, tracing her tongue up and down it before sucking me to my balls.

My cock pushed in and out of her mouth as Jaki caressed it with her tongue, teasing my foreskin with the tip. Holding my erect cock with two hands, she sucked off a globule of pre-cum.

By now I was dying to sink my cock into some wet pussy. I positioned myself over Jaki's face and lined my cock up with Carol's peachy arse.

Her cunt was dripping with love juice, which came cascading down her thighs. I thrust my cock forward and gently slid into her pussy before plunging deep inside her.

The lips of her cunt were forced open as I drove into her. Jaki was nibbling on my balls and licking Carol's cunt at the same time.

The sensation these two gorgeous women were giving me was unbelievable. Jaki's hands raked along my balls as I pushed in and out of her mate.

Then in mutual ecstasy I spunked up Carol, sending jet after jet of my sperm into her womb. Carol screamed out, telling me she was having another orgasm.

Both of us now concentrated on Jaki, lapping at her delicious overflowing cunt. She was in a state of rhapsody licking my juices from Carol's cunt.

Before long Jaki's back arched and her arse bucked away as wave after wave of pleasure coursed through her body.

We are now looking for more gorgeous lovers, so come on all you bi-women – Jaki's waiting for more cunt-licking lips.

Frank, Devon.

TWATBOX

NUTS PLEASE

My girlfriend Jemima used to work part time at our local village pub. She always had a reputation for being a bit saucy, wearing short skirts and flirting with the landlord Ron.

Recently we popped in for a Sunday afternoon drink. It turned into a bit of a session – in more ways than one.

Jemima got quite tipsy as the evening wore on, making her randy. The local cricket team came in after their match and Jemima, egged on by Ron, gave the boys a flash.

She got a cheer as she undid her top and played with her tits. Then she slipped her panties off and stood on the seat, spreading her legs.

She revealed her jewelled pussy and played with the rings in her clit. Al the boys shouted encouragement.

Sadly, a few prim and proper old biddies came in so she had to stop. But Ron said he had to change the barrel, and would need the help of Jemima and a couple of blokes.

When we got down to the cellar, Jemima was keen to carry on where we left off. She leant over a barrel, displaying her rounded arse and flappy fanny.

"Is she game for a good fucking, or what?" asked Ron and the cricket lads, Nigel and Harry. There was no need to ask Jemima – she was bent over waiting for cock.

I told Ron he could go first and he plunged himself in to the hilt. It didn't take long for the sex-starved old bugger to shoot his load right up her pussy.

Harry and Nigel were looking on, beside themselves, waiting for their turn. Jemima pointed to Nigel and told him it was his turn.

He caressed her tits and slid his fingers back and forth over her clit. Then he pulled out his cock and slid it into her gaping pussy and began pumping furiously.

"Fuck, that feels fantastic. Fucking brilliant – you horny bitch!" he cried as he worked her up into a foaming orgasm.

Harry implored Nigel to hurry up before he shot his load in his pants. But Nigel showed no sign of stopping

Harry's famously big cock looked like it was going to burst out of his trousers. Jemima groaned with every thrust of Nigel's cock.

Eventually Nigel could contain himself no longer. "It's pussy heaven!" he shouted at full volume as he shot his load up my girlfriend's cunt.

He withdrew his dripping cock and spunk flowed down Jemima's thighs. Jemima turned to us, flushed, and said, "Now for the big one!"

Harry needed no more invitation. He gripped her waist and thrust himself inside her. Jemima yelped and moaned as his big organ fucked her vigorously.

SHE LEANT OVER A BARREL, DISPLAYING HER ROUNDED ARSE

TWOTBOX

It was a real turn-on for me. My cock was stiff as a board, so I pulled it out and started wanking as Harry jerked Jemima back and forth over his huge dick.

Harry quivered as he came, unloading a huge wad of cum up her already awash pussy. Almost exhausted with fucking, Jemima slumped down on the step and called for a beer.

Ron pulled us a fresh pint from the barrel each and we recovered our strength and went back upstairs.

I had to wait till we got home for my turn to fuck Jemima – but it was well worth it when it came!

Adam, Sussex.

TRIM QUIM

One day I was having my hair cut by my gorgeous hairdresser Sian.

She looked amazing in black ankle boots, a red mini skirt and a tight white crop top that showed off her toned navel and pierced belly button.

As she trimmed my hair her large breasts brushed against my shoulders, sending a shiver down my spine. After my cut we chatted over a glass of wine.

My eyes were drawn to her erect nipples poking through her top. I couldn't resist kissing her lips.

She responded with soft and gentle lips, unlike any man I had ever kissed before. I sat astride her on the sofa and we tongued each other.

I couldn't believe what we were up to, but I was loving it. Then I lifted up her top. I kissed, sucked and nibbled her breasts as she groaned and stroked my hair.

I slid my hand down to her pussy to find it was soaking wet.

Then Sian stood me up and undid my bikini ties. She parted my legs and ran her tongue over my moist slit, circling my clit. I shook with a powerful orgasm.

HE LOOKED ROUND MY ARSE AND BECKONED THEM TO JOIN US

Now I wanted to taste her. I knelt before her, lifted her skirt and moved her thong aside. "Finger fuck me!" she whispered, so I eased a finger slowly inside her.

"Use two fingers!" she gasped. I obliged, and ran a finger over her arsehole as well. She was panting with delight, and came when I started licking her erect clit.

We shared a lovely 69 and as I ate her lovely white pussy she licked my soaking black twat up and down. We fingered each other's arses and came in each other's mouths.

I'm hoping to have a similar experience soon – any offers?

Julie, Beds.

SEXPRESS TRAIN

My husband and I recently had a meal and a few drinks in London. It was late when we caught the last train home.

As the train pulled out of the station my husband as usual started getting randy. I was wearing a black leather jacket, white blouse, leather skirt, stockings and high heels.

I always dress to please him, and soon he was kissing me and his right hand pushed my legs apart. He started rubbing my cunt through my white knickers.

Before long they were soaking wet so I stood up to take them off. Then I noticed that a couple sitting just down the carriage were watching us reflected in the window.

I didn't say anything to my husband. I turned to face him, bent forward and unzipped his trousers. I started to suck his very long cock.

I put my left hand between my legs and started to finger myself. I gave it a couple of minutes and looked behind me. The couple had moved to seats near ours.

It was a 90 minute train journey and we fucked each other all the way. I liked it the best when I had a 69 with Liz (as I found out she was called).

The rocking of the train and the pumping of her husband in my arse had me cumming over and over again.

We are going to London again soon as a foursome and staying in a hotel. The mind boggles as to what we'll get up to!

Karen, Slough.

DOWN TO BUSINESS

My husband Rob and I recently arranged a threesome with his mate Adam. Rob said Adam had a big dick and I couldn't wait to see it.

We booked a hotel room and after a few drinks got straight down to business.

THE WOMAN SHOVED HER WET PUSSY IN MY HUSBAND'S FACE

They must have been to the theatre as the woman had a long evening gown on and the man was wearing a suit.

She was leaning across his lap sucking his dick while he had his hand up her dress and was fingering her hard.

I think my husband knew they were there all along, because he looked around my naked arse and beckoned them to join us.

My heart was thudding like crazy when the stranger came up behind me and slipped his cock straight up me. The woman put her leg up on the seat and shoved her wet pussy in my husband's face.

I pulled Adam's trousers down to reveal a big 8-inch cock.

I had to open my mouth really wide to fit it in. While I sucked him off, Rob pulled my dress up and got in behind me, tonguing my cunt and arse.

After a few minutes I sensed Adam was going to cum. I squeezed his balls and he pumped what felt like a gallon of cum down my throat and over my tits.

Not bad for starters, but now I wanted fucking. I got on the bed on all fours and Rob got behind me. He rubbed his cock up and down my sopping slit.

Then he plunged his cock straight in.

TWOTBOX

He built up a rhythm while Adam lay on the bed watching. I put Adam's semi-hard cock in my mouth and started sucking him back to hardness.

Then I straddled Adam's cock. It felt huge, easily the biggest I'd had inside me. As I bucked about, Rob got behind me and tried to get his cock in alongside Adam's.

There was no room, so he entered my arse. I came uncontrollably. I had never been so full before and I felt like I was cumming with every thrust.

They alternated their stroke so as one drew back the other thrust in.

They both eventually came over me in thick white ribbons of hot creamy cum. It was my first double entry and I loved it.

Now I would love a lady to join us for the next one! I reckon she could help me lick up the mess!

Michelle, Derby.

home from work to find me in my French maid's outfit.

When he saw my friend was dressed up as a medieval wench, complete with flagon of mead for him to drink his eyes nearly popped out of his head. We led him upstairs (he was very willing!) to the bedroom. After all, this was a man's dream come true!

We undressed him and lay him back on the bed. My friend got down and started giving him a blow-job – another of his favourites! She made sure she looked him in the eye all the time she bobbed her head up and down on his big veiny fuck stick.

He then watched and wanked while my friend and I kissed each other all over. She loves my tits and she was sucking on them while I was rubbing her clit.

In turn we rode my husband. While he was fucking one, he was sucking the other's tits or licking their pussy. Eventually he could take no more so we both knelt in front of him.

THICK WHITE RIBBONS OF HOT CREAMY CUM SPATTERED OVER ME

FRENCH FANCIES

My husband loves it when I dress up. His ultimate fantasy was to have a threesome, so I thought I'd tell you about the time it came true.

I arranged a threesome with my friend, for which we dressed up. It was a total surprise for my husband when he came

He wanked himself off all over our tits. Then he watched as we licked cum off each other.

This was an anniversary present for him, and he's agreed I can have my turn for my birthday – him and another bloke. I can't wait for that – and next year's anniversary.

If any blokes fancy joining us, I'm brunette, 32, with a good figure and medium sized boobs.

Andrea, Middx.
